## FROM MISSION CONTROL

BY JAN FERRELL, PRESIDENT

It's official—summer! Break out the sunscreen.

We had 56 members at the final general meeting of the 2018-2019 season. Not a bad turn out as folks are all thinking about what their summer will be like. As always, we had door prizes and the big winners were Gary Barrett and Olga Adair with SCSC caps, Ingrid Russell (a guest) won a Beaver Creek cap, and Ann Dorn and Marianne Pearce won backpacks.

Our next general meeting will be September 9th at Dave and Busters, 6010 Richmond, and it is a BIG ONE as our trips will be showcased. But we cannot run these trips without Trip Coordinators and Assistant Trip Coordinators. I know, I know, we talk about this every year. Please talk with Beverly Roberts, V.P. Trips, about how you can get involved. The last thing we need is to have to cancel a trip because we have no one to run it.

We'll meet in the Star Room which is located at the back of Dave and Busters as you walk up the stairs.

Have a wonderful summer and see you at our happy hours, monthly dinners or any other event planned by our amazing V.P. Activities, Lynn Burch. ---Jan

## COUNTDOWN TO LIFTOFF

BY BEVERLY ROBERTS, VICE PRESIDENT OF TRIPS

Hello from the trip desk!!

It has been a very busy month at the trip desk! At the April Bidfest meeting, the Texas Ski Council voted on the TSC trips for the years 2020 and 2021. With this framework in place, the next step was to review options for Space City club trips to complete the 2020 trip schedule. There are still a few i's to dot and t's to cross, but things are coming together very nicely. I think our members will be very excited at the variety – we have ski and non-ski trips, domestic and international trips, leisure and adventure trips.

We are trying out a planning strategy for our ski trips that has been requested by many of our members who want to attend multiple trips while minimizing their lift ticket expense.

Many of the destinations for 2020 are Epic Pass locations. The Epic Local pass will get you unrestricted days to Keystone and Crested Butte. The local pass will also provide 10 days (total) access to Vail and Beaver Creek. And there is access, although limited to 2 days, to Sun Valley. If you want to go for the full Epic Pass, you get 7 days access to Telluride and 7 days to Sun Valley. If you are interested in more than one Epic destination, this is your opportunity to save some \$\$\$\$. Next year, we will be looking at maximizing the value of the Ikon Pass. And we will always incorporate non-pass affiliated locations to provide variety and round out our ski adventures.

But if skiing is not your passion – or your only passion – guess what? Betcha we have something for you!! In 2020, we have an unprecedented number of non-ski trips. I am thrilled and grateful that so many people have made their interests known and volunteered to run their own 'trip of a lifetime' –and you're invited too!! Check them out – some/all may be your dream trips also!!

So – here are the proposed trips for 2019-2020. Most are in the final stages of contract negotiation and pricing. But there may be some refinement/changes as we tie down all the details. As you can see, we are still looking for a few trip leaders. If you are interested in leading any of the trips below that still need trip leaders, please let me know. You will work some, you will play lots, and you will meet the greatest people around.

Destination	Schedule	Trip Coordinator
Vail	Dec 7-14	Kasia Rezmer
TSC/Keystone	Jan 4-11	Interested Space City members should contact Clear Lake and join their group to participate

### HAVING A BLAST

BY LYNN BURCH, VICE PRESIDENT OF ACTIVITIES

On May 17, there were 18 of us who went to the Horse Races at Sam Houston Race Park for the races and 50 cent beer & \$2.00 wine. I was able to buy everyone their first drink since I bought part of the tickets at the senior discount. Karen Leeson and Bil

Cusack were the ones who won the most between but no big payout. Then on May 23, twenty-eight of us went to try our luck at Bingo at the SPJST Hall. It was Sandra Stolnacke's birthday and Linda Kuper brought a cake. George Sargent won one of the games but had to split the pot with another winner. Still \$75 less tax wasn't bad. We had a great time and will go again in August.

The May Dinner at Cavatore's Italian Restaurant on May 25 had thirty-two attend, we had a small problem when the restaurant decided one waiter could handle that many people, it made things a little slow but the food and atmosphere was great. These dinners are so much fun to visit with friends in a smaller group than the meetings or Happy Hours. It was Charlie Roberts' birthday and Beverly brought this wonderful cake for all to share.

The Astro's Game is on Friday June 14. All 26 tickets have been sold and handed out. Diane Gresko is setting up a Happy Hour before the game.

The June Dinner is at Las Ventanas Mexican Restaurant by I10 and Hwy 6 on June 15 which is a week earlier than usual because the Volunteer Party is the next weekend.

Our yearly party to thank all the volunteers that have helped us run the trips and activities through the year is on Sunday June 23. The invitations have been sent

and I need for the ones who want to attend to sign up and you will receive the address. The Margarita machine will be buzzing, Robert and Bruce will be cooking the brisket and chicken, there is lots of food, beer & wine and the swimming pool will be ready. If you did not volunteer but want to come to the party, you can sign up on the website and pay \$15. **YOU HAVE TO SIGN UP IN ADVANCE, THERE IS NO PAYING AT THE DOOR.**

June Happy Hour is on June 27 at Pub & Grill Galleria on Richmond.

Dance lessons are continuing monthly with June doing Night Club Two Step again, but July could change. Check the website for details.

Both Game Day and Game night will be on their usual Tuesday schedule at Tea + Victory.

Please check the website often for new activities. This is where you learn about them and can sign up.

Thank you to all the members who participate in the events, as long as you keep coming and signing up for activities we will keep having them and adding new ones.

### EXTRAVEHICULAR ACTIVITIES UPCOMING JUNE EVENT CALENDAR

June 5 to 26	Dance Lessons every Wednesday
June 11	Game Day at Tea + Victory
June 14	Astros Game at Minute Maid Park
June 15	Dinner at Las Ventanas Mexican Restaurant

## WHITEFISH 2019 TRIP REPORT by Ali Pethick, Trip Coordinator

After weather delays, we arrived in the early morning on Sunday. Some luggage was delayed, and a very patient customer service agent took our claims. Our hotel representative, Paul Kozuch, met us at the airport and he also patiently waited while we finished our claims. Then it was off to Whitefish. Even in the dark, it was evident that there was plenty of snow and more to come. Lift tickets were disbursed, and we settled in to get a night's sleep before conquering the mountain. Many slept in that first morning, myself included. I was awakened by gleeful good mornings from Mary Jo and Diane who had arrived earlier than the rest of the group and came to get their lift tickets. My condo mates, Brenda and Sid Lacombe convinced them that it was better not to wake me and to just take their lift tickets that were conspicuously left on the front table for them. Even at this early date in the trip people understood that I need my cup of java.

A race meeting was held that afternoon and I was joined by Beth Slaughter (Race Director) and Marsha Lutz (Assistant) at the Whitefish Lodge. Beth had previously read the rules. Oh, thank you!!!!!! Have you ever read the TSC Racing Rules? You definitely need your java or a drink in the Whitefish Lodge before tackling them.

Later that afternoon we went to the TSC welcome party. Free drinks and hors d'oeuvres were served at the Whitefish Lodge in town. Ali and Jo Barrie found some good company in the lobby. Ali is aggressively pursuing while Jo has someone creeping up behind her.

Diane Macksound, Mary Jo Loverdi and Jose Fernandez experience the view from the top of our condos. Some harder sports like Brenda and Sid Lacombe and Bill Reilly and Mike Willis actually immersed in the hot tub. Diane Macksound lives in Rhode Island and still goes on trips with SCSC. It was so fun to

meet her, and I hope to enjoy her company on another trip.

Jim Walker, Brian Lumpkin and Keith Kirkman enjoyed our fabulous dinner at Ciao Mambo. The dinner included bruschetta, garlic bread, margherita pizza and pizza guido with everything you could imagine on it as well as spaghetti and meatballs. The spaghetti and meatballs were served on the buffet and we had enough left over to bring to the SCSC end of the week party. Some said it was the best dinner ever on a trip. Helene Robinson, who coordinated the dinner, knows all the secrets of Whitefish and all the places to get the best huckleberry stuff. I still have a jar of huckleberry jam and you can actually see whole huckleberries.

Race day. Jim Slaughter, one of SCSC medalists just finishing his run.

Chuck Albright, Ross Baker, Ed Reilly, Diane Baker enjoying a powder day.

Powder Day. Ross and Diane, Chuck, Bill Reilly, Ed Frieter, Mike Willis and Joe Zurfley.

Yard Sale, which didn't deter Jim Slaughter (on left), who won in his age group. We were all a little thrown off because the location of the race was changed on the day of due to the very cold temperatures. Jim proved to be a winner despite it all.

Jim Slaughter and Stuart Traver getting ready to pray that the powder never ends.

Trip to Glacier National Park. We all met outside the Kanderah Lodge to start our journey to the park. We met the Ranger at the park entrance, and he gave us a short presentation on the park and all its history. Most people huddled in the cold to hear his very interesting message but some of us retreated back to the bus. We went out on Lake McDonald and then to Large Montana House shop which had an extraordinary supply of local arts and crafts. Most of the men got out of the way, as the women hurried out to get souvenirs of their memorable trip including those huckleberry products that we all came to crave.

Brian Lumpkin at the Glacier National Park gift store with Jim Walker. They are not going to pay park prices. The scenery is free.

#### McDonald Lake

Chuck and Elizabeth Albright, Ali Pethick, Gin Knebel, Sue Muenks and Brian Lumpkin keeping warm while enjoying the sights of Glacier National Park. After taking our picture, we thought it only fair to take Marsha Lutz's picture.

After our park tour, we had a fabulous Huckleberry Cobbler at the Isaak Walton Inn. The Izaak Walton Inn was built in 1939 by the Great Northern Railway to accommodate the railroad's crews. Today the Izaak Walton Inn welcomes tourists year round that come by car, train or plane and still embodies the rich railroad history that it was founded on! The Izaak Walton Inn is a beautiful historic chalet featuring historic lodge rooms, family cabins, and unique converted train car and caboose cabins.

There were many unusual treasures in this gift shop including this lady. Remember, this was originally a stop and quarters for the railroad workers.

#### Stuart Traver.

Fred and Ali, Marsha and Helene out on the town. Marsha said she was glad to find this spot because she commented

that this was the coldest trip she had ever been on. That was saying a lot since Marsha has been in the club for many years. I, myself have never been at a ski resort where the top half of the mountain was closed due to the cold. One day the top was -30 degrees.

New members Richard Haines and Charlotte Daigle in town. This was Charlotte's first time skiing. Also new members on this trip were Joe Zurfley and Annie Truong. Annie said her martial arts background was certainly an asset to deal with those snow ghosts. I enjoyed meeting all of them and hope to see them on another Space City Ski Club trip. Jo Barrie was a beginner skier who conquered some blues with Stuart as her guide. She also skied with Marda. They took some lessons and raved about the ski instructors. To me that is the best part of being a TC. I have met so many awesome people and that is not a word I use often. I really enjoy learning about members and listening to them regarding what will make it a good trip for them—even if they change roommates, add roommates and I have to run to get them before the bus leaves. Many of them stepped up as well when others needed help. When luggage was delayed, many lent items to others and just plain listened to their pain. We all came together as a team. Marsha helped with the trip home as Fred and I drove on to Schweitzer, which was another unforgettable trip lead by Derek Shoebridge and Linda Erdman. Overall, Space City Ski and Adventure Club is the way to go to see the world that's for sure. You are always in good company.

Dog Sledding. Beth

Slaughter and Charlotte Daigle keep warm while the dogs work.

Brian Lumpkin goes to the dogs. Nancy DuFrane also went to the dogs but we didn't get her picture.

Space City Ski Club Racers at the TSC banquet.

Racers Fred and Ali Pethick, Brenda and Sid Lacombe, Stuart Traver, Jim Slaughter, Bill Reilly, Chuck Albright, Ed Freierter and Mike Willis. Ali would surely have medaled if she had only crossed the correct finish line. They always try to trick me. I guess I'm just too much competition.

Space City takes the TSC prize. Race Director, Beth Slaughter in the front of the pack with her winner, Jim Slaughter. Joe Barrie, Stuart Traver, Fred and Ali, Richard and Charlotte, and Marsha Lutz at the end of the night.

SCSC had 11 racers who all braved one of the coldest ski race days ever and because of their persistence and grit, we won 1st place in Division 1 with over 4 times the points as the second place club Lone Star. Way to go SCSC!

Of those 11 SCSC racers, the following 6 earned a medal/ribbon (in lieu of mountain Nastar pins not given at Whitefish) while the others earned valuable points contributing to our win.

Nancy DuFrane –Silver  
Bill Reilly –Silver  
Charles Albright -Silver  
Stuart Traver - Bronze  
Jim Slaughter- Bronze  
Ed Freiter -Silver

In addition to the club awards, the TSC awards Gold, Silver and Bronze medals in the Individuals Competition to the top 3 men and top 3 women in each age category that completed both courses. Without naming the category (😊) the following placed.

Brenda Lacombe - Bronze  
Charles Albright - Silver  
Ed Freiter - Gold  
Jim Slaughter - Bronze  
What a great night it was.

Ed Frieter and another TSCer get down. He still has energy after winning his medal.

After returning home, I received this from Helene Robinson who resides in Whitefish:

*Greetings from your Whitefish-based SCSC member. First, I want to say that it was wonderful having you in Whitefish last week. I was so impressed that you managed to*

*ski in very unusual weather for late Feb! It was worth it because you are now famous in our little town. Our local weekly paper, the Flathead Beacon (rated the best weekly in MT) has a story about the 130 Texans here.*

The people of Whitefish were the best. The town itself is pretty cool with something for everyone—even casinos. One of the waitresses at the Ciao Mambo offered to take several of us back to the hotel after our welcome dinner because we were carrying this giant pan of the leftover spaghetti and fabulous (yes, the best I ever tasted) meatballs. We offered to pay her, but she wouldn't hear of it and we had to stuff the money in her jacket and run away. The back seats had been chewed up by her dog, but we said it was ok since the alternative was standing outside waiting for a cab or bus. The snow was bearing down on us the whole way back, but she just kept shifting the gears of her aged truck and we held onto the meatballs.

We also venture to Rodrigo, Vega Terron, and Salamanca, Spain. We end the Main trip in the home

of Port wine, Porto, and fly back to the US. Or there is an optional three-night, four-day post trip to Barcelona for an additional cost estimated to be \$1,489 which includes airfare but doesn't include a Barcelona city tax (approximately \$3 per person per day).

### The Itinerary for the Main Trip:

**DAY 5** –Porto / Pinhão. Today is a day of sailing through the twists and turns of the Douro Valley. Included Meals: Breakfast, Lunch, Dinner

**DAY 6** –Pinhão / Vega de Terron. Begin the day with a visit to a beautiful quinta vineyard with spectacular views of the Douro Valley. Learn about wine production and its importance to the culture and economy. This afternoon, the ship sails for Vega de Terron, gateway to Spain. Included Meals: Breakfast, Lunch, Dinner

Included Meals: Breakfast, Lunch, Dinner

Return to the ship in Régua after the excursion. Included Meals: Breakfast, Lunch, Dinner

**DAY 10** –Porto. Having traversed the Douro River, the ship returns to Porto – a city with an eclectic mix of modern and ancient architecture. The remainder of the afternoon is at leisure in Porto. Included Meals: Breakfast, Lunch, Dinner

**DAY 11** –Porto / USA. This morning, disembark the *MS Emerald Radiance* and bid a fond farewell to Portugal, filled with memories of this remarkable cruise along the 'river of gold.' Included Meal: Breakfast

Please note that the pricing is still under negotiation and will probably need adjustments. Also, since this trip includes a river cruise, there are different cabin levels on the ship and pricing will vary based on cabin levels.
