FROM MISSION CONTROL

BY JAN FERRELL, PRESIDENT

October—holy cow! Where did the year go? September's weather was brutal but it is snowing somewhere in the world. I hope.

We had a great kick-off meeting at Dave and Buster's on September 9th. Lots of nifty door prizes. Terry Gray won a very cute knitted cap and he plans on giving it to his granddaughter. Yah, right. I think it would look good on him. Pat Salinas and Renee Reed both won ski helmets. Our intrepid Chairman of the Board, Bill Bomberger, won an inflatable pillow, Debbie Moser has new ski goggles and Russell Turbeville walked away with a stainless-steel water bottle.

Thanks to our V.P. Membership, Bruce Lowther, for those super door prizes.

Our Trip Coordinators introduced themselves and stood ready to talk about their trips. Many of our trips are sold out but there is the option of going on a wait list. Always a good option as it never costs you a dime. Curious about the participant status of any trip? Go to our website and scroll down to Trips. Our Patagonia trip left on September 25 so be sure and check out the trip article on our website.

Many of the US ski resorts are putting their snow-making guns into position waiting for the temperatures drop low enough. Arapaho Basin is the most likely to open first.

If any of you would like to have a guest presenter at any of the meetings, please let me know. See you soon at an activity or meeting!

THINK SNOW!

COUNTDOWN TO LIFTOFF

BY BEVERLY ROBERTS, VICE PRESIDENT OF TRIPS

Hello from the trip desk!!

Wow! It was great seeing everyone at the first club meeting of the season. Thanks again to our trip leaders for filling the room with all their enthusiasm and energy. These folks have been researching dining, lo-

cal specialties, tours and all types of activities - sipping to shopping, arts to sports, for singles, couples, crowds - to develop exciting options and agendas for their trip participants. The trips are selling quickly, and many already have waiting lists. If your preferred trips are at capacity - join the wait list!! There have already been drops and adds for all the trips, and there will be more. Position yourself to grab a place if you didn't get in on the initial sign up. But remember - there are still ski and adventure trips with openings, and every destination has its own appeal, so why not try something new or different?

By the time you read this, our last trip of the 2019 travel slate will be underway. I can't wait to hear all about the river cruise in Portugal - travelers, raise a glass of Port for your fellow club members in Houston!

See you at the next happy hour or club meeting. And don't forget to sign up!!

HAVING A BLAST

BY LYNN BURCH, VICE PRESIDENT OF ACTIVITIES

Our August Dinner was at Union Kitchen on Memorial and they were involved in the Houston Restaurant Weeks where they have a selection of set dinners for \$45. A lot of us participated in the dinner where you got an appetizer, entrée and dessert for \$45. Everyone said they meal was very good.

Cindy Moore ran a Standup Paddleboard event with a party afterward on Sunday August 18. She had 16 participants at Paddle boarding and then everyone went to Marilyn Swanson and Larry Robinson's house for a party that ran for hours. Everyone was talking about how much fun they had at the party.

Happy Hour at Beer Market on September 22 was fun but the trivia was not quite what we had expected. It was all on Star Wars and was divided into 4 sessions. Ali and Fred, Bil and Karen, and Kurt all played the first session and then decided they didn't want to do it anymore.

The Galveston Sand Castle competition on August 24 had less of our members this year helping out but most of them said it was better than last year because they had packed the sand and it was easier to walk in. The Sand Castle competition is always fun.

September 14 pool party and cook out at Stuart's was a big success. There were 40 members who had a great time. The hamburger and hot dogs were good along with all the other food everyone brought. Stuart had a beer pong game to play in the pool and Bil Cusack brought a bean bag toss game.

The September Dinner at Patagonia Grill on I-10 on Saturday September 21 was great. We had 28 members and the food was very good. The owners gave us 4 \$50 gift certificates to give away. I gave 2 at the restaurant that were won by Matt Lora and Charlotte Daigle and I am saving 2 to give away at the October meeting.

This month's Happy Hour is at Tasting Room in Uptown Park on September 26.

Dance lessons are continuing monthly with October lessons on learning the Polka. Check the website for details.

Both Game Day and Game night will be on their usual Tuesday schedule at Tea + Victory.

Please check the website often for new activities. This is where you learn about them and can sign up.

Thank you to all the members who participate in the events, as long as you keep coming and signing up for activities we will keep having them and adding new ones.

TRIP DESCRIPTION

At 5,289 acres, Vail is the largest single ski mountain in North America, featuring seven powdery bowls, the back-country skiing of Blue Sky Basin and the front side. 1,500 acres of "corduroy" each day means the most groomed terrain on the planet. Combined with a yearly average of 346 inches of snowfall and 300 days of sunshine, Vail is a skier's paradise. Off the slopes, head to Lionshead or Vail Village with world class dining, shopping, galleries, apres ski, nightlife and spas all just steps away.

Imagine stepping out of your condo in the morning, making the short walk down to the complimentary ski valet, grabbing your skis and walking across to the gondola. World class skiing is literally at your door! Vail doesn't get any easier to do than this!

tees when the weather is involved, you are highly likely to enjoy good conditions at Vail in early December.

BANFF HISTORY

On July 1st, 1867, the nation now known as Canada was born. In Canada's earliest years, the country's first Prime Minister had a dream of uniting the country from coast to coast. From that dream, came the Canadian Pacific Rail Way and the discovery of Banff.

Mt. Norquay credit Raubin Krebbe

What is now the town of Banff was discovered during the construction of the Canadian Pacific Railroad. At the sight of the Rocky Mountains, then president of the Canadian Pacific Railway, Sir William Cornelious V, we'll import the tourists."

TRIP DESCRIPTION

WHY CHOOSE THIS TRIP?

THE BIG 3 Mountains. Lake Louise, Sunshine and Norquay

TRAVEL

Non-stop direct flight!

We leave on Saturday, January 18th at 9:35 a.m. out of IAH. We enjoy a non-stop direct flight to Calgary. No getting up at 3 a.m. (unless you need to), no lost luggage due to weather and transfers. Once we get to Calgary in the early afternoon we enjoy a scenic bus ride to the Ptarmigan Inn located in central Banff. No schlepping luggage as it will be transported to our rooms. We will rest for a few hours before our Sports America's Welcome Party downstairs.

This is a joint trip with the Austin Ski Club. Friendships will be renewed and new acquaintances made as well as lift tickets disbursed.

Apres Ski events are planned for every night including at

the famous Banff Springs Resort which is only a few minutes away. Sunday night will be the SCSC welcome party and we can discuss the events of the day and continue planning the rest of the week.

Mid-week optional dinner for both Austin and SCSC.

If you are interested in any non-ski activities or just want to take a day off, Matty at Sports America will be coordinating these. They are booked on an individual basis and will include dog sledding, snowmobiling, snow tubing, and sleigh rides. Details not yet available. There are many museums and some historical sites not far from the Ptarmigan Inn. Also Banff national park is nearby.

Canada has a favorable exchange rate. At this writing \$1.00 USD to \$1.36 CAD.

The Norquay Ski Resort is close and Sunshine Village and Lake Louise somewhat further but what a ride.

AND LET US NOT FORGET THE BIG 3!!!! Some of the best and fluffiest snow ever!!!! I went with the club 3 years ago and have been waiting for the opportunity to go again. Your ski passes are good at all of The Big 3. The Big 3 also accepts the Ikon pass.

Oh, and then there is the possibility of an aurora borealis. I will be on the website and keeping everyone posted. This is

WHY CHOOSE THIS TRIP?

Do you have a significant other who doesn't ski or board but loves touring fabulous destinations? This trip is the perfect choice if you do! Nestled at the foot of the famous 4810m-high Mont Blanc, the Chamonix valley is one of the most visited sites of natural beauty in the world. You will enjoy world class skiing; in fact the first winter Olympic game was held in Chamonix in 1924! The valley of Chamonix Mont Blanc is situated less than 15 km from the Swiss and Italian borders. In this one trip you can tour 3 countries in Europe; a paradise for both skiers and non-skiers. **See the section at the end of this for the January 29th Paris pre-trip details! Add \$399 for Paris. The direct air to Paris is substituted for the inbound flight to Geneva on the main trip if taking a full package. Details are also there for the Sicily post-trip.**

You can ski three different countries in the French Alps with access to Brevent-Flegere, Logna-LesGrands-Montets, Les

Houches, Balme - Le Tour - Vallorcine", les Planards, le Savoy, la Vormaie and Aiguille du Midi, Montenvers Mer de Glace railway on the Mont Blanc Unlimited pass. Also enjoy Courmayeur in Italy and 50% off the Verbier pass both also included. You will ski to your hearts content while your loved one enjoys tours in Aosta, Italy; Annecy; Geneva and Lake Geneva Region and savors wine tasting tours with Space City friends. Experience romantic France and Italy together in the evenings and possibly plan some tours together. This is also the perfect European winter adventure trip for couples and singles who don't ski at all. For those members who like to experience a little European skiing with a lot of other fantastic adventure and spa options, this trip is a dream come true! Read on....

We are staying at the fabulous four star Hotel La Folie Douce. I have heard some members are saying they are picking this trip just to stay at this amazing hotel! Click this link for a video of this hotel during the summer.

<https://www.youtube.com/watch?v=033LQUdfVd4&feature=youtu.be>

Are you sick of trying to adapt to high altitude? Or even worse, does staying at high altitude make you sick? Would you believe our hotel's altitude is a mere 3400 feet? By European standards, with enough snow, the hotel sales person told me it is considered ski in, ski out to the Savoy lift, a beginner lift. (There could be a short walk to this lift, according to our tour operator, but it is "ski in" from this lift serving the Le Savoy & Brévent area.) Our hotel has shuttles to many ski areas included in your pass and there are also buses going to most of them included with your lift pass. This package includes an exquisite breakfast buffet every morning and a full dinner at the hotel for 7 nights. What other 2020 SCSC ski trip includes all of these meals? When comparing prices, don't forget to estimate how much you will spend on meals out and add that amount on to the domestic ski trips.

In addition to the above, your tour package includes a welcome drink and resort orientation evening of arrival before dinner, all transfers to and from Chamonix from the airport, TSC Gala dance party night, portorage of one piece of luggage per person, use of spa facilities at the hotel, optional tour program, TSC credential for Chamonix activities and Special TSC Pin.

When you purchase our special 3-day or more lift tickets they include access to museums, the Vox Cinema, skating rinks, one toboggan slide decent per day, access to QC Terme, Chamonix plus free and unlimited access to the skyway!

Chamonix has some of the world's best peaks and glaciers for expert skiing but also is perfect for the shopping aficionado. Chamonix's village is flooded with everything from jewelry and designer boutiques to high performance outdoor gear shops. Also, enjoy Nordic Trail, ski touring, winter paragliding and the town's nightlife hot spots and casino!

The Valley of Chamonix Mont Blanc is also a veritable playground for intermediate and beginner skiers. Enjoy the unique scenery to be found at this gateway to the high mountains, most notably via the amazing **Aiguille de Midi cable car** and the famous Montenvers train to the Mer de Glace. (See more about this under “More Than Just Skiing” below.)

ACCOMMODATIONS: We will be staying in premier rooms at the amazing Hotel La Folie Douce right at the slopes (ski in, walk out; ski out with the right snow conditions to the beginner lift). Most skiers will walk or take a 2 minute shuttle ride to the Brévent Cable Car to access the Brévent ski area. The party is ON at our hotel, complete with unforgettable Apres’ Ski. There you will find music,

dancing and light shows from 5:00 to 9:00 p.m. nightly. It is the “happening” place to be after skiing in Chamonix!

The Feel Good Club Sports & Spa boasts an 18-metre heated outdoor swimming pool, saunas and a steam room, fitness room and a sun terrace overlooking the majestic mountains of Chamonix. Book a massage or a yoga class and spoil yourself!

MORE THAN JUST GREAT SKIING

With Vox Cinema, museums, the sky way, tobogganing, QC Terme access, Mer de Glace glacier and the ice caves, the unique Apres' Ski parties in our own hotel's incredible bar, and multiple optional tours to choose from, it doesn't get better than this! We have a Paris pre-trip option for \$399 per person double occupancy with a direct flight from IAH to Paris on For the non-skiers we have many options for day trips and excursions. Just a few are as follows:

- Aosta, Italy
- Annecy
- Geneva and Lake Geneva region
- Wine tasting Tours

If people prefer to be adventurous on their own, they can hop on the train and travel to a dozen different villages in any direction.

The Chamonix ice caves (or ice grotto) in the Mer de Glace glacier is a great way for non-skiers (or skiers just taking a day off!) to spend a morning or afternoon in Chamonix and is included in the Mont Blanc Unlimited ski pass. This is what differentiates Chamonix from other ski resorts. Walking through the Chamonix ice caves, touching a real live glacier and being high up within these majestic mountains is a once in a lifetime experience. Take the steep Montenvers rack and pinion train (pictured above) up the mountain to access the Mer de Glace glacier and the ice caves. The ice caves are included in the train ticket.

The crimson, toy like train has been delivering sightseers to arguably the most stunning mountain scenery in Europe since 1908. Walk through the ice caves, drink in the spectacular views over the glacier, learn about these great hunks of ice in the glaciarium and visit the small crystal exhibition.

WHY CHOOSE THIS TRIP?

Come ski Crested Butte with over a hundred of your fellow Texans. That's right, 5 of the Texas ski clubs will be making the trip this winter!! In addition to the Space City activities, you can participate in the TSC activities which include a welcome party with a DJ, a pub crawl through the village,

a fun racing day and a banquet with dinner and dancing to wind up the trip. There will also be daily suggested lunch and happy hour meeting places and some optional group activities that are still in the works.

Crested Butte, the self-proclaimed "last great ski town in America", is one of the few resorts in North America that really does offer wide-ranging terrain for every kind of skier. Spanning 1,547 acres, Crested Butte Mountain Resort has plenty of terrain for beginner and intermediate skiers (more than two thirds of that acreage) while the rest is dedicated to insanely steep extreme terrain serviced by some of the best lifts in the country. Due to its large amount of extreme skiing terrain, the mountain has attracted the U.S. Extreme Skiing Championships and the X Games.

Founded in 1879 as a coal and silver mining town, Crested Butte transitioned to a ski town in the 1960s when the Crested Butte Mountain Resort opened. The town is just a 10-minute shuttle ride from the mountain and is extremely pedestrian friendly with plenty of places to shop and eat, many of them on the iconic Elk Avenue. Be sure to stop and take in the breathtaking view of the mountain when you are in town.

This year, SCSC is offering a trip to Deer Valley, one of the premier locations to ski in North America. Since 1998, the ski resort has been ranked in the top three and #1 eight times by the readers of SKI magazine, including an unprecedented 5 times between 2008-12. the skiing industry.

Deer Valley has 21 chairlifts, 103 runs, and 6 bowls on over 2000 acres of skiable terrain on 4 mountains catering to all ability levels. The number of lift tickets sold each day is limited so that lift lines remain short. Deer Valley offers a ski-only resort experience.

Each condominium features a full kitchen, dining area, gas fireplace, and washer/dryer. The Lodges offers several conveniences: a restaurant, general store for groceries, beer and wine, ski-rental shop where lift tickets

can also be purchased, fitness center, hot tub and heated swimming pool. A hot breakfast and après ski are included

with the lodging. Shuttle transportation by Cadillac is offered within the resort and to Park City's historic Main Street for dining and nightlife.

We will arrange transportation to meet your flight for each SCSC participant to and from the airport at Salt Lake City, less than an hour away from the resort (38 miles). Non-stop flights are available between Houston and Salt Lake City. On your day of arrival, we are planning a cocktail party with appetizers and light entrees from 6 - 8:30 pm. For this trip, SCSC is offering land-only packages. If we get 10 or more participants who want air transportation, we will offer a group airfare rate (see full package price).

Group rates are available on lift tickets if we get 20 participants per day. Otherwise, Deer Valley offers discounts for multi-day tickets and for seniors (65+).

Deer Valley has been on my bucket list for some time. Please join me!

The Armoury has a fantastic collection of insignia of Imperial power, precious clothes, ceremonial harnesses and a unique collection of imperial carriages. Day 5 - Saturday June 6, 2020 - MOSCOW - VLADIMIR – SUZDAL

Unique memorials still remain – Cathedrals of Assumption and St. Demetrius Cathedral. You will see the famous Golden Gates (1158-1164) located close to town centre. First, visit the Monastery of St. Euthymius which was founded in the 14th century and grew in importance in the 16th and 17th centuries after donations from Vasili III, Ivan V and the Pozharsky family, a noble dynasty of the region. Among the buildings erected during this period were the Assumption Church, the bell tower, the surrounding walls and towers, and the seven-domed Cathedral of the Transfiguration of the Saviour. Continue to the Suzdal Kremlin, the oldest part of the Russian city dating from the 10th century. Together with several structures in the neighboring

city of Vladimir, it was named a UNESCO World Heritage site in 1992. Your tour will continue with a visit to Peter & Paul's fortress, founded in 1703 by Peter the Great, and the oldest building in St. Petersburg. Until 1917, the fortress was mainly used for holding political prisoners, such as Dostoevsky, Lenin's brother Alexander, and Peter the Great's own son, Alexei. At the heart of the fortress is the Cathedral of St. Peter and St. Paul, with its landmark gold spire, where all of Russia's pre-Revolutionary leaders were buried, apart from Peter, Ivan IV and Nicholas II. Drop off

in Nevsky for free time and lunch at leisure. Afterwards, enjoy a vodka tasting and a guided tour of the Museum of Russia Vodka. Day 6 - September 1, 2020 - Heraklion, Greece

Morning arrival to the island of Crete, rich with history and culture. Awake to the island's bustling capital, Heraklion. The busy capital of Crete is a former Venetian harbor with a history dating back even further, to the time of the Minoans. Visit Knossos, once home to Europe's oldest civilization and the setting of the legend of Theseus and the Minotaur and delve further into the art and creativity of the Minoans at the city's extraordinary Archaeological Museum. You can visit one of the island's most picturesque places: the Lion's Square. Stop in a local cafe where you can savor a "bougatsa", a local Cretan pastry.

The ancient city of Knossos, with constant habitation from the Neolithic era until the 5th century A.D. and is beyond doubt the land that "gave birth" to the first civilization of Europe. The first excavations were begun in 1878 by the Heraklian Minos Kalokairinos. A bit later (1900-1913 & 1922-1930) the excavations by the British Sir Arthur Evans were to complete the scientific research, bringing to light the Minoan palace in its entirety, which was, according to tradition, the residence of the wise King Minos. The palace of Knossos spreads around the large Central Court. You will reach the awe inspiring Throne Room, the fresco of the "Prince of the Lilies", the imposing Grand Staircase, and the Queen's Megaron in the east.

We will stop in Heraklion on the way back to the ship. Heraklion was founded in 824 and is an important homeland of many contributors to Literature and Art, some examples of which are the Nobel winning poet Odysseas Elytis, the Renaissance painter Domenikos Theotokopoulos (El Greco) and the writer Nikos Kazantzakis. Heraklion is also endowed with some wonderful edifices: the "Koules" fortress, the award winning Venetian structure of the Loggia, the Morosini Fountain, the Basilica of Saint Mark, and the Church of Agios Titos. Starting the walk from Liberty square of Heraklion, guests will pass by the shopping streets of Dedalou and 25th August and see the aforementioned sights along the way.

Return to the ship in the evening. Ship will sail at night for the next destination. (B,L,D)

Day 7 - September 2, 2020 - Santorini, Greece

Early arrival in Santorini. Sprinkled like sugar over sheer black volcanic cliffs, Santorini's whitewashed capital, Fira, is a sight to behold. Wander the narrow streets or venture along the

cliff top to pretty Oia for that iconic shot of the blue domed church. The ship will spend the evening in port, so take a ring-side seat in a cliff top bar to watch the fiery sunset.

After breakfast the next day is your included excursion to Santorini's Oia Village. First we head up to Megalochori village, one of the most authentic and unspoiled villages of the island with its distinctive architecture and character. We will continue to the east passing by small traditional villages of Kamari, Monolithos, Fira, Firostefani and Imerovigli, with delicate architecture and beauties, to eventually arrive at the settlement of Oia. During the entire route, to the west is lace-like caldera, the little islands of Thirasia, Palea and Nea Kameni and a magnificent panoramic view. In Oia, we will have plenty of time to stroll through the marble-paved alleys, to gaze at cute shops, to take pictures, to become acquainted with the characteristic buildings carved into the rocks, and the unusual captains' manors. The settlement Ammoudi is at the foot of the caldera. After your curiosity has been sated of the area which is characterized as being of "exceptional natural beauty", you will return to the ship. Afternoon at leisure in Santorini.

Return to the ship. Dinner and overnight sailing to the next destination. (B,L,D)

Day 8 - September 3, 2020 - Santorini - Milos - Mykonos, Greece

OPTIONAL TOURS (purchase onboard during cruise)

Delos-Sacred island & Apollo Sanctuary (To be booked onboard the Cruise)

You will be transported by boat to the ancient harbor of Delos where you will travel back in time. In front of the pier is the “Agora of Hermaists” or “Competalists” with altars and shrines where the ancient road crossed the two porticoes. Behind the south portico used to be the “Agora of Delians”. Next follows the “Oikos (House) of Naxians”, dated to the 7th century B.C. Further north you will admire the three “Temples of Apollo”, the oldest of which was already in use by the 6th century. The southernmost temple is known as the “Temple of the Delians”. At the northern side of the temples you will stand in front of the so-called “treasures”. Here, every city of antiquity exhibited its offerings. A monument that will draw your attention is the “Sanctuary of the Bulls”. You will find yourself at the “Agora of Theophrastos”, and will pass by the “Temple of the Twelve Gods” to eventually reach the “Granite Monument”. Next follows the “Avenue of the Lions”, which was encircled by full-sized marble lions. The large building complex that rises in front of you is the “Establishment of the Poseidoniasts of Beirut” and it was built by ship owners and merchants from Beirut. The excursion comes to an end at Chora with free time for strolling through the alleys and the shops. Included: Guide, Boat transfer, Entrance Fees

Mykonian Dinner (To be booked onboard the Cruise)

This delightful excursion takes you on foot and up close to the wonders of Mykonos Town, one of the world’s best-loved destinations. We’ll start with a stroll along its narrow-cobbled streets, past chic boutiques and white-washed

churches and elegant cafes, until we arrive at Kastro, home of the famous Paraportiani Church. Next to Paraportiani is the Folklore Museum*, which is found in an old two-story captain’s house. We will visit the museum, which houses interesting costumes, furniture and household items typically found in the island’s homes in the late 19th and early 20th centuries alongside jewelry and textiles. The Folklore Museum is an in-depth tour of Mykonian life as it was more than 100 years ago. While in Kastro, we will also visit the smaller chapels of Paraportiani.

We walk from Kastro to Alefkhandra and Windmills. Alefkhandra, also known as “Little Venice,” is a charming corner of Mykonos Town. The houses here, the homes of wealthy merchants and sea captains, were built on the sea in the 18th century, and their wooden balconies evoke the homes along the canals of Venice. From here we will walk to the windmills for a magnificent sunset and one of the best spots to take photos on this splendid island.

Your stroll through the picturesque little streets of Chora will bring you to a local tavern, where you are welcome to savor the taste, aromas and essence of genuine Greek spirit through Greek favorite flavors, drinks, music and dances.

Cycladic tastes, food on foot (To be booked onboard the Cruise)

Savor the delights of Mykonos with a foodie tour around the island capital. You’ll see the city’s highlights and neighborhoods all while sampling the best food and drink that Mykonos Town has to offer. We’ll start it all with a caffeine kick at Café Barco where you’ll be served a traditional coffee and sweet treat, after which we’ll stroll past the famous windmills, through the narrow, cobbled lanes of Little Venice and the Three Mills to the one and only Paraportiani Church. Next, try some Greek peppers and olives washed down with some local raki before heading to Gioras bakery to eat their famous cheese and onion pie. We continue our food odyssey at Popolo where you’ll sample local bruschetta, and then it’s onto the pretty garden of Cine Manto to taste fresh Greek salad, beer and Mykonian sausage. And last but not least, you’ll have some fig cheesecake served with olive marmalade waiting for you at Il Forno di Gerasimo.

Nostalgic Milos Cruise- Land and Sea (To be booked onboard the Cruise)

A short drive from the harbor takes us to famous Sarakiniko beach and its landmark white rocks. Naturally sculpted by volcanic eruptions, the sea and strong Aegean winds, it’s the ideal backdrop for your snapshots. No wonder why it is one of the favorite photography subjects in the Cyclades. We’ll walk down to the inlet in quest of intriguing photo opportunities and for swimming of course. You’ll feel as if you’ve landed on the moon!

The picturesque village of Plaka, at the foot of the venetian

castle, comes next. We'll stroll through its cobblestone alleys, pass by traditional houses and blooming bougainvilleas. We have time to savor karpouzopita and koufeto, the local sweet delicacies at pastry shops, or head to the marble courtyard of Korfiatissa church for the best panoramic views – it's right next to the Folklore Museum, which we can also visit.

Last but not least, is our tour to Kleftiko. We drive by coach to Kipos, passing by Papikinos beach and the Salt fields. Aboard the "Delfinia" boat, we start our journey towards Kleftiko, once a pirate lair that has become an absolute must for any traveler. Its greyish rocks come out of the turquoise sea and you have the chance to swim through the sea caves. On the way to Kleftiko, the boat will make a shorter swimming stop at Gerondas beach.

Cruise to Santorin's Island and Volcanoes (To be booked onboard the Cruise)

The little islands of Palea and Nea Kameni are of particular geological interest, since underneath them slumbers an active volcano. From the cruise ship, you will be transported easily within a few minutes by small boat to Nea Kameni which resembles a moon landscape! You will walk up to the verge of the crater, the heart of the volcano, a unique geological phenomenon that will overwhelm you with awe. In Nea Kameni, nowadays there is gas-steam activity at the top of the crater, while its beaches are embraced by thermal springs.

The next stop of this special excursion, is Palea (or Palia) Kameni with its therapeutic warm waters. Here you will have a chance to swim in the hot springs. The sea temperature here is 5°C higher than in the rest of the locations and the green-yellow water contains sulphur. After the trip to the volcano, you will have the chance to walk, take keepsake photos, to touch the magic and energy of Fira. Finishing your trip in the main town of Santorini, you will descend by funicular (the ticket is included in the fee of this excursion) to the Old Port to reach the cruise ship by small boat.

Akrotiri village excavations (To be booked onboard the Cruise)

The people who lived on prehistoric Santorini called the island "Strongyle" (round). In 1650 BC the massive Thira volcano erupted, sinking the center of Strongyle and leaving behind an incredible caldera. You will marvel at its towering cliffs as slender boats carry you to the port of Athinios, where our air conditioned bus awaits to take you to Santorini's most significant archeological site, the village of Akrotiri.

From Athinios we will drive south. We will stop at the ruins of the island's famous windmill for photos and to enjoy the incredible panoramic view. We leave the windmill

for Akrotiri, where you'll have a chance to explore this ancient village. Its amazing ruins will take you back in time. These advanced people built two- and three-storey homes and grew crops, and you will marvel at the remnants of the houses, shops and workshops that surrounded the village square thousands of years ago. Akrotiri had been a bustling town, but its inhabitants abandoned it before the Thira volcano eruption, a mystery archeologists and historians are still trying to solve. The ash from the volcano buried the city, preserving many of its structures and some of its incredible frescoes. Could Akrotiri be the lost city of Atlantis? We'll let you decide.

After Akrotiri we'll drive to Fira, the capital of Santorini and its largest town, where we'll visit the Orthodox Metropolitan Cathedral, also known as the Church of Ypapantis, famed for its elegant construction and its beautiful frescoes, which were painted by Santorini artist Christoforos Assimis. After our visit to the cathedral, you can linger in Fira to shop and enjoy a coffee or a snack, or you can take the Santorini Cable Car, the teleferik, to the port below with an incredible descent of more than 200 meters toward the deep blue waters of the caldera. Our boats will be ready, once you disembark from the teleferik, to bring you back to the ship.

Zion National Park

Why Choose This Trip?

My wife and I first went to the Grand Canyon in 1969. About 15 years later, we visited Zion and both the North and South rims with our children. That started a long association with the Grand Canyon, where I organized 14 adventure trips with almost 400 people over the next 30 years. Many SCSCA members have been on those Rim to Rim hiking adventures. You may have been to Zion and the Grand Canyon, but you missed what I will show you, including the amazing North Rim.

This is your chance to join me on a trip with SCSC next September, 2020. Travel with me as I show you the best

way to maximize your experience on this scenic trip with the chance to hike a little bit of two of the top ten adventure hikes of the world. If you are not a hiker, you will still be able to see and enjoy these two great National Parks. There will be lots of opportunities to stop and gawk at amazing sights.

Zion National Park

What is the Plan?

We fly to Las Vegas on an early Saturday morning flight via Southwest Airlines flight; but you can choose your own airline with an early arrival to Las Vegas. We will pick up our three 15 passenger vans with 10 people in each van. The drive to Springdale is only about 170 miles, so we will arrive in time for an afternoon visit to Zion to hike or sight see. You can join me as I lead a hike up into the famous Zion Narrows for a short distance on the next afternoon as one of the several options.

After our two nights at Zion, we leave Zion on Monday through the east side with more view stops. A stop at Kanab will acquaint you with that area of lower Utah on our drive to the North Rim.

The North Rim has spectacular views and is surrounded with forest of Ponderosa Pines. It averages 1,000 to 1,500 feet higher than the South Rim! It is isolated from the crowds of the South Rim and provides for a great laid back and relaxing afternoon and evening. We will eat dinner at the famous North Rim Lodge and also enjoy what many people say is one of the best Bloody Mary's in the world.

Be in this picture, Monday, September 28, 2020
on the back patio of the North Rim historic lodge.

An optional afternoon drive to Point Imperial is often considered the greatest viewpoint on the North Rim. We will continue to Cape Royal to see Angels Window and great views of the Canyon and the south rim.

On Tuesday, our 3rd day, we will drive around to the South Rim with several stops, including down at the Colorado River to dip your hands into the 55 degree water coming out of Glen Canyon Dam, and maybe see raft companies launching trips down the 270 mile trip through the Canyon. The stop at Marble Canyon over the Colorado River may include sights of Condors under the bridge. The drive along the south rim of the Grand Canyon will take in the incredible views with stops for pictures.

Grand Canyon South Rim

Our arrival to Grand Canyon Village on Tuesday will be early in the afternoon giving everyone a chance to wander the south rim area, including possibly walking down a little bit of one of the two rim to rim corridor trails, Bright Angel or South Kaibab. I will be leading a 1.8 mile round trip hike down the South Kaibab to **Ooh-Aah point!** Remember, down is optional, and up is mandatory. For those that want to see much of the south rim without walking much, take the Hermits Trail shuttle out and back. Most people never get the chance to do that.

On Wednesday morning, you may want to get up early and see the sunrise over the Canyon, then head back for breakfast at the Maswik or even Breakfast at the El Tovar. However, we will be leaving at 7:30 AM for one last great view of the Canyon at Yavapai point.

Our trip back to Vegas will include stops briefly in Williams, then a quirky stop at Grand Canyon Caverns. We probably won't have time to actually go in the Cavern, but you can find out about it.

Finally, we will do a drive though of Hoover Dam and brief stop to see the Dam and Lake Mead.

Trip Lodging

Our lodging at Zion will be the La Quinta at Springdale, which is less than 1.5 miles from the Park front entrance.

From April through October, access into Zion Canyon is by shuttle bus only right outside the La Quinta. The shuttle will take you to 1 of 9 stops on the Zion Canyon Scenic Drive, depending on which hike you'll be conquering for the day or just to stop and stroll along the Virgin River. The La Quinta is in great walking distance to all of the eateries and shopping in Springdale.

Our lodging at the North Rim will be in the rustic Frontier Cabins. These are conveniently located close to the North Rim Grand Canyon lodge and the amazing views at the Lodge. Plan on relaxing on the back patio looking out to the south rim between Roaring Springs Canyon and Transept Canyon.

The Lodging at the South Rm will be at the Maswik Lodge, only about ¼ mile from the Bright Angel trail and close to the other major "On Rim" locations to sight see and have dinner. The south rim shuttle provides ease of exploration to the "over rim" sights near Grand Canyon Village. The guest rooms are accessed from outside walkways and stairwells (there are no elevators). Rooms feature in-room Keurig coffee maker, refrigerator, air conditioning, safe, satellite TV, telephone, hair dryer and two queen-sized beds or one king-sized bed.

We return to Las Vegas about 3:00 PM for our return home or perhaps some of the group will decide to do an extension in Las Vegas (Lost Wages).

This trip will fill quickly, possibly in a couple days. Don't miss out. It is very possible this trip will be full before the publication of the September Sitzmarke. If so, get on the wait list.

Look on the SCSC website for more pictures and detailed information.

FIVE REASONS TO VISIT NEW ZEALAND

- Auckland and north island lakes and forests
- Experience the Maori culture and the warm waters of Rotorua
- Queenstown – the Southern Hemisphere’s premier resort area for 5 days of fun
- Spring temperatures for walks with views of mountains, glaciers, waterfalls and lakes
- Sample New Zealand’s award winning “Pinot Noir” and other local favorites.

SPRINGTIME IN NEW ZEALAND

Come and enjoy a spring adventure in New Zealand with other TSC members. The journey begins with a non-stop flight from Houston to Auckland. Enjoy the wonders of the North Island for 4 nights before flying to Queenstown on the South Island for 5 more nights.

In Auckland, our home will be at the centrally located Hotel Grand Millennium. Auckland is known as the “City of Sails” and is nestled between 2 harbors, providing an abun-

dance of fresh seafood. Upon arrival we will enjoy a half-day tour of the city. The next day we take a full day tour to Waiheke Island. This island is rated as one of the best island escapes in the world. It has an abundance of beautiful vineyards, olive groves and beaches to explore....only a 40-minute ferry ride from Auckland.

As we head for Rotorua and our next home base Hotel Millennium, we stop for a tour of the Hobbiton Village. This “Lord of the Rings” movie set has been left for public tours. We will be treated to a beer at the famous pub. Get ready to belly up!!

From here we arrive in Rotorua, which is southeast of Auckland and is known for its geothermal activity (many hot pools to relax and enjoy), the 18 pristine lakes nearby, the wonderful forests for taking walks as well as the Maori culture. The Maori are the indigenous people of New Zealand. Currently on the agenda is an Evening Maori Experience. More info to come.

Following our stay on the north island, we fly south to Queenstown (known as the Adventure Capital of the Southern Hemisphere) to enjoy the next 5 days. We will reside at the Novotel Lakeside Hotel where the views of Lake Wakatipu and the mountains are fantastic. Our TSC Welcome Party will be at the top of the Skyline Gondola which overlooks the city, lake and surrounding mountains.

Another evening we will ride the historic steamship TSS Earnslaw across Lake Wakatipu to the Walter Peak ranch for dinner and a sheep shearing program.

In Queenstown there are many things to experience----

1. A beautiful botanic garden on the lake shore
2. Jet boat ride on the Kawerau River
3. Hike the Queenstown Hill for a panoramic view of the area
4. Charter a fishing boat and catch your dinner
5. Shop at the quaint stores in town

The final list of activities from TSC is still a work-in-progress. More info will be released as we get the full itinerary. Also being finalized are a PRE-TRIP TO AUSTRALIA and a POST-TRIP TO FIJI. (Two more Bucket List Places to be removed from your list!!) Stay tuned for more info to be released on these exciting adventures.
