From Mission Control

by Camille LaRoe, Space City Ski Club President

I am sure you have all heard that there is snow falling in Colorado! Yippee! That is welcome news compared to some of the past early seasons. No worries for our Thanksgiving Trip to Winterpark which will kick off the SCSC season with 10 more trips to follow. If you're still sitting on the fence about a trip you need to make some decisions NOW as we are releasing space as we speak. You don't want to be left in hot and humid Houston while the rest of us are swishing down the slopes. Isn't the snow really what it is all about?

You can sign up for trips online or join us at our November 9th meeting at Dave and Buster's on Richmond. You can not only sign up for trips and activities at our General Meeting but thanks to Sun & Ski Sports you can check out the latest resort fashions for on and off the slopes. Suzan Miles is putting together a great Fashion Show featuring many familiar faces for

our November Program. What would the December General Meeting be without our favorite charity event – Sunshine Kids Auction? This event is always well attended and is a great way to show some holiday goodwill by both donating and purchasing. Should you have any items or services to donate please contact Peggy Montgomery at peggymont@att.net and don't forget to join us on December 14th.

We have organized a great Nominating committee to search for our 2010/2011 officers. Our committee is chaired by Ted Widmer, and composed of Gloria Lopez, Larry Edmondson, Christina Anderson, Ann Dorn, Cindi Moore and Don Macken. They have already been putting together some great officer candidates and you just might be one of them. If you feel like you have some time and ideas that would benefit our organization as a leader please contact Ted at tedwidmer1@aol.com for an officer application. I believe some new and fresh faces and ideas are what will ultimately help our group to grow. I hope to see everyone in November at Dave & Buster's, at our November Gala and Wine Tasting and most of all, I hope to see all of you on the slopes!
