

From Mission Control

by Gary Butler, Space City Ski Club President

Membership drives a club like ours. More members more volunteers, more volunteers more trips and activities, more trips and activities more attractive choices for potential new members. This is like the chicken or the egg question, which comes first to make the others happen. We are taking a shotgun approach to these questions this year. We are running as many trips as we could get volunteers to run them, we will have contests this year asking our members to bring new people to our club, and we are going to run a advertising campaign to become more visible to the public.

Texas Ski Council Report June 7, 2008 Meeting

The TSC quarterly meeting was held in San Antonio on June 7th. The 2008-09 budget was approved and it was decided that there would be no TSC Directory published but instead an Internet version would be created with any advertising generated going to the council. A marketing plan was approved to match advertising by each club up to \$500 and trifold brochures would be created with TSC information on one side and if a club wanted them club information on the other side. FAM lists will be due by August as well as club dues. It was decided to expand the well-received lodging round robin at the next Bid Meeting to include tour operators but to not allow the public into the ski show.

The TSC Youth Foundation has \$8300 in the bank and they

What we need from you is to talk up the club to your friends, co-workers and neighbors. Share your Sitzmarke, give the web address or bring them to a meeting or happy hour. That is how most of us found the club and it's still our best advertising.

I wanted to thank Chuck Pena for vol-

unteering to be our club's TSC representative and Bruce Fleming the TSC alternate. It's already coming to the time to form a nominating committee for next year's officers and I need your help. If you would like to serve on the committee please contact me at gbutler@beckmasten.net.

calculate that they saved participants in the youth camp last year over \$17000 for lessons as compared to list price. The Race Committee is exploring the concept of adding an additional medal award level of over 70. The Summer Meltdown still has 7 3-bedroom condo's available if needed. The planned dinner has been moved to Saturday from Friday to be held poolside. Friday night shuttles will be available to visit local restaurants and bars.

Fall Roundup – 233 reservations, Rocky Mountain Tours will build a website for each club for this trip.
Traditional – 450 reservations
Winter Shootout – 292 reservations
Final Showdown – 300 reservations
Winter Expedition – 111 reservations, Adding additional properties a 5 star and a 3 star.
Summer Expedition – 152 reservations, Resort has 800 rooms.

The next TSC meeting will be held August 16th in Lubbock.

Help SCSC be green (and clean out your drawers!)

How many of those name badge/neck wallets do you have? How many do you need? If you need one for a trip this year, we will be ordering some. But to reduce excessive duplicates, feel free to bring unwanted neck wallets to the September meeting. We have this item in our trip budgets now. The less we have to order, the more food and drink you might get at a mountain party or post trip party. Sounds like reason number three to me!

The Texas Ski Council is reviving a past tradition-The Summer Meltdown! September 26 - 28, 2008 at Port Aransas, TX

It will be held at the **Port Royal** where we will have access to over 25 acres of meeting, recreation and relaxation options. An incredible ocean view from every angle with a private boardwalk to the beach. We will stay in luxury 2 bedroom/2 bath condominiums with fully- equipped kitchens, sundecks and balconies. A 500 ft, 4 tiered lagoon swimming pool with "Twisting Dunes" water slide, four hot tubs and two swim-up cabanas... the largest in Texas! Full Service restaurant including room service and weekend specials. Visit <u>www.port-royal.com</u> for a closer look! TSC will be planning special events and activities which we reveal soon! Things mentioned by the planning committee include scavenger hunt, tennis, water volleyball, tug of war on beach, cocktail contest (people make drinks; prizes for most unique, tastiest, most refreshing,) etc. **Cost is \$150 and will include 2 nights lodging, group dinner, and the fun listed above.**

Having A Blast!

by Camille LaRoe, Vice President of Activities

Summer is flying along and before we know it we will be having our September General Meeting, taking off on our first ski trips and celebrating the Holidays. The biggest event of the Holiday season will be the SCSC Annual Gala. This is the one activity I don't want you to let pass you up! It will be a night of dinner, magic, dancing and fun at Magic Island on November 15th! Be sure to sign up with Janice Harris as the final payment date is October 27th. This is sure to be a great party for all, offering something for couples and singles alike, so grab your partner or a friend and come enjoy a new magical experience with your SCSC friends.

We have been having a great summer so far with some fun Happy Hours and Activities. Chip Stokes put on a great pool tournament for the fourth straight year for our July Happy Hour. Tor Lileng and Stan Kuper captured first and second place respectfully in the Amateur division. Laura Carmin and Larry Longbottom won the first place trophy in the Co-ed Division with David Cone and Barbara Belung coming in second. We all enjoyed a great taco buffet at Chuy's on Westheimer for our July Happy Hour and Twenty SCSC Astro's fans went out to the ballgame and took in the Astro's

versus Mets on August 2nd.

The fall promises to have more opportunities for excitement and fun with a August 28th Happy Hour at Sherlock's Baker Street Pub on Westheimer (great munchies) and a September 25th Happy Hour at Howl at the Moon on Hadley! This is a dueling piano bar which is reportedly the most fun you can have with

your clothes on! Laura Carmin has once agreed to host the now Annual Dart Tournament on October 23rd. A new twist has been added this year since the event is so close to Halloween. We want you to wear your best costume, bring your favorite covered dish or appetizer along with your best game to BJ's Sports Pub on Bissonnet at the SW Freeway. First, second and third place prizes will be awarded for both darts and costumes.

SCSC couldn't go without a Fall Wine Tasting and Ann Dorn has graciously volunteered to open up her home in Sugar Land to us on October 18th. Bring your favorite wine, sign up with Ann and come and enjoy great food and wine! To round out the fall, Sandy Perry is working on plans to take us back to Wurstfest in November.

Countdown to Liftoff

By Marsha Lutz, Vice President of Trips

Hello my fellow SCSCers! I hope you have renewed your membership and talked some new friends into joining SCSC. Because the time is here to sign up for all of the SCSC 2008-2009 ski trips! As you know we have been taking early deposits on the five TSC ski trips and a number of you have taken advantage of the opportunity to guarantee your place on the trip(s) of your choice.

Beginning August 15, we will take deposits on all trips -12 of them this year to 10 locations! Please remember the new payment structure. You can get a cash discount if you pay the deposit and final payment with cash (or check, of course). If you mail a check to the TC, please use the form in this Sitzmarke to provide all the contact information, your preference of land or full package and your member number. If you don't remember your member number, look on the mailing label on your Sitzmarke and you will find it after the date. There are only a few trips this year with a limited number of land packages, but please check that out with the TC. The sign-up form is also available on the website at the top of the Trips page. If you want the convenience of using your credit card and to rack up more airline miles, there is still PayPal. It works the same as always - or should we say, sometimes doesn't work as last year. If you have trouble, please let us know and we will try to make it work for you.

I am not going to take up too much space in this issue because all the important trip info is in the trip articles. I must warn you of something though. When you read them, you may have the same difficulty that I

Diane Stotz and Melinda Hughes are Space City's Directors of Trips (DOT) for 2008-2009 ski season. Diane has been a member since 1989 and has actively served in various volunteer positions over the years. She has been everything from an Activities Coordinator to Director of Programs to Trip Coordinator. Melinda Hughes has been in the club for five years and has run two trips in the past two years.

As DOTs, these ladies assist Marsha Lutz, VP of Trips., and the TCs and ATCs with the 12 ski trips and two nonski trips this season. Teamwork is a wonderful thing!

Diane and Melinda are excited about the upcoming slate of trips and look forward to a fun, action packed season! did. How do you choose?

Okay – speaking of warning - I hate to be the bearer of bad news, but I guess it is in my job description. J And the news is probably not a surprise to any of you. Three main challenges exist this season and they all are related to the airfares and their effect on our

trip prices. First - the air fares are considerably higher. Second – you will pay for the second and maybe the first bag that you check. The \$ amount varies and may change before trip departure, but count on \$25, \$40 or more dollars to check 2 bags. Right now they say that a true ski bag and boot bag will count as one bag if the total of the two weigh less than 50 pounds. These costs are not in the trip prices as each person will have different luggage needs. Third - there could be an increase in trip price if the airlines increase the air fuel surcharge from the amount currently in our contracts. The \$ amount is already pretty hefty on the International trips, so it should cover some fluctuation. Typically U.S. trips have smaller air surcharges. If you recall last year, Telluride and Vail had an increase of \$14 roundtrip after final payment. We will keep you informed of any changes as soon as we get information. And as often is the case - no news will be good news on these topics.

So that's the hard news. But you will find **lots** of good news in each of the trip's articles. Happy reading and talk to the TCs and ATCs if you need more info to help you make up your mind on where to travel. They will also be at the happy hours and the September meeting will be here before you know it!

A non-stop, Continental flight into Hayden and only a 22 mile bus ride to Steamboat and you will find yourself in slope side accommodations. ALL ABOARD! There's a reason why Steamboat Springs has been dubbed Ski Town, U.S.A. ®. With a vertical rise of 3600 ft. and nearly 3,000 acres of skiable terrain, Steamboat is a complete mountain range: Mount Werner, Sunshine Peak, Storm Peak, Thunderhead Peak, Pioneer Ridge and Christie Peak. Steamboat coined the term Champagne Powder® to describe its very smooth and dry snow, which is great for skiing. This mountain offers 165 diverse trails for all skier levels, as well as a terrain park with an outdoor sound system, and a 3 mile long run.

The long trip will be staying at Storm Meadows Club Condominiums and the short trip will be staying at adjacent Storm Meadows at Christie Base. Storm Meadows Clubs is ski in-ski out on access trails while Storm Meadows at Christie Base is ski in-walk out. Storm Meadows Clubs features scheduled shuttles and a complete spa facility with heated outdoor pool, sauna, weight room, and exercise equipment. Storm Meadows at Christie Base has a key location on the mountain just above Ski Time Square, putting après ski activities, shops, restaurants and nightlife just a short walk away. Both of the lodges' amenities include a community hot tub, private ski lockers, on site laundry facility, gas fireplace, and a patio/balcony.

Besides the Texas Ski Council welcome party and the final awards banquet, we will have a club dinner at the Smokehouse in downtown Steamboat. We will also meet daily for lunches on the mountain and several après ski events.

The town of Steamboat Springs is not your typical ski resort; it has remained true to its roots as a ranching town, famous for its authentic western atmosphere and genuine friendliness. It offers over 70 eclectic bars and restaurants, some involving a starlit night ride on the gondola or a snowcat-drawn sleigh ride to get to the restaurant. For those of us who aren't "hardcore" skiers and may take a day off, there are plenty of activities. Steamboat offers two geothermal hot springs open to the public, snowmobiling, day or night, hot air balloon rides (weather dependent) and horseback riding or horse-drawn sleigh rides in the valley.

Young, old or in between, you will have a fantastic time! We're holding a spot for you.

Would you like to visit the LARGEST ski area in the world? Then you are in luck! We can make that happen for you! Join the Space City Club Trip to the 3 Valleys (Les Trois Vallées), France. It will give you the opportunity to explore three interconnecting valleys, with an amazing 400 miles of runs for skiers and snowboarders to explore.

Our European adventure starts Friday, with an afternoon flight on Air France bound for Geneva (via Paris). Next we'll take a scenic mountain bus ride through the Alps and arrive at the charming European village called La Tania. It is a friendly, pedestrian village, with a relaxed atmosphere. Our home for the week will be the ski in/ski out Hotel La Montana with both breakfast and dinner included. This hotel is in the center of town and includes an indoor heated pool, sauna, sun bed, massage service, weight room, restaurant with terrace, bar and fireplace. Other activities include snowshoeing, paragliding, small cinema, music at the various bars, and free bus service to the larger village of Courchevel.

La Tania is nestled between the resorts of Courchevel and Meribel. Access to their ski valleys is just a gondola and a fast chair away. Two other resorts on your ski pass will be Val Thorens (highest peak in the Alps) and Les Menurires located in the third valley. This interlinked system of the 3 Valleys offers you 200 lifts – gondolas, cable cars, double & triple chairs, quads and even six and eight packs (no, not free beer). Then there are the 333 runs including lots of groomed areas, wide-open spaces above the tree line, steep chutes and of course, off-piste skiing. The variety of greens, blues, reds & blacks will satisfy everyone.

You say you want more adventure. OK. Besides all this great skiing, we are planning a few day trips which will probably include Geneva, Annecy/Chamonix, a day of vineyard wine tasting and outdoor thermal pool in Aix-les-Bains, and a trip to Saint Foy from where you can ski (or bus) to La Thuile, Italy (skiing optional). After our week stay in La Tania, main trip participants will spend one day/night in Geneva before heading back to Houston. There is an optional two nights pre-trip to Paris, including breakfast. A post-trip to Morocco will include one night in Casablanca, three nights in Marrakech at the 4-star Diwane Hotel with breakfast, and an overnight stay in Paris on the way home.

So come enjoy Endless Skiing at the world's largest ski destination, or join us just for the adventure.

AAAH OOOH CALLING ALL POWDER HOUNDS DESTINATION EDEN!

Here is an opportunity to make that ski or riding dream come true. You know that recurring dream you've had since you got hooked on the sport? The one that finds you at the top of the mountain surrounded by gorgeous terrain after a big snowfall. You standing there with nothing but deep powder between you and a sweet untracked run below. A couple of thousand feet of vertical in front of you with just the right gravity to keep a big smile permanently affixed on your face. Best of all there is nobody else there.

Well wake up because if you don't move fast you will miss the opportunity to make your ski dream come true. This adventure is scheduled for mid-winter and we will be flying on direct Continental flights from Houston to Salt Lake City and back.

Utah is blessed with awesome terrain and some of the best powder on earth. The <u>Ogden Valley</u> is a little known treasure of what Utah skiing is all about. We will be skiing at **Powder Mountain and Snowbasin**. Both resorts offer great terrain, a 400" annual snowfall, affordable lift prices and best of all no lift lines.

<u>Powder Mountain Resort</u> features three mountains covering 5500 acres of incredibly skiable terrain all located at a modest altitude. With this much space, you won't share any of the 113 runs with a crowd. There are two terrain parks and mountain activities include guided tours, snowcat and heli skiing.

<u>Snowbasin's</u> 2,959 vertical feet of ski trails, powder bowls and lush glades cover over 2,800 acres. The Superpipe and three terrain parks are perfect for winter sports enthusiasts of all levels. The tubing hill has six lanes, each with a different terrain type and steepness, for fans of snow-tubing of all abilities.

We'll be staying seven nights at the <u>Wolf Lodge Condos</u>, located in the aptly named town off Eden. The property features a recreation center, indoor and outdoor year-round hot tubs and saunas. We will be staying in comfortable 2 bedroom 2 bath units. Travel time to the ski resorts is 10 to 20 minutes. Discount lift ticket packages will be available. To make sure you feel at home, the trip includes two condo après ski parties and a group dinner in the city of Ogden.

So come join us and make that dream come true. AAAH OOOOOOH !!!

with a Space City Ski Club trip designed for you.

Our home base will be Snowmass Mountain with 3132 acres of terrain, cruisers, glades and steeps, including 91 trails and 24 lifts – something for everyone. Elevation ranges from 8104 feet to 12,510 feet so the 300 annual inches of snow are fluffy and powdery. You'll enjoy the opportunity to ski in a majestic national forest with short lift lines. Snowmass is best known for wide open cruising, but it's also a place for the expert skier with 32% of the runs labeled "expert". Snowboarders and intermediate skiers will be energized on the Long Shot Trail where they can get a back-country experience while inbounds. But there's more to this trip than Snowmass - we'll have opportunities to also experience Aspen Mountain (Ajax), Aspen Highlands and Buttermilk - all a short bus ride away.

This weeklong trip leaves on Saturday with a direct Continental flight to Denver. In Denver, we'll be met by our fullyequipped private motor coach for the trip to Snowmass. Sorry guys - but with the extremely high airfare, we had to go this route this year. Since the trip is long, you'll have a chance to make many new SCSC friends. We'll also be stopping along the way to pick up supplies before we reach our destination – the beautiful Top of the Village condos.

Our Top of the Village condos is surrounded on three sides by the White River National Forest with ski-in/ski-out access to Snowmass Mountain via the Fanny Hill lift. Private ski storage is included with each condo, so it will be easy to "hit the slopes" as early as you want. Our condos also feature a 30-foot heated outdoor pool with two spa tubs, a sauna and an exercise/ activity room with a stair machine, treadmill and Universal gym.

This also will also be a terrific trip for the non-skier or beginning skier. New this year at Snowmass Mountain is the mid-mountain Elk Camp Meadows Learning Area designed to make learning easier. So invite your friends who have not yet caught the "skiing bug".

Remember, there is a lot more to Space City Ski Club trips than just skiing. We'll start off the week with a Welcome Wine and Cheese Party and a discussion about some of our optional adventures including a trip to shop and party in Aspen, possible cross-country skiing, as well as our "meet for lunch while skiing" locations. Since this trip is the week before Valentine's Day, we'll also have some "loverly" activities in honor of Saint Valentine. Come solo or part of a group – this trip will be one to remember. Join us for fun and adventure at Snowmass/Aspen.

We'll be back in Houston by about 6 pm on February 14, so in case you're leaving a sweetie behind, there still will be time for a Valentine Day celebration.

You could truly arrive at this destination and never need (or want) to leave! If you choose to venture out, the Fairmont runs several dedicated shuttle buses to/from ski locations. Dedicated shuttle runs will be scheduled to nearby Banff, making this a GREAT trip for non-skiers too.

Other outdoor activities include cross country, snowshoeing, guided ice canyon walks, sleigh rides, and ice skating right in front of the hotel. How about an airplane or heli-tour, or perhaps dogsledding, curling, or hockey? Or just pamper yourself for a day (or a week!) in the spas and natural hot springs. Visit museums and art galleries. Dine. Shop. ENJOY!

Air Canada Jazz offers several nonstop flights from Houston to Calgary. A 2 ¹/₂ hour bus transfer will deliver us to "The Chateau." (Hey Steamboat folks returning on Feb. 14...Just jump on the Sunday flight to join in the fun in Canada!)

BRECKENRIDGE

JUST BEFORE SPRING BREAK February 28 - March 4, 2009 (Saturday – Wednesday)

Land Package: \$454 PayPal; \$441 Cash Full Pkg: \$771 PayPal; \$750 Cash

Come join us for wonderful pre-Spring skiing, leaving on Saturday morning and returning on Wednesday evening, via Continental Airlines. This will allow you to ski at least 3 days and possibly one-half day on Wednesday. These dates are midski season, so we should have lots of snow. The bus will pick us up in Denver and we have requested a grocery stop before arriving at Breckenridge.

Breckenridge is a wonderful area to ski because of the number of ski areas, Peak 7 (Intermediate), Peak 8 (Intermediate/ More Difficult), Peak 9 (Beginner/Intermediate) and Peak 10 (Intermediate/More Difficult), so there is an area for everyone to enjoy. For NEVER EVER skiers, Breckenridge is the place to learn and have an enjoyable experience on the green runs of Peak 9.

We will be staying at the Park Place condos. They are located on the corner of Four O'Clock Street and Park Avenue. Easy access to the bus and also at the end of the day you can ski down the 4 o'clock run and cross the street to the condos. The condos are also very close to the new gondola that takes you to Peaks 7 and 8 and also within a block of the new Snowflake lift and within walking distance of the town and restaurants. Breckenridge has an easy access transit system, with the buses running frequently and until very late at night during ski season.

To make sure everyone has someone to ski with, each morning Starbucks coffee will be offered in my condo for anyone who wants to stop by to coordinate skiing for the day. We will have Aprés ski each day and a designated restaurant for lunch each day. So, you are never without a ski buddy.

Breckenridge is a beautiful old town with lots of shopping, dining and other activities for you to choose. There is snowmobiling, dog sledding and cross country skiing to consider. We are planning an optional dinner one night. On the last night we will have a pot-luck dinner, where everyone brings what they have left over to one condo, and we conclude our trip with everyone telling their story of what a wonderful time they had.

PLEASE JOIN US FOR FUN, SKIING AND MORE AT BRECKENRIDGE

Both TSC parties, the Sunday evening Welcome Reception and the Final Awards Banquet and Dance, will be at our doorstep in the Huntley Conference Center. In addition to the excellent TSC après ski parties, support your club by entering the NASTAR races on Thursday.

For those looking for other winter activities, Big Sky offers sleigh ride dinners, cross-country skiing and dog sledding to name a few. There will be an optional day of snowmobiling through the wildlife wonderland of Yellowstone Park.

THE ART OF TRIP SIGN-UP AND THE FINE PRINT

Trip Sign-Up: HERE IT IS! Your chance to sign-up for your favorite SCSC ski trip(s) for 2008-2009. The sign-up form is in this issue of the SITZMARKE, so copy it or clip it out and follow the instructions below. See **www.spacecityskiclub.org** to sign up online and pay by credit card. Then, wait for the trip TC to notify you if you are on the trip or come to the September meeting to verify your registration, sign the Trip Release Form and pick up additional information the TC will have for you.

- 1. Trip sign-up for all trips begin on August 15. As with last year, the sign-up does not end a few weeks later and start up again at the September meeting. Instead, it just begins. We are also continuing the process of taking sign ups either through the mail or giving your form and money directly to the TC at an SCSC event OR signup online and pay by credit card. However, the form and money cannot be received prior to August 15 for club trips. Deposits for TSC trips have been accepted since June 1. Any received prior to that date will be returned. Note that this is not the postmark, but when the form and money is received. Due to TSC trips being advertised without the \$ amount, deposits for TSC trips are fully refundable.
- 2. Cash discounts are now offered. To receive the discount, the deposit and final payment must both be made in cash.
- 3. You must be a current member in good standing to be added to a trip. Note that memberships are approved at the monthly Executive Committee meeting. Send in your membership by the first of the month for it to be considered at the meeting. After that, you will have to wait until the next month. Your 2008-2009 membership number should be shown on the mailing label of the SITZMARKE. Call your VP of Membership, Nancy Schultz, if you have questions.
- 4. You may sign-up yourself and one other SCSC member per trip (plus children for Family Optional trips) (see by-law 2.8.A.)
- 5. In the registration envelope include the trip registration form and your deposit. The deposit for the Japan and Three Valleys trips is \$300 per participant. The deposit on all other trips is \$150 per participant. Checks are to be made payable to "SCSC" and should have your membership number and the TRIP NAME listed on the check.
- 6. Mail your registration to the TC's Address on the Form for the trip on which you wish to participate. TC's names are listed for all trips. For obtaining more information, telephone numbers and e-mail addresses are listed in this SITZMARKE and on the Trip Registration Form. If your registration is mailed or given to anyone other than the TC, it will be returned to you and you will not be registered for the trip.
- 7. If the registration meets the above guidelines, names will be added to each trip's Participant List in the order received. If a trip's participant roster is full, additional registrations received will be added to a waitlist in the order received. The TC will hold deposit checks for waitlisted members until a space becomes available on the trip. For the participants that are on trips, the checks will be deposited immediately.
- 8. These procedures apply to ALL members (except the trip's TC and ATC) and all Trip Participants are subject to SCSC Standing Rules, Policies and Procedures.
- 9. SCSC is not responsible for any problems with the U.S. Postal Service or the internet, including delayed delivery or lost mail.
- 10. Information shown on the Trip Schedule is subject to change. Contact the TC or ATC for up-to-date information.
- 11. Any registrations received, which do not meet the above qualifications, may be returned to the sender.
- 12. Land Packages have been approved by The Executive Committee for this year's trips. On the trips which have a limited number of available land packages, if all are filled, you will be given the option of being on a "Land Wait List" or switching to a full package.
- 13. Because of the restrictions noted below for land packages, be sure you have concrete travel arrangements made before you sign up for one of these. SCSC will not be responsible for any difficulties or extra expense you incur due to delayed or canceled flights or other transportation problems.

Rules and Restrictions for Land Packages

- 1. The price of the land package will be the full trip price minus participant's airfare. Ground transportation will be included and available, on selected trips, to land package participants if they can meet the group at the destination airport on time. Ground transportation will not be delayed for land package participants arriving later than the group.
- 2. Other than the full package, this is the only package price available; no other combinations of lodging and/or transportation will be offered. (Note: As in the past, members may still arrange their own transportation, lodging, etc., and pay only for the parties and trip options. If so, please arrange to do this in advance, ideally by the pre-trip meeting.)
- 3. Normal cancellation policies apply: 1) the added stipulation that, on or after final payment date, land package participants must be replaced from a land package wait list and full package participants must be replaced from a full package wait list in order to receive a refund.
- 4. Be sure this is the package you want It may not be possible to convert your trip from land package to full package, or vice versa. The Club may not be able to secure additional airline seats.
