MARCH, 1999

Head of the Liftline

by Merrel Smith

Spring is here, or did we skip over spring and go right into summer. There is only a couple of ski trips left on our schedule, so if you haven't been to the slopes yet, time is running out. We usually get last minute cancellations that are hard to fill sometimes. If you're interested in a trip, call the TCs and they can tell you the up to the minute status on their individual trips.

We will have an election at this month's General Meeting, March 8. Because there were no other members nominated at the February meeting, the new Executive Committee is in line to take Space City into the next millennium. Please come on out to the meeting and join me in welcoming our new officers. While there you will want to check out the upcoming activities. The Dart Tournament at the end of the month will be a blast, get on the list early. Our annual Road Rally is right around the corner, and if you're in to White Water, Bill may still be looking for participants.

As an added bonus, VP of Programs Sue Salvage has arranged for a Fashion Show during the meeting. Spend some time with your SCSC friends, meet the new officers, and maybe find something new to wear this spring. On another program note, the Follies are sooner than you think, if you want to help out please contact Jerry Sadler.

If you are interested in going to the Texas Ski Council Bid Meeting, April 9 to 11, check with TSC Rep. Jeff Sarff. He has all the information on lodging and registration fees. If you haven't been to a Bid Meeting, I can speak from personal experience. It is much more than you can imagine. Along with the presentations from a dozen or so ski resorts, there is a very large ski show, and a Silent Auction, along with a raffle. The Saturday night party is everything you would expect when a couple of hundred skiers get together.

Well the ski season is winding down, but Space City will be active all year. We are looking for volunteers for activities, trips, and Officer Assistants. If you are curious what is involved, fill out a Volunteer Questionnaire and talk to one of the officers.

See you on the slopes (in Heavenly).

Nomination for Secretary

Louella Stellar

I have been a member of SCSC since 1988. I became a member of the ski club by playing tennis. All of my tennis buddies belonged to the ski club so I joined to play in the SCSC tennis tournament. For years I enjoyed the social life and the activities provided by the club. Then I went on my first ski trip in 1993. I became hooked and have not missed taking a trip in the last six years.

I was an ATC on a Heavenly trip, TC on a Purgatory trip, (no I'm not religious) and TC again this year for the Crested Butte trip. Besides tennis and skiing, I enjoy camping, traveling and spending time with my cat. I recently learned to SCUBA Dive and am thinking about taking some golf lessons in the near future.

I am married and met my husband, James Barbee, eight years ago playing tennis. In real life, I work for Harris County Children's Protective Services. I started as a social worker, then went back to school for a MBA and now I work in the financial side of the agency.

When my daughter went off to college, I filled the void by getting more involved with the club through volunteer activities. SCSC has given me the opportunity to meet many new people and I am looking forward to meeting many more new club members in the coming year. From my experiences with the club, I know that the activities and ski trips take a lot of effort on the part of the organizers. I decided it was time to contribute to the success of the club and I am honored to be nominated as secretary. I will do my part to help ensure another successful year for the members of SCSC.

V. P. Programs

by Sue Salvage

As usual the Speaker's Committee of the Houston Livestock Show & Rodeo came through for us again with at the February meeting with a melodrama. Hope you all enjoyed it and that helped get you in the rodeo spirit. As I mentioned before, **Cheryl May**, who's on the Speaker's Committee, was instrumental in getting this program for us. Thanks, Cheryl.

At our March meeting we will be having a fashion show brought to us by **BROOKS BROTHERS**. **Dana Wardell** worked out the details with **Rick Robinson** at Brooks Brothers and has rounded up all the models. Brooks Brothers are really excited about working with us. Our models will be presenting for your viewing pleasure resort wear and business casual. I believe Books Brothers will have catalogs a few goodies to give away also, so be sure to attend.

Dana has rounded up all the models.

It's almost spring! By the end of this month our ski trips for the year will be over! So now all you have to decide is which activities you want to do, and we're ready and waiting for you!

Your Activity Coordinators has gone and done it again, and I want offer a special THANKS to them for bringing you these very successful activities:

LYNN BURCH rounded up our usual "small" herd of cowboys and cowgirls - JUST 100 SCSC'ers - and headed them out to opening night of the **HOUSTON LIVESTOCK & RODEO**. Hank Williams, Jr. was the performer. As always, it was a sell out.

CRAIG CAMPBELL - followed with the "animal" theme and took a rowdy group to the **SAM HOUSTON RACE PARK** for an evening of horse racing, drinking, dining, gambling/betting and a lot of other nonsense! Craig has run several "gambling" type events for us. I'm beginning to wonder about that soft spoken, mild mannered man?!?!

SCHEDULED UPCOMING EVENTS

- MARCH 8TH March Meeting - **BROOKS BROTHERS** resort and business casual wear fashion show.
- MARCH 18TH Happy Hour at McGonigel's Mucky Duck
- MARCH 26TH Darts with **Dennis & Milt**

- APRIL 22ND Happy Hour
- APRIL 25TH Road Rally - **Joe Walker**

- MAY 17TH Annual Follies Meeting - **Jerry Sadler**

The **VOLUNTEER PARTY** Co-chairs (that way I don't have to say chairman, chairwoman, chairperson or chairpeople) have been rounded up and work has begun. So, if you were one of the fortunate members who volunteered your time and efforts during the 1998-1999 season we think you'll really enjoy this year's party. Our Co-chairs are all new or fairly new members and they are ready to put on a party! If you didn't get around to volunteering this year, please consider volunteering next year the Club (your officers) always need volunteers!!

There are more activities in the works, so keep your eyes and ears open.

Happy St. Patrick's' Day and may the luck of the Irish be with you.

Nomination for President

Richard Hall

For those of you who don't know me, I am a native Houstonian and married to a wonderful and beautiful woman, Lucile Landis Hall. By profession I am an attorney. On leaving as District Judge for the 270th District Court (here in Houston), I associated "of counsel" with Ross, Banks, May, Cron & Cavin, P.C.

After joining the Club in 1973, I served as secretary in 1992-93, Director 1993-94, and as an ATC on a ski trip to Winter Park in 1991. I like to play tennis and golf. In 1992 I sailed the Columbus Quincentennial Jubilee Regatta from Lisbon, Portugal to San Juan, Puerto Rico. My most recent adventure was sailing from the British Virgin Islands to Panama this year.

I am active in professional, political, and social organizations and am honored to be the nominee for President of the SCSC. I promise to do a good job leading the Club into the year 2000.

Nomination for VP Publications

Darlene Hirasaki

I was a new skier when I went on my first trip with SCSC to Snowmass. It didn't take me long to realize I really enjoy skiing. That was a memorable trip. I was introduced to my first Nastar race and to my first black run at Buttermilk on that trip by George Hirasaki. You guessed it, we were married two years later. I've really enjoyed the ski club and have been on at least two trips a year since then. I have really made some wonderful friends.

I recently retired from Shell Oil Company after 32 years (I started when I was 10!). I felt that it was time I really did something for SCSC. V.P. of Publications seems like an excellent opportunity and challenge for me. I haven't done a publication like The Sitzmarke, but I served for three years as editor of a scuba diving newsletter back in the days when cut and paste meant manually using a pair of scissors.

I am looking forward to helping SCSC members keep in touch with coming events and to relive through the Sitzmarke their ski trips and activities.

Nomination for VP Programs

My mom always said "You get out of something what you put into it". This has never been truer of Space City Ski Club. I have received friendship, support, advice - some solicited some not - and a lot of fond memories. When I was "forced" to join in 1992, my motto was "Who do I give my money to? Where do I sign?" "What time do you want me at the airport?" That lasted a few short years. Then I wanted to know "Who decides where we go?" "Why do we go there at that time?" "Who do I speak with to volunteer". That's when the fun started! I have volunteered for many different clubs doing a variety of things; mainly organizing "Stuff" from events to storage sheds to lists to where the beer goes. By far, Space City has not only given me the opportunity to really strut my stuff, but has given more encouragement along the way than any of the other organizations I have volunteered. My philosophy for VP of Programs is simple - Let's have some fun! If you want to do it, we'll find someone to organize it (it may be YOU!) This is a Ski club and we do a lot of that. Nomination for Treasurer

Elaine Sokoloff

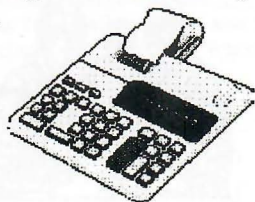

For those of you who do not know me, I was the Assistant Treasurer for the past two years. I have been a member of Space City Ski Club since 1996. I have skied for many, many years in the east, so when I came to Texas in 1995, I knew I would need to be in a ski club to continue an activity I have known most of my life.

My day job is working for an insurance company. I am a Certified Public Accountant and presently manage a department that supports the many computer system interfaces within the organization.

I have been on two trips, so far, with Space City. They were to Park City, Utah and to New Zealand/Australia. I am going to Alaska in March with the club. I enjoy skiing in the west and look forward to many more trips with Space City.

In addition to skiing, I also scuba dive and am a member of the Houston Underwater Club. I have a passion for singing and rehabilitating Texas wildlife. These are all very rewarding experiences. I believe in 'stepping up' for a volunteer organization. Without volunteers, many clubs would be unable to exist.

If elected your Treasurer, I will do my best to accommodate the needs of the club and its members. I feel the Assistant Treasurer position has prepared me for the rigors of the Treasurer's job. I know what I am getting into and am up for the challenge.

Nomination for VP Trips

Kathy Young

I have been doing the ski club scene for the past eleven years starting in San Antonio with those "tiger-tailed" people. Yes, I am a recovering Amigo, but don't let that sway your vote! It was on Texas Ski Council trips that I first became familiar with the SCSC gang. I found that the SCSCers were a friendly fun-loving group of people who shared my passion for the good things in life. So, in 1993 when I moved to Houston, I found that I was not moving to a strange city but coming to join a ready-made family of friends here. I am eager to repay this organization for all the fun and friendship it has afforded me and am honored to be nominated as the VP of Trips who will lead SCSC into the next century of skiing adventures.

My volunteer experience runs the gamut from coordinating tennis tournaments to participation in the follies. I have been an ATC, a TC, and this past year served as a Director of Trips. My position in real life that pays for all this fun and frivolity is that of a sales representative for an industrial container company. I feel that my sales experience will aid me greatly in executing the duties of this office in a variety of situations from convincing members to get involved to negotiating the very best ski deals with resorts. I also bring energy, enthusiasm, patience, and willingness to work hard to get the job done. I am a good listener and would welcome your ideas and suggestions.

I have ambitious goals for the 1999-2000 ski season. I believe that SCSC has in many ways become a sophisticated group. There are some of us who are seasoned skiers who are looking for the ultimate ski

experience. These people want premier trips. On the other hand, to survive as an organization we also need to start trying to attract the younger crowd. This means more economical trips and family optional trips. I would like to explore the possibility of offering more land package options to accommodate those who like myself have frequent flyer miles from business travel. Finally, I would like to try to promote a trip to an exotic destination in celebration of the millennium.

I ask the membership to vote for me as your next VP of trips and to please step forward and volunteer to help make the 1999/2000 ski season the best.

Once again I'm tardy, so apologies to those of you who have been anxiously awaiting this article -- both of you! As usual, Susan Blome and I attended as Space City's delegates, and Gary Butler and Peggy Montgomery were there as TSC officers. Other SCSC members in attendance were Debbie Bergeron, Kayleen Kill, Merrel Smith, Barbara Ehrlich and Marti Toomer.

The meeting was held on Saturday, December 5, 1998 at the Hobby Hilton here in Houston with Space City as the official host. Fourteen clubs were represented.

Sponsorships: The list of TSC sponsors for this has been finalized. Returning sponsors include **Budweiser, Dachstein Boots, Kneissl Skis, Café de Columbia, and Sun & Ski. Boeri Helmet** is a new sponsor this year. Please support our sponsors whenever possible.

Trip Reports:

Fall Roundup: Ray Harvey reported that participation on the trip to Copper Mountain totalled 361. Unfortunately, poor snow conditions limited the skiing but the resort refunded lift ticket payments for those that requested it. A number of people made the trip over to Loveland Pass where the snow conditions were better.

Traditional: At the time of this delegates meeting the Park City trip was still a month away. It has since taken place and although attendance was disappointing, everyone had a fabulous time, including yours truly. Natural snow was in short supply, but there was enough of the man-made variety to keep skiers happy and occupied. Side trips to Deer Valley and The Canyons gave everyone more than enough variety, and the weather (aside from the lack of snowfall) was beautiful. If you've never been to The Canyons, be sure to try it the next time you go to Utah -- it is still under development but is already very impressive.

Expedition: The trip to Trois Valles in France is underway as I write this article. James Mershon reported at the December delegates meeting that he was expecting participation of 225. Hopefully everyone is having a great time.

Winter Shootout: Trip VP Tere Ayson missed the delegates meeting but President Anne Myers reported on the schedule of activities, including a side trip to Grand Targhee, snow tube races, etc.

Final Showdown: The Heavenly trip looks to be the most successful of the season with anticipated participation of over 700 according to Trip VP Peggy Montgomery. Space City alone will be taking 150 or more. A side trip to Kirkwood is planned for Monday. The Tahoe Queen cruise to Squaw Valley and Northstar is planned for Tuesday -- don't miss this if you can help it.

Nastar Racing: Space City came in 2nd in its division on both the Fall Roundup and the Traditional trips. First place went to Lone Star (Dallas) on both trips. With a first place finish on the Winter Shootout and Final Showdown trips we could still take first place for the year, so we need a good racing turnout on both trips. For those of you who are experienced racers, be sure to encourage others to race -- it's great for building individual confidence and "esprit de club."

Clubs were reminded of the reciprocity rules on racing -- if someone from one club travels with another club on a TSC trip, they must race with their parent club if that club is represented on the trip. Anne Myers reported that some consideration is being given to reinstating the past practice of awarding 1 point to every racer who finishes the course regardless of time.

Bid Meeting: Our own Marti Toomer is in charge of the Bid Meeting this year which takes place April 9-11 at the Holiday Inn Riverwalk in San Antonio. If you've never attended you should give it a try -- it's a great way to see how the TSC picks destinations for ski trips. Friday night is registration and a reception for delegates, guests and resort representatives. Bid presentations run all day Saturday followed by a great party, including dinner, Saturday night.

More bid presentations take place on Sunday morning, followed by the vote on all five TSC trip destinations for the upcoming year. The meeting is over by noon on Sunday so you have the rest of the day to stroll, shop, eat, drink and drive home. Registration is \$35 (including lunch and dinner on Saturday) if you register by March 15th, and \$45 thereafter. Ask anyone who has been (last year we had over 30 from SCSC) -- it is well worth the time and money!!! If you are interested in attending, please contact either Susan Blome or me for more information, including room reservations.

On December 11th, 1998, more than 170 SCSC members and guests kicked off the holiday season by attending the Annual Holiday Gala at the exclusive Briar Club. The Briar Club was beautifully decorated for the Christmas season. Especially notable were the beautiful Christmas trees located throughout the club and the white, green and red tablecloths which were accented with beautiful candle centerpieces.

The gala started out with a fabulous Mexican buffet dinner. The entertainment was provided by Supreme Court Decision, and they played enough great Top 40's music to keep the crowd dancing all night long.

For an icebreaker, dance cards were given out at the door. Each member or guest was to ask five different people to dance with them and sign the dance card to be eligible to win the door prizes. The winners for the door prizes were **Sandy Cox, Joe Loe, Sue Salvage, Warren Schroeder, Diana Stotz, and Robyn Shaw.**

What were the beautiful ladies wearing for this Holiday extravaganza? **Debbie Bergeron, Robyn Shaw, & Sharon Smith** wore striking red dresses. **Karen Mozicek, Marsha Lutz & Kayleen Kill** were in festive green. **Christi Williams** wore a snow white gown. **Patti Maudslay** wore a sequined Christmas dress. **Louella Stellar** wore a black dress with shawl. **Concietta Ruggiero, Cindy Gilkerson, Barb Penkala, and Claire Johnson** looked lovely in their low cut sexy dresses.

The success of the event was ensured by enthusiastic help from several members: **Joe Walker, Cookie Nguyen, Karen Mozicek, Cindy Gilkerson, John and Nancy Burk, and Vic & Patsy Celman** manned the sign-up table; **Warren Schroeder** photographed the festivities; **Tori Williams & Phi Nguyen** were cashiers. **Oshmans Super Sports and Sun & Ski Sports** donated the clever door prizes. **Sue Salvage** helped with the guidelines for the event. Special thanks to my assistant, **Christi Williams and Jaime Rivale** of the Briar Club for helping to put this fabulous evening together.
