## HEAD OF THE LIFT LINE

by *Craig T. Liebergot*

**HAPPY NEW YEAR!!!** Mother Nature cooperated and the first ski trip of Space City's season was quite a success and a good time was had by all at the TSC Fall Roundup in Keystone. Space City took **FIRST PLACE IN OUR DIVISION** in the Texas Ski Council Club Races.

Space City's name was drawn to participate on the Texas Ski Council Pre-Bid Selection Committee. This committee reviews initial bids from ski resorts and determines those ski areas that will present the final bid presentations to the delegates at the TSC Bid Meeting in April. Our Texas Ski Council Representative, **KIM PAGE**, will be participating on this Committee.

Thanks to our VP-Membership, **A. G. DAVIS**, membership is at 1,368. Secretary, **RICHARD HALL**, has said that the Space City Directories are in the mail, so look for yours to arrive this month.

The Texas Ski Council Quarterly Delegates Meeting was held in Houston on December 12th and hosted by Space City, Armadillos, Houston Ski Jammers and Clear Lake Area Ski Club. WE were well-represented by our TSC Rep, Kim Page and alternate rep., **ED CAIN**.

January's Happy Hour will be **January 21st at THE RANCH AT POST OAK** and don't forget the **JANUARY MONTHLY MEETING** will be the **FOURTH MONDAY OF THE MONTH--JANUARY 25TH!!!** See you there....

### FROM THE BOARD OF DIRECTORS:

The Financial Statement printed in the November *Sitzmarke* contained some inaccuracies. An Audit Committee is currently working on corrections. After review and approval by the Board, the corrected Financial Statement will be published in the *Sitzmarke*.

## FROM THE SKI DESK... by Debbie Bergeron, VP of Trips

Our 1993 Ski Season is ringing in the New Year with a real bang, as 144 SCSCers head out for the Wild, Wild West to STEAMBOAT SPRINGS, COLORADO for the 1993 Texas Ski Council Traditional Trip beginning on January 9th! Hope all you Dudes and Dudettes are ready to get back in the saddle and join in on the ambush for the TSC Challenge Cup Series to help bring home the Cup one more time! (Yes, our group of 60 at the TSC Fall Roundup in Keystone brought home the 1st Place Trophy in our Division, so we're off and running!) Head 'em up, move 'em out, RAWHIDE!!

Also travelling Way Out West this month are trips to Jackson Hole, Vail, and Aspen for their own version of fun in the sun and snow, while almost 50 SCSCers make their way across the ocean to Europe to rendezvous with 250 to 300 fellow Texas Ski Council club members for the TSC Expedition in Innsbruck, Austria!

Prime Time Ski Season during February will find SCSCers all over the U.S., from Big Sky, Montana in the Northwest, to Ski the Summit in Keystone, Colorado in the Midwest, and then our new adventure to the "Canadian Snowbelt" in Sugarloaf, Maine for the TSC Winter Shootout!

In March, we'll wrap up our 92-93 Ski Season with a rare opportunity -- to ski 360 degrees of varied terrain at the breathtaking Mt. Bachelor, Oregon where the snowfall often keeps the slopes open until June -- and finally, what better way to close out the season than at Park City, Utah for the TSC Final Showdown, also offering the nearby resorts of Deer Valley, Snowbird, and Alta!

For the most recent trip status information as of this writing, call the Trip Leaders on the updated Trip Schedule in this Sitzmarke where you will probably find a few spaces remaining on SUGARLOAF (the TSC Winter Shootout), on SKI THE SUMMIT, and on MT. BACHELOR, or perhaps a recent opening on some of our other trips! Don't overlook the chance to join in one of our great SCSC Ski Excursions; it can become habit-forming!

A final reminder that the Mt. Bachelor and Park City trips have upcoming Final Payment Dates of January 18th, and since our meeting this month is not until January 25th, you'll need to MAIL your payment to your TC's home address (not to the Club's Post Office Box).

In closing, may 1993 bring all of you Happiness, Health, Success, and Lots of Snow on the Slopes!!!

*Space available on the following ski trips:*

**SUGARLOAF  
SKI THE SUMMIT  
MT. BACHELOR**

*Check the Ski Schedule on Page 18 and give the respective TCs or ATCs a call.*

You are welcome, however, to discuss with the VP of Publications the advantages of taking out a business ad in our monthly Sitzmarke.

### **CLASSIFIED ADVERTISING IN THE SITMARKE!!!**

Special Door Prizes have been donated by **SUN & SKI SPORTS** and **ATLAS TRAVEL**. These special "one of a kind" door prizes will be won by someone who does not forget the date change!!!

Well, has everyone recovered from the annual onslaught of turkey and dressing? What a special tradition. I think it's great until I realize how much weight I've gained. Oh, well!

What a year '92 was!! But where did it go?? Here today, gone tomorrow. I can hardly believe that it is already 1993 and the Steamboat trip is just around the corner. I've had my skis tuned and my bags are almost packed and I'm ready to ski, ski, ski!!

A special note of appreciation is due the **SOUND OF SILENCE** for their performance at our December meeting. Weren't they great? Thanks to them for being our Special Guests.

Our Door Prize winners for November were--**SUZY KANA**—Olive Garden Pasta, **ERIC PRENTIS**—Alley tickets, **SHARON SMITH**—Sun & Ski goggles and **PHIL BURKHART**—Holiday Inn Weekend.

Before you know it or next upcoming activities will be upon us. A **SUPER BOWL PARTY** at **BOB** and **MELISSA FRAZIER**. If you haven't been there before, they have lots of room. If you have, you already know this! Ought to be a great party. An **IMAX DEBUT** with **PATTY BRENNAN** and **SHERRY SOUTHWORTH**—going to the IMAX theater is always an adventure and this one also includes a special dinner. What a deal!! Not to be outdone, **DEBRAH HUTCHINSON** has a **MUDER MYSTERY DINNER** planned, complete with eats at **FUDDRUCKERS**. Want more--O.K., watch the *Sitz* for upcoming events!!

And now a special thank you for last month's activity coordinators who often say "yes" and volunteer before they know they are saying yes--to **JERI HARTMAN** and **JIM FELKER** (Christmas Party), **CAROLYN DELANO** (Dickens on the Strand) and **TERRI IBARRA** and **PAM BARNES** (Christmas Caroling). Thanks a bunch gang.

Also, I haven't had the opportunity to thank the models who did such a great job at the "B & B" Style Show--**LOURDES COYLE** (MC & Director), **SUE SHIRLEY**, **SUE SALVAGE**, **LLONA DOUBET**, **SARA GREEN**, **DONNA KIDWELL**, **LINDA Hysel**, **BEVERLY MERRITT**, **CATHY MORELAND**, **PAT WOOD**, **DICK HOWARD**, **TERRY MCGUINNESS**, **BILL KIRK**, **RICK JAEGER**, **RICH HENDERSON**, **JIM FELKER**, **RICHARD BUGLAR**, **DON CRABTREE** and **DARLENE CLEMENS**. ### CARE OF THE EARS DURING AIRPLANE FLIGHT

Editor "Note: Thanks to Nancy Sarff for the following information provided by Drs. Dickey, Weaver, Flippon & Roark

Before flight, take a plain decongestant such as Sudafed which is sold without perscription and is a good choice. Approximately 30 minutes before flight, liberally spray both nostrils with Afrin or a similar decongestant nasal spray. Then wait one full minute and respray. As soon as the airplane begins its descent, ventilate your ears by holding your nose between your thumb and forefinger and blowing out until your ears "pop". Continue to do this until the plane lands.

If you like surprises, come join SCSC for  
**RODEO NIGHT!!!**  
**FRIDAY --FEBRUARY 26, 1993**

If any tickets are still available, they will be sold at the January meeting.

## COMMUNITY SERVICE ACTIVITY

*RACE FOR THE CURE by ANITA YEOMANS*

Dark and VERY EARLY on the morning of October 3, 1992 sixteen SCSCers generously volunteered their time to help set up for the SUSAN B. KOMEN FOUNDATION RACE FOR THE CURE. Several of the group who volunteered last year were on hand once again. **JOE DALEO, GARY GILLAE and RON FLOWERS** were the first eager volunteers to arrive at the race site at 4:45 in the morning! Between 5:00 and 5:30 am the remainder of the group arrived. However, after Ron Flowers and Gary Gillae finished moving heavy items, we don't know what happened to them!! **TOM HOGLE** was his usual perky and playful self, keeping everyone entertained and for that matter awake at a time when most sane individuals are in bed asleep on a weekend morning!!! Although it should be noted that when **ANITA YEOMANS** called Tom Hogle and **JERI HARTMAN** to instruct them on the meeting place and time their responses were "next time I volunteer for something remind me to ask what time it starts!"

**JERRY MONTGOMERY** searched high and low for coffee and was quite disgruntled when **TOWERY HOUSER** and **LIDIA VOGELSANG** (a prospective SCSC member) walked into the VIP tent and were offered coffee and doughnuts. **RITA TUCKER** had to feed **ERIC WRIGHT** muffins and give him coffee to keep him awake after he filled too many to count helium balloons. **NANCY SARFF** kept trying to get a lift to the moon via helium, but **JEFF SARFF** wouldn't let her go (see picture). **PAT SCARBER** and **PEGGY GLOVER** were seen "getting down" to the music at the post race party. **ALEK TEMPSKI** and **FRANK SINICROPE** couldn't seem to keep their eyes off the runners legs---this is an all woman's race.

Members of the Race Committee noted that SCSCers appear to be not only a fun bunch of people, but generous with their time and commended our group for our enthusiasm. All in all the day was a big success. Over \$60,000 dollars was raised to help women obtain mammograms, increase breast cancer awareness and fund breast cancer research. Once again SCSC helped to make a difference.!!

# RACE'Y NEWS....

by TERRY MCGUINNESS, SCSC Race Director

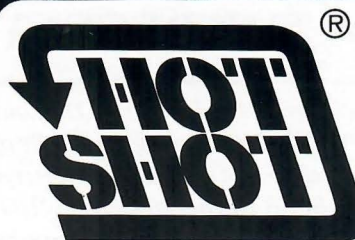

Well, Space City started the NASTAR RACE year out with a BANG at the TSC FALL ROUNDUP in KEYSTONE. We placed first in TSC Division I. Los Amigos came in second and Lone Star took third place. SCSC obtained 1st place due to the many medals that our outstanding racers achieved--we ended the Club races with 7 (seven) GOLDS, 9 (nine) SILVERS, and 13 (thirteen) BRONZES. Along with those medals and the individuals that received points for the club we ended up with 1602 points. Los Amigos had a handicap adjusted score of 1331 and Lone Star's handicap adjusted score was 1250. Space City and Los Amigos started 47 racers each, while Lone Star started 33. **GREAT JOB TO ALL THOSE THAT RACED AND THE REMAINDER OF THE SCSC GROUP THAT CHEERED THEM ON!!**

Our GOLD medal winners were GEORGE HIRASAKI (who also had the fastest male time for SCSC), EDWARD CAIN, BUDDY SOLAND, JAMES WAYNE, FRED KAHRS, FRANK MANGUM and ALEX POTTER. Our SILVER medal winners were DEBBI CHRISSINGER (who had the fastest female time for SCSC), SYLVIA SCHROTH, KRYSTYNA ABRASZEWSKA, NELSON TURNER, CALVIN DOODY, MARTY MATRAS, BARRY PALMER, BOB WILBANKS, and JERRY MONTGOMERY. Our BRONZE medalists were SHARON SEELIG, DONNA KIDWELL, DEBBIE STARNES, KEN KOEPKE, DARRELL WAY, STEVE LARSON, PETER DICKEY, JIM HEWGLEY, CRAIG CAMPBELL, ROBERT AMBROSE, DAVID HEALEY, TERRY MCGUINNESS and KARL FERENCZY. A number of these medal winners were first time racers such as Sylvia Scroth (who was heard to say after winning her Silver--now that I know what it is like, next time it will be a Gold!), Ken Koepke, Darrell Way, Peter Dickey and Robert Ambrose. We also had some first time medal winners such as myself and Steve Larson. (If I missed any first time racers who medaled or first time medal winners let me know and I'll update this list in my next column.)

Other people who raced for SCSC and will be getting our 1992/93 RACE FOR THE CUP pin are JANE HEALEY, DARLENE CLEMENS, BONNIE AMBROSE, SARA SOLAND, PAM BATTERSON, JAN ROBERTSON, TERRI HESSE, KAREN LAIZURE, PEGGY DONLEY, NANCY SARFF, KAYLEEN KILL, ANN HARVEY, DAVE LINDSEY, BUZ LAY, JEFF SARFF, FARRALD BELOTE, NOLAN BADEAUX and ROBERT STEVENSON. A number of these individuals were first time NASTAR racers and we hope they had a fun experience racing with SCSC.

We raced some of our top racers in the Individuals and were pleased when Kayleen Kill (who unfortunately DQed in the Club Races) came in second in the Open Woman's Division and George Hirasaki came in third in the Senior Men's division. (Both received silver medals). We also raced Donna Kidwell, Debby

Chrissinger, Buddy Soland (silver) and Ed Cain (silver) in the Individuals. All did a great job and we appreciate their willingness to represent SCSC in the Individual races.

A special thanks goes to PEGGY DONLEY, who was the race director for the trip and of course to her Ass't Race Directors--STEVE LARSON, SHARON SEELIG, NOLAN BADEAUX and DARRELL WAY. Peggy also requested I extend a thanks to NANCY SARFF AND KAY CAIN who assisted at the top of the race course and to me for my assistance at the bottom of the race course. Peggy commented a number of times, that the willingness of the above people made the job of being race director a great deal easier. Think about that statement and on your trip see what you can do to help out the Race Director!!

The next TSC challenge will be the TSC-TRADITIONAL trip in STEAMBOAT in January, so if you are on that trip think about joining in the fun and either race or plan to cheer SCSC on at the races. If you want to race and didn't sign up at the Steamboat pretrip parties contact your TC and get the name of the Trip Race Director. Also, don't forget that the majority of our trips this year are planning NASTAR races--check for the RACE table at your pretrip parties!! Until next month--KEEP YOUR TIPS UP!!!!

## VOICE FROM THE RECENT PAST!!

**Editor's Note:** I recently received a letter from Dr. Louis Schultz who was SCSC treasurer for part of the '91/'92 year. During the middle of his tenure he was offered a position he could not refuse and relocated to Libertyville, Illinois. Lou has continued his membership in SCSC and besides saying "HOWDY" expressed some thoughts I wanted to share with some of the new members of SCSC.

"It is easy to take Space City for granted since it runs so smoothly and I don't think the members of SCSC are aware how fortunate they are to belong to such a volunteer organization. The local ski club I joined out of Chicago is as large as Space City, but there the similarity ends. The monthly newsletter has no photos (no ads either) and basically tells of upcoming events, meetings, etc. There are no trip reports or member profiles—just basic information. The trips have no pre-trip activities so there is no chance to become acquainted with your fellow skiers. Non-ski activities such as canoe trips usually leave from a downtown location where parking is minimal and not always secure—not to mention the cost!!

My main reason for writing was to let all our new SCSC members know they belong to a rare organization that only exists because people volunteer. While in Houston I was TC (twice), ATC, Lift Liner (multiple times) and ran various non-ski activities which I thoroughly enjoyed. I hope all of the new members who really want to make Space City an even greater organization will run an activity or if they have an idea for an activity present it to the VP of Programs. I'm sure the idea will be gladly received. I also hope members who desire to go beyond being a TC let the nominating committee be aware so they can be considered. For your information—marriage to Sy Liebergot is not a pre-requisite to hold office!!" (Ed's note—thank goodness!!)

**Editor's note:** As active as Lou was with Space City I bet he pursues being involved in the club he joined and I'm quite sure it will be to its benefit!! Lou also extended a "Texas Hospitality" to anyone visiting the Windy City—he's address is 815A Country Club Drive, Libertyville, Illinois 60048. Also, while I did not receive this letter in time to get it in a Sitz before the nominating committee's deadline for officer applications, I hope all who read the above will take his recommendation to heart and VOLUNTEER!!

### HEARD AT...

What do you call "six in a bed" at the SCSC Christmas Party? A group with a sense of adventure!!! (Editor's note: From the sounds of this comment, I'm sorry I missed the party!)

NANCY SARFF came back from Keystone with a bad case of bronchitis. Thanks Nancy, we enjoyed getting to dance at the Christmas Party with a special person--JEFF!!

One significant note--there were several very NEW MEMBERS at the Christmas Party. It's good to see these new members joining in the activities--Hope you enjoyed it and you will consider becoming more involved with SCSC!.

Update on MANUAL VALLE's incident with his traffic ticket--I'm sure you all will be glad to learn that his ticket was dismissed, but only after providing more identification than his SCSC luggage tag!!!

skiing! Although the week we'll be skiing is spring break for  
many schools here in Houston, Oregon's isn't until the following  
week.

The mountain is rated at 15% novice, 25% intermediate,  
35% advanced/intermediate and 25% expert, so there is **something

groomed cross country skiing trails and virtually limitless  
untracked opportunity in neighboring forest lands.

# HALLOWEEN PARTY

by DON CRABTREE

For the first time in years the annual SCSC Halloween Party was held at a new venue; The Autumn Chase Townhomes Clubhouse in west Houston. 125 ghosts, reincarnated celebrities and assorted freaks, who participated in this mad-cap event. Speaking of freaks, who was that "thing" dancing with "wiseguy" **RICHARD BUGLAR**. Some say it was **RICH HENDERSON**'s evil twin sister. Only the Vice Squad knows for sure.

Adam and Eve (**TOM FITZPATRICK** and **JUDY VAUGHN**) showed up in Fig leaves as usual, only this time they donned thermal underwear. Thank God!!!!

How many brick layers does it take to lay one brick? Two, that is if the brick is **NANCY BOELSON** and the masons are **DENNIS STOCKTON** and **MILT KRAMER**. Nice work men!

**SUE SALVAGE**, the NFL referee was "flag happy" all night throwing those yellow penalty flags with little provocation. To our surprise, they entitled the bearer to hugs and kisses, often resulting in illegal procedures.

Other notables were King Tut and his Queen (**STEVEN THEOH** and **TERRI ANN GARVEY**); Dick Tracey (**JON HOFFMAN**); Rudolph the Red-Nose-Reindeer (**JOAN DIAL**); Miss Lone Star (**PATTY RICHARDS**); computer and mouse (**TED** and **DEBBIE BERGERON**); assorted M&Ms (**CHAS** and **KATHY MORGAN**, **JOEL** and **BARBARA MCDOWELL**) and many witches and devils whose identity shall remain anonymous.

Prizes were awarded as follows: Best Couple, **JIM** and **SUE EDWARDS** as Louis the Sixteenth and Marie Antionette; Best Female Costume, **SHARON SMITH** as the Pillsbury Doughboy; Best Male Costume, **JIM FELKER** as the naughty baby brat. **DANA WARDELL** was given the special "politically correct" award as H. Ross Perot.

Special Kudos for our Halloween committee; **DEBORAH PURDIN**, **EDNA ASHBY**, **FRED WRIGHT**, **TERRY MCGUINNESS**, **TOM FITZPATRICK**, **JUDY VAUGHN**, **CLAIR LOVE**, **JIM MURRHEE**, **VICKY HUGES** (who now resides in Kansas City), **Nancy Boelson** and **Richard Buglar**.

Once again, the Halloween Party was a resounding success!! Let's do it up even bigger and better next year!

# PARK CITY SKI AREA

Not all ski areas are created equal. True, they all have lifts and trails and snow. At Park City Ski Area, we have more than our share of all of these — thirteen lifts, 83 trails and more than 350 inches each year of the "Greatest Snow on Earth." ■ But Park City has much more. We're just a 40-minute drive from Salt Lake International Airport. At our base is an authentic mining town with it's old west charm. And something else — there is a difference in the people here. Park City is a magnet for fun people and the attitude is contagious. ■ So if you're looking for something more, it's time you tried Park City Ski Area.
