HEAD OF THE LIFT LINE

by Ginger Howard

February begins with half of our ski trips already departed. How time does fly! I am happy to announce that Space City took First Place at Winter Park, which means we are well on our way in the "Race for the Cup". We're looking forward to good conditions and good times on our remaining eight trips.

Included in this issue are the nominees for next year's officer positions. Everyone can be reminded of the difficult task the Nominating

Committee faces each year. This year it was particularly hard to find, not qualified, talented, people; but people who were willing to commit their time and talents. It is unfortunate that in a group the size of our club, there are not more anxious, willing individuals ready to take on new challenges. Luckily, the Nominating Committee was able to come up with a talented group who are committed to making SCSC continue to work. We appreciate the efforts of the Committee, and the willingness of each of the nominees. Each nominee will be introduced at the February meeting. At that time, I will also ask if there are any nominees from the floor for each office. Please remember that consent to serve must be secured from all nominees. The election will be held at the monthly General Meeting in March.

During February, we were unable to make plans for the Rodeo (there have been changes in the arrangements we have been able to make for tickets in the past); we will have our traditional February Happy Hour at The Rose; and we will have a trip to the Galveston Mardi Gras. Please join us in our activities, and if you're on a ski trip, have a great time!!!!

DID YOU KNOW ...

* that all four Texas Ski Council trips for 1992-93 will be selected by April 12th, and that Space City's 1992-93 Trip Schedule will be finalized by the end of May!!!!

* that you can help determine our 1992-93 Trip Schedule by completing the Trip Evaluation forms you will receive on the return leg of this year's trips? The survey questions that have been added this year will help guide us in gauging which "frontiers you, our SCSC skiers, boldly want to explore" next season!!!

* that although wait lists seem to be moving a little slower this year than usual, there have been cancellations anywhere from four weeks to four days prior to trip departure, so **HANG IN THERE** if you're not on a trip yet!!!

* that if you have not yet signed up for any of our trips, call the TCs or ATCs right away because participant turnovers on a few trips have taken some wait lists down to "0", and you might be lucky enough to "be in the right place at the right time" and find space that has just opened up!!!

* that while preparing this article, MARGIE REEVES, TC for TELLURIDE, called to report that their trip has begun with a blizzard, travel delays, that the only thing the plane could get to their destination was 40 out of their 44 participants, that their remaining members are stuck overnight in Denver, and no one's luggage has been able to be sent to the ski resort yet! Knowing Margie's composure and her cool, calm & collected ATC, CRAIG SEARS, I'm confident they'll do everything possible to make the best of the situation. Now we just need Mother Nature to cooperate so everyone can have a memorable experience!

IN CLOSING ... Please remember to make your preferences known for next year by turning in your Trip Evaluation Form so we can get underway in planning the next Sensational Ski Year!!!

NOMINEES FOR 1992-1993 SCSC OFFICERS

Well, it's that time of year again when your ever diligent nominating committee has been up to its old tricks: yep, meeting behind closed doors to select new officer nominees from amongst the brightest and best SCSC has to offer (although sometimes it's from whomever said they'd do the job!). This year, we've been observing potential candidates in action since October and we believe we've come up with a dynamite slate on which the membership can vote. Our club By-Laws do allow additional nominations from the floor at the February meeting for those of you who feel you have been overlooked, so speak up then or quit complaining!

Choosing a slate of officer nominees is neither a simple nor an easy task. The Nominating Committee first solicited volunteers and then actively recruited (twisted arms?) qualified club members to become officers. We considered volunteers from as far back as five years when we reviewed potential candidates. It's not easy finding members who are willing and able to devote the time, effort, and energy required to run the largest all-volunteer ski club in Texas! We carefully considered all individuals brought to our attention who appeared to be self-motivated, enthusiastic, had the time, had previously served the club in some way (had experience), were creative, were relatively job-stable, and who appeared to us would be able to function as a team (although you never know that until they serve together). We really tried to expend our best efforts to bring you the following list of volunteers willing to be SCSC's 1992-1993 officers:

President.....**CRAIG LEIBERGOT**
VP Programs.....**TOM HOGLE**
VP Trips.....**DEBBIE BERGERON***
VP Membership.....**A G DAVIS**
VP Publications.....**PEGGY DONLEY**
Secretary.....**RICHARD HALL**
Treasurer.....**MARTI TOOMER**

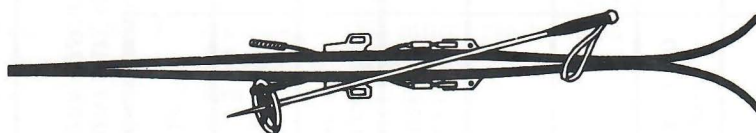

* repeat 1991-1992 officer with best qualifications and willingness to serve. Both DOTs withdrew due to personal reasons.

A summary of the responsibilities of each office are contained in the club's By-Laws and Standing Rules which are in SCSC's telephone directory. We urge all members to read these in order to understand what is expected of the club's officers. Each officer nominee and any nominees from the floor will prepare a short biography of him or herself to be submitted to the current VP Publications for inclusion in the March issue of the *Sitzmarke*.

We wish all the nominees much success and express to them our sincere thanks for volunteering to serve their club.

BRECKENRIDGE - 1991 FALL ROUND UP

by JoAnn Lane

Fifty-six SCSC Turkeys arrived in Breckenridge, the snow was falling, the town was twinkling with lights, and the mood was LET'S SKI & PARTY!!!

Action began early Wednesday morning...Kim Connally was busy building the eternal fire while Nolan Badeaux was mixing batter for TC Terry McGuinness to start flipping pancakes (OOPS, smoke began billowing down the hall), Carolyn Guthry went frantically searching for the "non-existent" smoke alarm, however, ATC JoAnn Lane being in charge of the situation made sure breakfast was served as planned.

With the best early snow in 17 years everyone was eager to get started. Ask Tom Mercer how he fell "head over heels in love" with a mogul. Super skier George Hirasaki and Nelson Turner were having problems with trees...George did a great face plant in deep powder after running into an innocent small tree while Nelson met up with a tree to give himself a "Gorbachev" look. Meanwhile, Bruce Lowther looking in a snowbank for a lost ski found a blonde instead. Nolan Badeaux boasted of only one fall...ask Sy Liebergot & Ed Cain how they managed to get him out from under the lift-line fence. Jack Oney good heartily took Mike Carr & Jane Orr down some new blue runs...they are still looking for someone to introduce Jack to some new black runs!!! Cheryl Crockett & Kim Connally made a wrong turn and skied with the World cup Skiers on their practice run.

Charlotte Lynn, Craig Campbell, Debbie Bergeron, Ted Bergeron, JoAnn Lane, Kim Connally, and Carolyn Guthry.

Race Day !!!

Some renewed their shopping abilities as Joyce Ryan found time to aid in the local economy, Joanie Osbourn, Edna Asby, and Margie McIntyre can tell you anything you need to know even which side of the street has the best deals.

After a full day, everyone was ready to soak in the hot tub followed by a hardy lasagna dinner. We were happy to hear that, Annette Henderson, Sandy Hoffman, Christi Burke and Margie McIntyre made a movie debut; Jerry Montgomery was interviewed by Biff America, shown on the local TV station.

Turkey Day dawned, and most of our 'Turkeys' could be found practicing on the self timed course in anticipation of the following day races! We later enjoyed Thanksgiving Dinner at Beaver Run Resort followed by the TSC Welcome Party complete with costumes. The enthusiasm & participation of our group surpassed all other clubs. Our group was well represented in the costume event, Nelson Turner, Marti Toomer, JoAnn Lane, Kim Connally, Debbie Bergeron, Carolyn Guthry, and Craig Campbell though not winning looked GREAT! Charlotte Lynn "The Stuffed Pumpkin" took first place; Ted Bergeron "Chief Arrowhead" won by default. Charlotte extends a special thanks to her roomies Debbie Chrisinger, Frank Hamtak, and Cindy Overton the official pumpkin stuffers.

Friday the NASTAR Club Races and the Men's World Cup Skiing Competition began. With enthusiasm high,

we raced to a First Place Victory in the TSC NASTAR Club Races. SCSC Takes pride in this win and thanks to all 45 participants. I want to personally thank Ted Bergeron, our Race Director, who did an outstanding job and was certainly instrumental in our victory. Unfortunately Darleen Clemens' accident prevented her from skiing the race...we all missed her and are glad she is OK.

There was more than great snow happening in Breckenridge. We enjoyed the festivities of the Classic Street Party, live entertainment, beer & food tasting, glowing balloons, a variety of street entertainers, and the Breckenridge Pub Crawl.

"One Last Look" Ron Honefenger, Sandy Williams, Ann Clinton, Jack Oney, JoAnn Lane, Nolan Badeaux, and Carolyn Guthry.

TEXAS SKI COUNCIL REPORT

by Craig T. Liebergot, TSC Representative

The Texas Ski Council meeting was held in Houston on December 14, 1991. TSC Treasurer, **Steve Gucker**, presented a year to date financial report. The TSC application for tax-exempt status with the IRS was approved.

The Council appointed two committees; the Nominating Committee and the Pre-Select Bid Committee. The Nominating Committee members are **Gary Kuchcinski**, Chairman, Clear Lake Area Ski Club (Houston), **Pris Scott**, Texas Twisters (Lubbock) and **Neil Martin**, Austin Skiers (Austin). They will propose a slate of officers at the next delegates meeting in April, at which time nominations may be taken from the floor. The Pre-Select Bid Committee club members are **Glenn Strother**, Texas Renegades (Dallas/Fort Worth), **Rollo Gurss**, Texas Twisters (Lubbock), **Laura Kuchcinski**, Clear Lake Area Ski Club (Houston) and **Jack Macy**, Capital Downhill (Austin). They will review bids from various resorts for the 1992-93 ski season. The committee will then select those resorts that will present their bids at the April delegates meeting. Additionally, **Billy Lynam** is planning to form a committee to look into realigning racing in each division.

James Mershon, V.P.-Marketing, reported that resorts who plan to bid have been asked to look into traveling Saturday to Saturday, as well as, Monday to Monday. By traveling on Monday, James said that it could lower the cost of a trip by \$200-\$250. One possible destination for the Texas Expedition that is being researched is a ten day trip to New Zealand. Additionally, Chile and Argentina will bid for the Texas Expedition. The Council is looking into possibly offering a trip during "off time" for never-ever skiers. A committee has been formed to look into this. Perhaps an award will be given as an incentive for the never-ever skier.

SCSC's **Peggy Donley** is the chairperson for the Summer Fun Olympics that will be held at the woodlands June 12-14, 1992. Peggy and the Steering Committee have put together what promises to be a fun-filled week-end, so mark your calendars. For more information, contact Peggy and watch for updates in the upcoming Sitzmarkes.

The TSC VPs of Trips gave updates on Winter Park, Crested Butte and Heavenly Valley. **Diane McClendon**, VP of Trips for Breckenridge, gave her final report. Look for ATC **JoAnn Lane**'s article on the Fall Round-Up for more details on what proved to be a great trip! For more information on all of the TSC trips, be sure and read From the Ski Desk by our VP of Trips, **Debbie Bergeron**.

It was stressed that the Colorado liquor law was being strictly enforced by the bus companies. Space City received a big thank you from a member club for educating them early on about this law.

The next Delegates meeting will be held in San Antonio in April.

KEYSTONE - FAMILY OPTIONAL - TRIP

by Sue Shirley

The family trip for SCSC was in Keystone this December 26-31, 1991. The trip went smoothly, no plane delays, no snags. Everyone seemed to have a nice holiday and came home completely exhausted but ready to party New Years! Perhaps another name for this trip might be "Can you ski faster, straighter, longer or zanier than your children?" The answer in all cases seemed to be "NO"!!!

Ourskiing families included: C.J. Hutto and Cynda; Richard Caldwell and Marc; Diana Mills and David; Alan and Lisa Monnat and Scott; Tommy and Linda Thompson and Shayla; Sara Green and Scooter; Victor and Barbara Yovanonic, Michael and James; Ruth Seiler and Susan; Barry Palmer, Erin, Haley and Kristin Baldwin; Sue Shirley and Bill plus her brother Tom Lebel and nephew Dan from Denver; Greg Heitmann, Greg Jr., Susan and Dianna Horak and Kristen; John McMillon and Linda; and Fred Ungerer, Jill and Jacob.

Our lasagna dinner was a hit with everyone in attendance. Who said people don't like a free meal? Diana Mills, our TC provided us with her special recipe for "with or without" brownies. The brownies could be with or without nuts, with or without chocolate icing or peanut butter, with or without ice cream and lastly with or without Kaluha. After the dessert all the young people were encouraged to

The happy young people: Scooter Green, Greg Heitmann Jr., David Mills, Kristen Heitmann, Susie Horak, Shayla Blumberg, and Bill Shirley.

The Keystone Group

participate in a game of Pictionary which was a great way for them to meet each other. They loved it and it worked, for many of the teenagers skied with each other the whole trip. Of course while this game was being introduced to the kids the adults were breaking their necks trying to get out the door to do something a little less structured.

Speaking of FOOD that seemed to be the main focus of the week because our condos, Snowdance, were so near the slopes but there was no grocery in sight. Thus the creative awards went to those people that not only were able to find a grocery store but to get there and back with food and drinks. As a result many people were seen eating left over Subways from the bus trip plus left over cookies the entire week. But the magic number was "23" because that was how many people seemed to show up at Snake River Salon, the Chinese Restaurant in Keystone, and the Post-trip Party in Houston. The next trip to Keystone might consider lodging over the grocery store and just taking the shuttle to the slopes!

C.J. Hutto experienced that one moment of terror that all parents fear on the slopes. C.J. was skiing with her daughter Cynda and an instructor when C.J. said she would download on the lift and meet them at the bottom. As C.J. waited at the bottom she observed the Ski Patrol and a "Body Bag". When they began to remove the Wrapping and the hair color and ski hat

matched Cynda's.....well it was only a sprained ankle. And don't believe that common ski injuries aren't related to "genes". Alan Monnat managed to lose his footing and fall on his right thumb while zooming down the slopes we hear, but his son Scott, fell and jammed his right thumb within fifteen minutes. However, Lisa Monnat experienced a moment of color blindness and went down a blue slope. It is reported she groomed it for all and is currently working on "how to read a ski map".

Negotiation and mediation came out when Lou Kleinman was on a ski lift with Sue Shirley and her brother Tom Lebel. Lou was heard to say that he had a reason for not doing family law and we couldn't change his mind on the way up the slopes. The good news is that the ATC, Sue Shirley, didn't ski with her reindeer antlers or the new "braided locks" from B. Jammin in Keystone but they did help all the ski trip find where to sit in the restaurant on North Peak. After seeing Bill Shirley's new three foot long ski hat we understand the ATC more.

The story is told that Sara Green did go on the trip for she was seen but it was difficult for her to squeeze in a total two hours worth of skiing, because of the hot tub, shops, and massage. However her son Scooter made up for it with what seemed like eight hours on the slopes daily when

The Lunch Bunch!!!!

The Texas Turkey Triathlon was another fun-filled adventure. These wacky events started with the "Bogey Men" playing Miniature Golf with **Ted Bergeron, Frank Mangum, Peggy Donley** (who made 2 holes in one – way to go Peggy), **Carolyn Guthry** (who had a hard time keeping her ball on the course), and **Nolan Badeaux** our scorekeeper. The Human Maze team "Amazingly" included **Linda Hysell, Kaylee Kill, Betty Todd, & Beth Lemon**. Though amazingly lost most of the time, our team with the support of other SCSCers, completed the maze with great enthusiasm and relief! Our "Space City Slickers" **Joanie Osbourn, Edna Asby, Peggy Donley, Kay Ellig, Carolyn Guthry, Sandy Hoffman, Donna Kidwell, and JoAnn Lane**, put on quite a show singing & dancing to Rock Around the Clock in the Sing-A-Long event. **WE WERE ALL WINNERS!!!** (without the trophies).

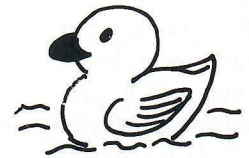

Saturday evening most of the group enjoyed dinner at The Hearthstone followed by the TSC Awards Party and Dance. The camaraderie lingered on well into the night...as **Terry McGuinness** learned to do "body shots" from the navel.

Sunday morning found many enjoying a leisurely breakfast or doing last minute shopping. The fun-filled trip had come to a fast close with fond memories, new friendships and a few tall-tales to share.

....NOTABLE NOTES

...There was a Llama in **Ginger Howard's** condo, **Floyd-Alama-Rama** "...ask **Craig Liebergot** why there should be more material on those Old Time Costumes...is **Donna Kidwell** really the expert trail guide on "Hills from Hell" and "Snow Pits"...**Jerry Montgomery** learned first hand how much work being a TSC officer can be...**Ron Honefenger** couldn't find one mountain goat...ask **Debbie Bergeron** why the village inn manager was amused at her special talent...did **Ann Clinton & Jack Oney** ever leave the lobby to go snowmobiling? ...ask **Kayleen Kill** why she almost missed her individual race event....

he wasn't helping move igloos. The Huttos along with **Ruth Seiler** and **Susan** spent a day snowmobiling and snow tubing. **Marc Caldwell** managed to out ski his dad. **Janice Law** covered the most territory of any one on the trip and was so exhausted one evening that she had to have pizza delivered to the jacuzzi. It's a rough life for a lady running for Justice of the Peace! The "night owl award" goes to **John McMillon** and **Linda** who enjoyed night skiing so much they did it most every night.

The international learning of the trip came from **Erin Palmer** (age 8) who saw the sign **SKI FAST - LOSE PASS** and thought that "lose pass" was Spanish for ski fast. She proceeded to ski so fast that dad **Barry** had a very hard time catching her. Whereas the youngest member of the trip, **Haley Palmer** (age 4) mastered the **Pony Express** lift. Non-skier **Barbara Yovonavic** helped with carving turns around the bars and restaurants and found real deals to share with all. And finally, one evening, it had to happen. Call it withdrawal symptom or the crazies but **Gay Ann Arp**, **Joyce Ryan**, **Ann Harvey**, **Helen Jones**, **Christina Mills** and **Nicki Blanchard** had to check out the group of factory outlets in **Dillon** in search of merchandise not available in **Houston**, no doubt.

The whole trip may have gone so smoothly because the teenagers seemed to love the blue and black of the **Outback** - no it wasn't **Australia** but it was far enough away from most adults. And speaking of **BLUE**, **Helen Jones** tried to ski every blue slope on **Keystone** and **North Peak** with or

without groomed snow on it. **Fred Ungerer** and **Jacob** were always willing to help the beginners skiers which was great assurance for many. Whereas **Jill Ungerer** had her ski instructor convinced that she could do great things and she did. **Christina Milla** skied hard each day no doubt in preparation for her racing legs on the **Winter Park** trip. And finally two of the educators on the trip, **Ann Harvey** and **Joyce Ryan** were both heard to say that "This may be a vacation but I'll be darned if I'll ski **School Marm**".

At our pre-trip party at **Malibu Grand Prix** the winners of our prize drawing included most families who received an umbrella from **The Houston Chronicle**, **David Mills** who received the ski hat from **Continental Airlines**, and **Alan Monnat** who received the free scuba certification lessons from **Ken-Lee Scuba** on **Richmond**. Our thanks to all the organizations and commercial establishments that helped make this an easy and fun trip for everyone.
