I would like to thank last years officers and volunteers for their efforts. The club cannot grow and provide the trips and activities that you the members desire without the work of many volunteers. This year don't be bashful, call myself or one of the officers to lend assistance.

The May meeting is an excellent time to renew your membership, sign-up for activities such as the Grand Cayman Trip, Guadalupe River Raft Trip, Summer Bash or introduce prospective members to our club. Best of all the "Follies" will be our entertainment for the May 14th General Meeting.

The sign-up procedure for the 1990-91 ski trips is changing; watch for more details in this issue and the June issue. By accepting trip sign-ups in July, the club can better fulfill your skiing wishes. Also, you can make installment payments for your trip over a longer period.

No General Meeting will be held in June, July or August. Watch your *Sitzmarke* for upcoming events and Happy Hours. Renew your membership early to be eligible for summer trip sign-up.

SALT LAKE CITY

by Sharon Inman

Deer Valley - what a wonderful way to start a ski trip! All *(we were captive since we had our very own bus each day)* were aboard and ready to go slightly after 8:00 a.m. and had already had breakfast. In an effort to cater to all, hot coffee and Bloody Marys were available for the 45 minute trip from Salt Lake to Deer Valley; **HOWEVER**, while **Sharon Inman** was serving the first two cups of coffee *(only three were ordered)* at the front of the bus, a sharp turn sent the coffee urn tumbling at the back of the bus resulting in a tidal wave of hot coffee down the aisle. Fortunately, we still had Bloody Marys for **Dick Keitt** and **Barbara Roberts** -their mainstay every morning *(and afternoon)* of the trip! Then on to a beautiful day of sunshine, great snow, skiing and camaraderie. In the afternoon, most managed to "stop in" at Stein Eriksen's Lodge mid-afternoon. How could you ski Deer Valley and not be able to say you had a drink there? Not **Roz Clayton**, **Richard Anderson**, **Beverly Johnson**, **Brent Layton**, **Sue Porr** and others. After returning to Salt Lake City, the huge hot tub beckoned for **Carolyn Melancon**, **Heidi** and **Mark Davis**, **Ron Sykora** and **Barbara Niland** who strutted her stuff via her body-building routine which **Ray Davis** and others seemed to enjoy immensely!

Then on to the Long-John Pizza Party where almost everyone wore

their "special" Long-Johns; the originality of the outfits was impressive: **G. A. Addicks**, with her bloomers showing, **Roz Clayton's** snowflake decorations, **Barb Niland's** "Barbie" suit and, last but not least, **Paul Biellman's** fifteen-year-old yellow duds! **G. A.**, as winner, was awarded a sleep shirt with a figure imprinted on it as close to hers as could be found. Lots of pizza and lots of visiting by all, but especially **Hardy Roper**, **Ron Honefenger**, **Kathleen Stermon**, **Lindy Day** and a few guests made the party a real success. Where were you, Susan?

Saturday A. M. had us headed to Snowbird. This was **not** a beautiful day, but hey, who cared? As the weather became more cloudy and windy with heavy snow, a group headed up the Tram to the top of Snowbird. As we were preparing to unload, the Tram operator informed us "we do not recommend skiing down at this time; you can't see the skier in front of you. If you can see the obstacle warning signs, please observe them." Some more intelligent people rode the tram back down, but not eight SCSC enthusiasts who started a slow, treacherous descent led by **Ed Kanyuck** with **Donald Trapp** bringing up the rear. It was later learned **Sarah Bernier** and **Arlene Veach** came down alone -way to go, ladies! When the lifts closed, the group divided into those heading back to Salt Lake via shuttle

G. A. Addicks showing off her "winning" form in the Long John Contest.

and those headed for the lovely Aries restaurant on the mountain. Our meal was superb as **Brent Layton**, **Ray Davis**, **Bob Tyer** and **Donald Trapp** will attest. **Chris Jennings**, who was having boot and foot problems which kept her from skiing, spent the day on a genealogical search which she described later in such glowing terms, those listening wished they had accompanied her.

On to Park City on Sunday where lots of advice and instruction was going around: **Paul Biellman** giving lessons in "extreme skiing" to **Susan Whalen**, **Leona Schroeder**, **Brent Layton** and **Ray Davis** in the Juniper Bowl. Some of **Ed Kanyuck's** instructees found you need to be cautious and stay away from the trees when following his instructions! Speaking of the Juniper Bowl, who were the four, after expertly executing a very difficult run, "went down like dominoes?"

BIG SKY

by Tom Okamoto

It was a typical Houston day, warm and muggy, when 38 SCSCers arrived at Hobby Airport for our departure to Big Sky, Montana. Everyone made it on time, including **Laurie Rivet**, who claimed that the reason she nearly missed the flight was that she had to cope with all the Galveston Mardi Gras traffic. This seemed to make sense until someone remembered that she had come from Galveston **against** the traffic.

Everyone had a good time on the plane trip to Bozeman, especially the toilet crew consisting of **TC Kathy Walsh, Ron Noska, Jeff Warren, Mike Gerstenberger, Blaise Guerrero, Bob Cruse, and Katherine Long**, who became more intimate with each other as they attempted to see how many people could fit into the bathroom at the same time. We all arrived safely in Bozeman; unfortunately, the same could not be said for the luggage, as **TC Kathy Walsh, Ron Noska, Doris Hemsworth, and Karen Buller** had to wait a couple of days for the rest of their bags to catch up to them.

Sunday morning arrived with brilliant sunshine (*which was to continue for the rest of the week*), and everyone was eager to hit the slopes. **Judy Hays** apparently hit them harder than she wanted to, as her ski boots **exploded** while she was skiing down a run called "No Sweat!" The ski patrol had to take her off the mountain in a snowmobile, because only the shell of the boots were left. That evening we were given a complimentary wine and cheese party by our hosts at The Huntley Lodge. At the party **ATC Tom Okamoto** organized a game to

Ginger Howard, Floyd Hanks, Jeff Warren, John Rice, Mike Gerstenberger, Bob Cruse, Tom Okamoto and Blaise Guerrero.

break the ice, during which two observations were made. **Susan Pilat** was the only woman at the party who had brought her "protection," and **DOT John Rice** prefers to wear boxer shorts.

Monday night everyone enjoyed a group dinner at Buck's T-4 down at the base of the mountain. A slight mixup occurred, as there were not enough seats available for the entire group to eat at the same time. That was no problem, however, as **Dan Mauk, Roy Kuchera, Mary Jane Stump**, and others enjoyed a couple of free drinks while they waited. **Gunnar Heyne** and **Tom Okamoto** challenged the local pool shark, while **Katie Krueger, Karen Buller, Karen Rogge** and others learned how to stick a spoon to their noses from **Bob Cruse**. On the way back to the lodge, the snow started falling so thickly that our bus driver could barely see the road.

The next day, many people started early to take advantage of the fresh powder. The runs in the bowl were steep, however, as **Ron Noska** and **Gunnar Heyne** found out the hard way when they fell and ended up sliding incredible distances. **Katherine Long** went ahead and skied the moguls **against** the advice of her triathlon trainer. **ATC Tom Okamoto (Dr. O)**

earned his nickname by escorting **Doris Hemsworth, Judy Weatherall, and Lynne Hester** up into the bowl, while **Jimmy St. Clair** was challenging the expert-only runs off the Challenger chair. That evening, several of us, including **Mike and Pat Jones**, went on a pub crawl that ended up at **M. R. Hummers**, where a large quantity of these famous drinks were consumed.

Wednesday 35 hardy souls traveled to West Yellowstone for what turned out to be an incredible day of snowmobiling. The weather was fantastic and the scenery and wildlife were

VOLUNTEER APPRECIATION PARTY

SUNDAY, JUNE 3, 1990 • 3:00 P.M. - 'Till

Late afternoon, after an interesting round of clothes changing on the bus, we proceeded to the historic section of Park City, a quaint little town for shopping, browsing and dining. The Claim Jumper Restaurant was the choice where, along with eating dinner, a lively 20 questions session ensued led by Susan Whalen with some comments that perked up the ears of our youngest participant, **Byron Buck** (*we considered carding him to allow him to drink on the bus*). Someone needs to tell Brent Layton that when a tourist comes up to him in Park City and asks, "Where's the Alamo?" the correct answer is **not** San Antonio, Texas! Then there was the art gallery owner who was so happy to see SCSC leave his shop that he locked the door behind

us so we couldn't come back. Farrold Belote, Roz Clayton, Sharon Inman and Keith Huber headed back to Deer Valley for dinner at a unique little restaurant called Mariposa. A quieter and gentler bunch enjoyed a nitecap of Bailey's Irish Creme on our trip back to the hotel.

Reported Observations: Byron Buck's hot pink sweater was a real hit; Ed Kanyuck won Face Plant for a trip at Snowbird (*how deep was the snow, Ed?*); Susan Whalen needs to wear a WARNING button on the first day of a trip to alert the guys under 30; Scott Keller's net undershirt seems to give him skiing confidence; Donald Trapp - do you ever fall?

NEWS FROM THE SKI DESK

by Craig Tharpe

Well...it's that time of year again. Your VP-Trips is busily planning next year's ski schedule. Some of the destinations under consideration for the 1990-91 ski season are: **Jackson Hole, Vail, Snowmass/Aspen, Park City, Taos and Sun Valley.** At this time, however, we are still in the preliminary stages and, of course, all trip schedules are subject to review and approval by the executive committee. However, it would **really** help me if you would fill out the Trip Survey in this issue of the *Sitzmarke* and leave it at the membership table at the May meeting.

In the January issue of the *Sitzmarke*, it was reported that a committee had been formed (Cheryl Clements, Jerry Montgomery, John Rice, Dick Bryant, Ray Naudain, Gloria Rooney and Debbi Chrissinger) to look into possible new trip sign-up policies. The policies were presented to, and approved by, the 1989-90 Executive Committee.

1. The official trip schedule will be in the June *Sitzmarke*.

2. Beginning July 1, deposits will be accepted by mail on a first come, first serve basis.

3. Deposits will not be accepted unless membership is renewed (so join early!!)

4. The deposit structure will not change - \$100 for all domestic trips and \$300 for international trips.

Please check your June *Sitzmarke* for more details.

I'm looking forward to an exciting 1990-91 SCSC ski season!!!!

HEAVENLY VALLEY I & IV

by Debbie Bergeron and Peggy Donley

With weather reports forewarning of 70 MPH winds and blizzard conditions, 38 Heavenly I participants boarded their flight for scenic South Lake Tahoe. After noticing duct tape on the wing of the plane, **Tom Hogle** managed to drive the flight attendant to give him "The Finger" after he and **Renee White** were frequently reprimanded for various offenses, the worst of which was NOT BEING IN THEIR SEATS for takeoff!

If you ever need snow, ask **Ted Bergeron** to conduct a race clinic --Monday's was the second he gave this ski season and the second that was "snowed out." The evening brought suspense and excitement as **Craig Tharpe** anxiously awaited the call from Houston giving the final results of the VP of Trips election -- "Victory by a

rest of the week. Always a trooper, **Craig** insisted she was fine, but **Ted** and **Debbie Bergeron** and **Diana Mills** followed along to the medical clinic --that is, until they ran into TSC V-P **James Mershon** and "Ski Magazine" writer **Dana Gatlin**, who were looking for TSC members in bright colors for an action photo shoot. Well, guess who happened to be in neon and electric pink? -- so along with **Helen Zuliani** in bright red, look for some familiar faces in October 1990's "Ski Magazine"! The Tahoe Queen return trip was every bit the wild event it had promised to be with two great bands, dancing and partying! **TC Peggy Donley** could be found doing "The Wild Thing" with President **Jerry Montgomery** on the downstairs dance floor, and be sure to ask **Lucy Fred** when she finally discovered her shoes on the wrong feet!

"A SLOW BOAT TO CHINA" --WOULD YOU BELIEVE "A SLOW BOAT TO SQUAW?": 450 wild and crazy Texans boarded the Tahoe Queen paddlewheeler across Lake Tahoe to Squaw Valley, where we experienced incredible views and skiing conditions. **Laurie Rivet** and **Martha Lewis** had such a great time, they didn't want to leave! It was not **Craig Tharpe's** day, however -- she suffered a serious knee injury that laid her up the

Jet skiers **Chris James** and **Sue Landis** had to be coaxed into racing NASTAR, then "Smooth Sue" came away with the fastest female award in her division! "Ms. Congeniality," **Linda Licarione**, also took top honors. There was a MOOSE loose on the course in the form of **Manuel Valle**, complete with antlers and head-to-toe fur! **Buddy Soland** captured our only Gold

These were fantastic accomplishments considering the difficulty of this particular course! Accolades and Kudos to Race Director **Ted Bergeron** for all his hard work and efforts! Another great TSC party that night at **TURTLE'S CLUB** had Whip Dancers and Dirty Dancers dancing the night away. After watching **Pete Thorpe** "Whipping," **Stuart Traver** wanted lessons on the spot!

A STUDY OF HEAVENLY II

by Anita C. Yeomans

Investigator:

Anita C. Yeomans and SCSC

Abstract:

This study was undertaken to determine if 40 SCSC skiers could tempt the notorious Eyes of March and emerge with a fun-filled week in Lake Tahoe.

Introduction:

The week of March 10-17, 1990 was spent in one of the world's most popular ski destinations, Lake Tahoe. Angels **Donna Repka** (TC) and **Anita Yeomans** (ATC) led the group to Heavenly Valley.

Methods:

Activities were varied: skiing, gambling, dancing (*clean and dirty*), dining, site seeing, "boating," racing and much more. Resorts skied were Heavenly, Squaw Valley, Alpine Meadows, Northstar and Kirkwood.

Background:

On March 10, 1990 SCSCers met at Hobby Airport destined for a "heavenly place." **Ken Moredock's** tradition of being the last one to show was broken when **Joan Istre** was the latest. **Michael** and **Brenda Boland** from Austin sure know how to influence people. Their seats were upgraded to first class! The group arrived in Sacramento safely and on time thanks to Continental Airlines. Heavenly bound skiers' schedule was dramatically altered since we were stuck on the Donner Pass for more than 5 hours in a storm. All in all, the group remained quite congenial despite the delay. **Bill Landfield** kept himself and others occupied by studying and tutoring blackjack strategy. **Cheryl Mozrecky** collected money for the "bus roulette;" however, the game was sabotaged by the snow. It was then decided the winning number would be determined by the odometer and **Stephen Peters** won the \$40 jackpot.

After 6 hours on the bus, the group of tired skiers arrived at Harveys Resort Hotel. There was quite a commotion at the registration desk. Due to the weather conditions, many of the hotel occupants were trapped in Lake

Marti Toomer, Petra Luchese, Michele Permutt, Kay Vogel, Capt. Tom Danowski, Alex Tompski, T.C. Donna Repka, Dick Bryant, Tom Hogle, Craig Sears, Sharon Seelig, Ren and Frank Stanley.

Tahoe. As a result room arrangements were not quite what we expected. Specifics will be left out since this information is a separate confidential study.

Results and Discussion:

On Sunday the snowgods provided abundant snow, but for many, too much wind. **Cheryl Clements** was seen leaving the mountain early that day so you know that some felt this may have been an excuse to get back to the casinos.

On Monday some of the group skied at the local favorite, Alpine Meadows. **Louise Campodonico**, **Bob Job**, **Judy Price** and **Jim Ponder** were almost buried in the wonderful powder. The majority of the group stayed at Heavenly for the race clinics. **Sharon Seelig** was determined to go for

the Gold during a practice run and almost made it until a snow monster snatched her down.

Tuesday was a glorious day. The day commenced with the group boarding the Tahoe Queen with other TSC clubs destined for the North Shore. Those who went to the Northstar were treated royally at a special reception for TSC. At Squaw Valley, Captain **Tom Danowsky** was seen with his combat troop consisting of **Donna Repka**, **Craig Sears**, **Cheryl Mokrzecky**, **Marti Toomer**, **Alek Tempski**, **Michele Permutt**, **Kay Vogel**, **Clifford Howard**, **Sharon Seelig**, **Petra Luchesa**, **Eugene Walker** and some participants from Heavenly I (Fig. 1). The "PACK" were quite a bunch, displaying courageous behavior during some difficult high altitude maneuvers, especially the dangerous rescue of **Eugene Walker** from the upper reaches of the Siberia Bowl. The Tahoe Queen trip home was enjoyed by all. **Nolan Badeaux** was seen "rockin and rollin" with almost every woman on the trip.

On Wednesday, the group went to Kirkwood along with other members of TSC. **Jeff Linden** received a score of 8.0 for his presentation of "the classic face plant" in the powder under lift #2. The judges were the lift riders who found his spill quite entertaining. **Poor Reed Brooks**, another determined

Laurie and Jeff Linden after the races.

HEAVENLY VALLEY III

by Connie Nielsen

When the thirty-six of us finally boarded the bus from Harvey's back door on Saturday, March 17 for our ride back to the Sacramento airport, we scarcely had the energy to complain much about the confusion with luggage that almost went to the wrong airport on the bus with the group from Los Amigos. We had five injuries, a soulful request from a North Carolina couple to join us on the Tahoe Queen, as well as a membership request from both people on the plane and in the hotel lobby. Congrats to **Jenny Koudelka** for not falling once all week!

We got off to a great start on Saturday, March 10 with Heavenly II from Hobby Airport - no one was even close to being late and no luggage was lost. **Chris Jalowsky**, who had moved to Minnesota, joined us at the Denver Airport. The planned 2½ hour bus trip turned into five hours due to weather, an accident, snow chains, and a couple of women who knocked on the bus door to use the "convenience." We learned as we crawled in traffic that new members **Vicky** and **Tom McLaughlin** and **Sharon** and **Merrel Smith** were both celebrating their wedding anniversaries. Seems that Sharon and Merrel went on Vicky and Tom's Honeymoon, too. Getting into the casino spirit, **Mark Picard** won the "Bag o' Bucks."

Due to the weather, some of our rooms were still occupied, so the hotel gave some of our group temporary rooms. **Larry Zarker** and **James Richter** didn't complain about their two-bedroom, two-bathroom suite and got to keep it all week! That was just the beginning of good luck for Larry, who won an \$800 jackpot later on. **Ivis Westheimer** was able to have a reunion with her son who drove over from San Francisco. Ask her about the free limo to Alpine Meadows on the north shore that she shared with **Allison Lenz** and **Helen Zuliani** (*Heavenly I*) Thursday.

On Sunday morning, we started off with a group breakfast with Heavenly II at Heavenly's California base lodge. Most of those who skied

The famous 3rd deck of the Tahoe Queen.

that day reported snow flurries and visibility problems enabling them to ski only half the day. The day ended with the TSC Welcome party free beer, wine, munchies and a great band from Texas.

On Monday, **Susan Krosky**, **Glenn Von Gonten**, **Larry Zarker**, **Barb Ehrlich**, **Jacqueline Dey**, **Barbara Dovidas**, **Mark Picard**, and **Dee Schoppe** skied Alpine Meadows. Back at Heavenly, **Connie** and **Bob Nielsen** took a guided mountain tour with a group from Atlanta as the TSC tour took off without them. It proved to be an excellent way to get acquainted with the mountain - literally. Connie came down on a sled just as the weather was getting bad to have the first known boo boo of the trip.

The Tahoe Queen buses picked us up at (*yawn*) 7:00 A.M. for an unforgettable breakfast cruise across the lake. **Julia Fleming**, **Dee Schoppe**, **Nelson Turner**, **Karen Kassouf**, and **Bob** and **Connie Nielsen** boarded buses for Northstar where they gave us the VIP treatment: a guided mountain tour, complementary Nastar Race

where **Nelson Turner** won a silver medal! and a wine and cheese party before heading back on the bus. **Allison Lenz** went to Alpine Meadows while the rest of our group went to the fabled Squaw Valley where the ski conditions were so fabulous that several from all three groups attempted to return on Friday, despite the travel time. **Vicky McLaughlin**, looking a little "flushed," was later seen asking for donations of pictures from Squaw Valley. We are too discreet here to say what happened to her camera (*and film*).

The return trip on the Tahoe Queen was especially enjoyed by **Diana Carter**, **Elaine Bohot**, **Jenny Koudelka** and **Ann Ott** because of a male dancer (*stripper*) from Beaumont - the same one who went on to win the dirty dance contest.

TSC had us up early again the next day for the 1½ hour bus ride to Kirkwood, and it was worth it! **Larry Zarker** "skied the wall" and lived to tell about it. Upon our return to the hotel, we were whisked away to the Emerald Bay Room for a Group

Happy Hour, where we picked up racing bibs and otherwise just relaxed with Heavenly I, II and IV.

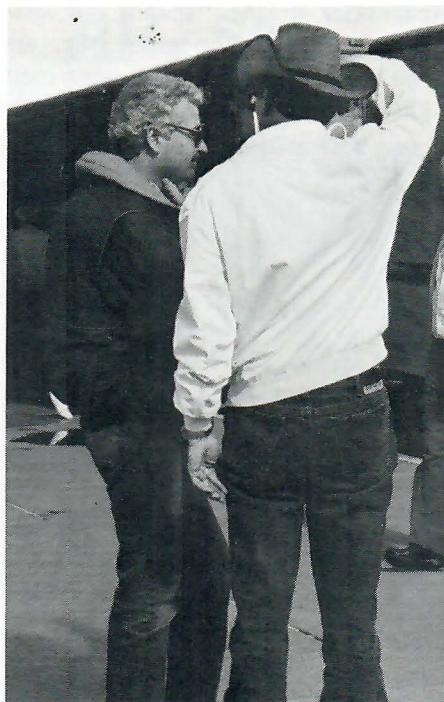

On Thursday, these valiant Nastar racers did their part to help win THE CUP: Ann Ott, Sharon and Merrel Smith (*who skied with a broken thumb*), **Corky Ament**, Vicky and Tom McLaughlin, Nelson Turner, **Ron Flowers**, Chris Jalowsky, **Doug Nordhous**, **Mike Rothermund**, Connie and Bob Nielsen, Jacqueline Dey, Barbara Ehrlich, Barb Dovidas, Mark Picard, Dee Schoppe, Larry Zarker, Julia Fleming, **Ann Harvey**, and **Joyce Ryan**. After the race, Barb Dovidas had to ski "one more time" and broke both bones in her wrist. Kudos to: Nelson Turner who won a Silver Medal and almost competed in the individual races (*he refuses to say how he hurt his shoulder*), Ron Flowers, Chris Jalowsky, Doug Nordhous, Mike Rothermund all earned Bronze medals.

Corky bid our \$3500 in Lucky Bucks to buy: two pairs of SOCKS at the TSC apres' ski party later that day. What a guy! Later, on the bus, Sharon Smith and Larry Zarker were their lucky winners.

Somehow, we squeezed in a group dinner at the hotel before being bussed to Turtles where the TSC Casino night party was moved. The big surprise was: Turtles is not a Casino! No matter. The band was great and Julia Fleming danced the night away -again.

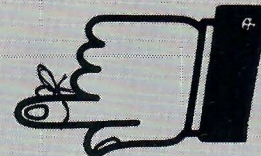

SOME people couldn't get out of bed to ski on Friday morning (*I can't imagine why*), but most made it to the TSC barbecue. Merrel Smith and Barb Dovidas sat together with their arms in slings trying to figure out how to help each other. No one wanted to miss the Final Awards Party and Dirty Dance contest Friday night where TWO SCSC couples made the finals.

Most of us really enjoyed the diversity of the Lake Tahoe Area and Heavenly Valley's warm hospitality, enough to go again. Diana Carter especially didn't want to come home. **Jimmy Byars** had only one parting comment: Skiing is like marriage; all fun and games at first, but sooner or later, you're gonna get hurt.

that Charles Goodrich jumped off Roundabout (the run or the lift?)--where is Warren Miller when you need him? Sally Hintz almost suffered a heart attack after finding out husband Keith Huber had been run over by a kamikaze skier who left a strategically located rip in his ski pants! That evening, the **Final Awards Party** brought great news when SCSC took **2nd Place** in our division for Heavenly and **1st Place** overall for the 1989-90 Texas Ski Cup! In the **Dirty Dance Contest**, **Richard Hall (H-IV)** and **Jan Eifert (H-II)** took 4th Place, and **Llona Wicks (H-I)** and **John Cook (H-II)** took a sultry 2nd!

"BLARNEY ON THE SLOPES"

Lime Green Wigs, Green Shamrocks, Streamers, and Neon Zinc Oxide were the order of St. Patrick's Day! Among the entertaining costumes were **Susan Whalen** and **Frank Stanley** in matching green derbys and bowties, **Penny Chancey** complete with full-sized Irish flag, **Sue Salvage** in total green, **Tom Hogle's** green cowboy hat bigger than the State of Texas itself, **Nancy** and **Jeff Sarff** with flashing St. Patrick's Day buttons, and you'll have to ask **Gayla Cawood** where **Kirby Contat's** Shamrock was hidden! We heard that **Manuel Valle** and **Dona Stanley** had great outfits, but they never caught up with the group to prove it! Who was

that skier in the "Irish Coon-Ass" sweatshirt and neon green wig, and who would have dared to wear pants that boasted "Kiss My Shamrocks"?

Lunch on the Sky Meadows Deck was a real hoot - those who weren't wearing green, neon, or wigs ended up with Neon Green and Pink Zinc Oxide on their faces, courtesy of Shamrock-Antennaed Chris James! **Sharon Griffin** then gave **Gary Sequeira** a great neon clown face, and **Sara Ostner** had **Buddy Soland** looking like an Indian with neon warpaint! Even **Tania Andrasko** and **Jon Hawkins** got in on the act!! **Jo** and **Becky Thomas**, with their high fashion wardrobes (*jungle prints, fur hats and Bogner skisuits*) succeeded in avoiding this particular event.

Ted Bergeron coaches Linda Licarione during Blizzard Race Clinic!

"**CHAMPAGNE CABARET REVUE**": **Walt** and **Jean Lashley** joined the group for our last night in Tahoe where we were entertained with **Harvey's** fastpaced and flashy Cabaret Revue, "Champagne." **Debbie** literally dragged **Ted** from his sick bed to attend the late show, and along with "Dr.Chrissie's" flu potion, the "energy" of it must have helped because he was on the road to recovery the next day. (*Or could it have been those feather boas?*)

"**CASINO TALES**": Rumor has it that: **Dennis Bentley** endured a marathon 11-hour poker game; **Pete Thorpe** put her last dollar in a slot machine and won \$120; and **Frank Stanley** made a casual drop of two quarters in a slot machine on his way to

the Seafood Grotto restaurant and hit the jackpot! By the way, **Bob Porter**, what was that you said you were doing with **Joyce Margace** in the Casino Saturday night?

"**A ZILLION THANKS**" FROM **PEGGY AND DEBBIE TO SO MANY** - our TSC sponsors, as well as **Sun & Ski, Sports Express, Sporthaus Lindner, Sportstown, J. Rich, Laff Stop, Spellbinder's, Spectrum Theatre, Stages, and Punchline Comedy Club** to **Tom Hogle** for the "oxygen masks" - to **Heavenly II TC Donna Repka** who retrieved and delivered our lift tickets when late arrival caused us to miss the Welcome Party - to **Ted** and **Co-Race Directors Craig Sears (H-II) and Ron Flowers (H-III)** - to **Jerry Montgomery** for the "goodybags" and for the catch phrase of the week, "**Booga-Booga!**" -to **Ron and Roberta Rambin** for hosting our fantastic Post-Trip Party -and to all our old and new friends, particularly those who pitched in to help--you all made this trip "**The Ultimate Experience!!!**"

Lockhorns

SCSCer was sniped by the snow monster during a race practice session. Reed really had a BAD fall sending him back to Houston.

We did have some radical skiers. Robert Todd, Clifford Howard, et al did not know whether to trust Pete Steck's leadership on the slopes and they learned to be careful of trusting someone who looks down on a slope that you can't see and says "looks good." Courageous Craig Campbell refused to take the tram down to the bottom of Heavenly and went down Gunbarrel on "the face" or should we say, his face. Some people thought David Stotz was having a yard sale during a really bad fall displaying his poles, skies and sunglasses on the snow. Stephen Peters taught his wife Jana and Cindy and Robert Goen some "cool talk" he learned from some boardheads - they were heard saying terms like "catching air," "having totally rad wipeouts" and "really gnarley runs, ma."

On Thursday Craig Sears, race director, led the group in a very organized fashion. Laurie Linden was commended for being the only two-some to go down the race course. She is expecting her first in August. SCSC did not win Division 1 races at Heavenly, but we did win the Texas Cup for the year! See Table 1 for race results.

In terms of gambling we had some winners and a lot of losers. See Table 2 for the lucky ones. Jim Garrison was a big winner in the rental car circuit. He reserved and paid for a Mustang and

Judy Price and Jim Ponder on the Tahoe Queen

instead was given a new 1990 Lincoln town car. John Steinle was the winner of "Tahoe trivia," but we could not give him all the prizes.

Two members of our group were finalists in the TSC Dirty Dance Contest. We could not determine if John Cook and his partner were rated R or X. Jan Eifert claimed "that was my evil twin" moving all body parts to the music.

Bob Job and Louise Campondonico needed another vacation at the end of the week.

Conclusion:

Everyone had a grand time! Lake Tahoe was inspiring in many ways (e.g. Fig. 2). Some needed to be reenergized from all the activities at the end of the week (Fig. 3).

spectacular! Katie Krueger and Laurie Rivet, however, had a tense confrontation with an angry mother bison as they stopped to photograph its calf. Later on, Katie drove off without Laurie on the back and didn't notice until she stopped to take a picture! Most everyone stopped for lunch and to see Old Faithful, which is still inspiring after all these years. **Paul Wuenstel** and **Dennis Grote** were having a good time until their poor snowmobile obviously felt the heavy load and blew its transmission. Luckily, this happened right at the end of the day. Upon our return, many people used the hot tub to soothe their sore muscles.

Thursday was a day for relaxation, although **Rainer Kern** "did it" for the first time - he went down a blue run. Several people had dinner at Scissorbill's, a local restaurant. **Ginger Howard** and **Floyd Hanks** were seen downing what was rumored to be one of many mud pies that week. And the resident guitarist, **Jim Gordon**, was seen seducing the massage queen in the hotel lobby. Come to think of it, Jim

didn't seem to do much skiing during the trip.

Mike Gerstenberger was in charge of a scavenger hunt held Friday afternoon. The winning team of John Rice, Jeff Warren, Bob Cruse and Blaise Guerrero came in just ahead of Ginger Howard and Floyd Hanks. Katherine Long and **Mike Brown** led their group up the first chairlift two times, and still didn't finish! **Judy Stringer** and **Floyd Hanks** were among those who attended the Mardi Gras party that evening, and came away with prizes for having the best male and female costumes. Doris Hemsworth enjoyed being wrapped up in toilet paper like a mummy, but feeling strange men's buns while blindfolded was obviously more fun. Several people including **Bill** and **Susan Pilat**, **Dennis Grote**, and **Karen Rogge** engaged in telling jokes, but found the audience to be tough.

Saturday morning brought the first snow since Monday, and **Horst Manhard**, **Klaus Pratschker**, and **Judy Hays** took advantage to get in some last minute skiing. The return trip was uneventful, with everyone and their luggage arriving safely.

APPLICATION FOR MEMBERSHIP AND RELEASE OF LIABILITY

By applying for membership in SPACE CITY SKI CLUB, INC. ("Club"), I hereby certify that I have read, that I understand, and that I agree to abide by all the Standing Rules of the Club. I understand that payments made for ski trips and other Club activities may not be refundable in whole or in part and that all payments will be handled in accordance with the applicable provisions of the Standing Rules as may be supplemented by decisions of the Executive Committee of the Club. More particularly, I have read the portions of the Standing Rules set forth below and I agree that should I elect to participate in a ski trip or in any other Club activity, all payments made by me shall be subject to said Standing Rules.

APPLICABLE STANDING RULES OF SPACE CITY SKI CLUB, INC.

5.0 TRIP PENALTIES

- 5.1 If a trip participant withdraws from a trip after the specified final payment date, the trip participant will lose his entire payment unless he or she can be replaced from the waiting list, or the Trip Coordinator is able to recover some or all of the participant's costs by cancellation of lodging, transportation, and/or other commitments. The trip participant will be entitled to the entire amount recovered by replacement or cancellation of arrangements less the cancellation fee stipulated in section 5.2 of these Standing Rules and any extra expenses incurred by the Club in cancelling any of the previously made arrangements. The trip's showing a profit or loss will not be a factor in determining the exact refund due. Also, if the Trip Coordinator failed to exercise a reasonable effort in cancelling accommodations or finding a replacement, the Executive Committee will award the refund, less the cancellation fee.

5.2 CANCELLATION FEES.

- A. A participant may forfeit his full deposit if he fails to notify the Club in writing of his intent to withdraw prior to the published final payment dates. A minimum charge of \$10 will be assessed for each trip cancellation, and such charges will be increased by \$5 per month for each additional calendar month or portion thereof the participant's reservation is held prior to cancellation. Cancellation fee, however, may not exceed the amount of the trip deposit.
- B. A participant cancelling from more than one trip shall be charged \$25 in addition to the calculated cancellation fee for each cancellation subsequent to the first cancellation.

5.3 A charge of \$5.00 will be assessed for each trip transfer.

- 5.4 I, _____, trip leader and coordinator, agree to hold the Club harmless for any damages or expenses incurred by the Club, its officers, directors, and agents, in connection with the trip, including but not limited to, the trip release as well as in all trip publicity; in no case shall these requirements be less than those provided in section 5.2 and 5.3 of these Standing Rules.

7.0 RESTRICTIONS

- 7.1 Allowing non-trip participants to occupy any room as a non-registered guest is strictly prohibited, and in violation of Club policy and subjects the member to disciplinary action.
- 7.2 The illegal use of controlled substances during Club trips, or on any other official Club function, is in violation of Club policy and is strictly prohibited.
- 7.3 No substitutions of trip participants shall be allowed without the knowledge and approval of the Trip Coordinator, and new additions to the trip shall come from that trip's Waiting List. The Trip Coordinator shall make all substitutions.

8.0 MISCELLANEOUS

- 8.1 TRIP SIGN-UP. No member shall be allowed to sign up for any ski trip prior to the September regular meeting.
- 8.2 WEATHER. If a trip should be "weathered-in" the additional lodging expense will be left up to the individual, although the Trip Coordinator will assist in making accommodation arrangements, and collection from sale shall be left up to the lodge.
- 8.3 NON-SKI TRIPS/ACTIVITIES. Reservations for participation in such activities may require full payment, instead of a deposit fee.

I hereby appoint the Club, its officers, and agents, as my agent to perform all acts and to enter into any and all contracts as may be deemed desirable in connection with any ski trip or other Club activity. I understand that the Club acts only as coordinator and accepts no responsibility for the services of any person, ski area, airline, motor coach, hotel or any organization whatsoever rendering any of the services or accommodations being offered on any trip. Ski trip and other activity fees are based upon current tariffs and are subject to change without notice. The Club accepts no responsibility in whole or in part for any delays, delayed departure or arrival, missed plane or other carrier connections, loss, damage or injury to person or property, mechanical defect or failure of any nature howsoever caused, or for any substitution of hotels or of common carrier, with or without notice, or for any additional expenses occasioned thereby. I fully understand that the Club is a voluntary association run by volunteers who have no special training in conducting ski trips or other activities. By participating, I do not rely on the expertise of any director, officer, activity coordinator or the agents of any of the foregoing. I agree that I am solely responsible for my personal safety and conduct and for meeting all payment deadlines. Should I miss a departure, I understand that I may not be able to recover any part of my trip or activity payment. I agree to indemnify and hold harmless the Club, its directors, officers, and agents or contractors from any loss, cost or expense incurred by or attributable in any way to me in connection with any ski trip or other activity. I agree to abide by the Bylaws, rules and regulations of the Club and the rulings of Trip and Activity Coordinators in connection with any ski trip or other activity.
