SCSC Wins 2nd Place TEXAS SKI WEEK '88 WINTER PARK

HEAD OF THE LIFTLINE

by Bill Kirk

The eight scheduled ski trips to the different ski areas have come back with good reports. Two early trips could have used a little more snow but, as die hard SCSC skiers, you made the best of the conditions and still had a good time. Believe me, if the Trip Coordinators had the power to order more snow from the "Great Snow Queen," you would have been skiing in snow up to your neck. The remaining six trips may have some last minute cancellations, so check with the TC.

The Texas Ski Week was a great week of activities at Winter Park. I sure enjoyed all of the activities. SCSC was very visible with their blinking visor hats. At the time of this article, I did not have the breakdown on all the medal winners; watch for an update in the March *Sitzmarke*.

The Nominating Committee has completed its work. You will find their proposed slate of officer candidates for 1988-89; see names and report in this *Sitzmarke*. The slate of officers will be formally presented at the February meeting and nominations from the floor will be in order. If anyone plans to nominate someone, please have his/her prior consent. Written ballots will be used in voting at the March Annual meeting, unless there is only one candidate for each office. The elected officers will take office on May 1st. I want to thank the nominating committee for performing a necessary yet difficult job, Chairman **Ron Smith**, **Blaise Guerrero**, **Dick Howard**, **Tania Andrasko**, **Glynna Addicks**, **Jan Livingston** and **Pete Meaden**.

Due to a conflict, Rodeo night will be February 28th, a matinee performance to see Kenny Rogers. Be sure to get signed up at the February meeting; we are limited to only 50 tickets. Go early and go to the Live Stock Show

and Exhibits.

The 1987-88 Directory is out. If, for some reason, you did not receive yours, check with VP Membership, **Joe Murphy**. You may have moved and forgot to notify the VP of Membership. Please fill out address or phone number change form found in the October *Sitzmarke*. An updated insert will be produced in March.

The response from the membership to run activities has been great! The Spring season is just around the corner. So, if you would like to run an activity, check with **Jerry Montgomery**, VP Programs. Get it scheduled on the club calendar and advertised in an article in *Sitzmarke* to allow response time from membership.

Again, everybody **THINK SNOW** for the remaining ski trips.

HAPPY HOUR

February 18

HOUSTON RODEO

February 28

We arrived at the airport in the late afternoon of November 24 and were greeted at group check-in with **Kim Page** handing out our name tags. Thanks to Continental, check-in went very smoothly and we were off to celebrate Thanksgiving at Copper Mountain. Forty-two happy skiers departed at 5:30 with TC **Kevin Hill**, and the other twenty skiers, led by ATC **Debbi Chrissinger**, made it to their 6:30 flight, even though the departure time changed twice.

After the flight arrived we noticed **Craig Campbell** and **Jack Coblenz** searching for their baggage while **Roger McKillip** and **Bill Owens** helped find our bus.

Colorado Charters provided excellent transportation for the first group including a few surprises. The first surprise was a hotly contested treasure hunt which was officially won by the team of **Jerry Montgomery**, **Peggy Donley**, **Terry Wander** and **Tim Berrong**. There was a minor protest by the second place team of **Kim Page**, **Lorrie Inkles**, **Andy Johns** and **Corky Ament** to official judge, **Terry Anderson**, something about the definition of an unsharpened new pencil and a pocket comb, but it was overruled. **Loren Gullede** won the second surprise which was a game of "tire roulette" a la Colorado Charters. This was not contested, however, **Cindy Gates** did hint that Loren should share the prize. There was a quick stop at Applejacks for ice and a quick vote by almost everyone, including **Phil Nelson** and **Scott Peterson** for additional liquid refreshments.

The second flight arrived without a hitch. The later bus ride was more relaxing. **Liz Stansfeld**, **Don Wiedman** and **Elaine Olesen** were just happy to

find their luggage and most people took this time as an opportunity to nap.

Wednesday morning 62 skiers arrived at the ATC's condo for the pancakes made by our own "Pancake Man," **Glen Bishop**. We had scrambled eggs, taquitos, sausage, smokey links, biscuits and gravy, bagels, orange juice, hot cocoa, milk and coffee. Everyone enjoyed the breakfast and **Georgana Repal** wanted to know if this was going to be a daily affair!

On Wednesday evening **Donna Kidwell** and **Frank Mangum** invited **Sara Green** and **Calvin Doody** to the hot tub and then became preoccupied and did not show. However, the hot tub party, complete with hot cocoa, peppermint schnapps, beer and wine was enjoyed by all. **Jeri Rotenberg** led the group to cram twenty-nine people into a five foot diameter hot tub. We were all entertained by the skillful joke telling of **Woody Schiflett** and **Justin McCarthy**. **Tim Berrong** showed up at a private hot tub party with his camera,

not to enter the tub, but to photograph all who were there.

Thursday, Thanksgiving Day, started with an "On the Mountain Treasure Hunt" sponsored by TSC and won by our own **Jerry Montgomery**, **Bob Wilbanks**, **Terry Wander**, **Ann Batten**, **Glenn Bishop** and **Woody Shiflett**. The poker run was also going on during the day and we all managed to obtain enough deuces to win in that division. Later that evening everyone enjoyed a Thanksgiving Dinner and Dance sponsored by The Texas Ski Council. At the party, **Ann Harvey** kept stating she was having a great time with "no problems" and **Joyce Ryan** gained a new appreciation for her faculty at her school after hearing horror stories told by ex-teachers.

Nelson Turner and **Marlene Vail** were really into the spirit of Thanksgiving. They came to the party as a pilgrim and Pocahontas. Nelson got to be the pilgrim this trip.

On Friday, **Terry Wander**, our

trip race director, and Ann Bertolet, our club race director, did an outstanding job getting over 80% of us to race. We ended up with a second place trophy and eleven medals. John Cook won our only Gold. Silver medals were won by Ed Cain, Bob Marwin, Ann Bertolet, Tom Wright and Nelson Turner, and Bronze metals were won by Calvin Doody, Bud Soland, Ron Honefenger, Alex Potter and Bob Darrow (our newest member from Seattle, WA).

We also did well on the individual races held on Saturday as Marlene Vail won 2nd in the senior women's division, Ann Bertolet won 2nd in the women's division and George Hirasaki placed 1st in the men's division. Both Terry and Ann want to THANK all

who raced for the club, especially those who raced the very first time.

On Saturday evening we went to the awards party, and then left bright and early Sunday morning with MEMORIES ...

...of watching the "love bugs," Donna Kidwell and Frank Mangum.

...of Easy Thayer and Terry Cummings spending four nights on the floor after one night in their very soft bed in the loft ...and spending an exciting evening eating doritos, drinking coke and watching Ghandi.

...of Bob Frazier crashing and burning on a "green" run and cutting his nose with his ski, and Melissa Frazier deciding to take it easy Saturday morning and sleeping well after 11:00 A.M. (Sympathy pains in reverse.)

...of Scott Peterson, "hot dog skier," dislocating his shoulder after kissing the snow during a fall while skiing with Tom Wright, and then Corky Ament punching himself in the nose during a fall.

ARE YOU ON A WAIT LIST?

by Pam Holder

We are well into the ski season now and 308 of you have participated on SCSC trips so far (*and that doesn't include those of you who showed up under your own steam when we ran out of room on the trip that you wanted*).

This year is no exception to bygone years -- we are still experiencing a number of last minute cancellations and TCs are going down their wait lists. One Winter Park TC had twenty-seven people on the wait list and had to go through the entire list to fill last minute cancellations.

So, if you are still interested in going on a trip (*we plan to take another 256 SCSCers*), call the TC or ATC of the trip that you want to go on and put your name on the wait list. The wait list requires **NO MONEY DOWN**. Just have your money ready and be ready to go at the drop of a hat. You could be called the night before the trip is due to go (*it happened on Winter Park*). Here are the telephone numbers you need to call:

Keystone	TC Woody Shiflett	568-1436
Breckenridge	TC Ginger Howard	772-2196
Banff I	TC Cindy Chandler	782-9055
Banff II	TC Lynn Eaton	995-4710
Banff III	TC Floyd Hanks	485-6135
Purgatory	TC Beth Nolen	468-4268

P.S. The photo this month is **Pam Holder** and **Ray Naudain** at Vail over Thanksgiving. Copper Mountain TC **Kevin Hill** and ATC **Debbie Chrissinger** haven't forgiven us yet for not trekking over to Copper for the Texas Ski Cup Race. Sorry guys -- but look at those happy faces!!

thrilled on completing her first NASTAR without falling or choking on her third try. She didn't even butt ski the entire trip.

...of **Gail Quenneville** trying to get a big mountain bear to wear a little "teddy suit," but the bear ran away into the wilderness.

...of **Lucky Nelson Turner** and **Loren Gullledge** ending up with three female roommates!!! (And never complaining.)

...of **Nancy Hoover** never quitting. She was a diehard skier.

...of **Christie Burke** story of sleeping on the couch. After climbing 56 steps to her lodging, she refused to climb the remaining 13 stairs to the loft.

...of **Ann Batten** and **Glenn Bishop** being surprised by **Bob Wilbanks** at the pizza party with a "special shower gift"...one that will be passed on to a deserving SCSC member in the future.

...of **Pam Abraham** losing her glove while riding up the chair lift the first day out. (It took the ski patrol until the next day to retrieve it.)

...of **Bonnie** and **Marty Ambrose**, **Ed Cain**, **Alan Simpson**, **Dennis Bentley** and **Pam Abraham** balancing on tables while standing sideways, to put up the SCSC banner for ALL to see.

...of **Terry Anderson** and **Carolyn Wills** skiing so much that we did not see them until Saturday night. (They both took advantage of the free shuttle to Keystone and Breckenridge.)

...of **Terry McGuinness** enjoying his first ski trip with the club and skiing like a pro in his first NASTAR.

...of **Christine Milla** meeting one of her college roommates at the slopes.

...of **Anita Yeomans** looking as though she stepped out of *Ski Magazine* every day, providing us with exceptional ski fashions each day.

...of **Teddie Melhart** skiing daily but seldom being seen skiing with **Tom Wright**.

...of **Bill Armstrong** and **Dick Anderson** making the "supreme sacrifice" to move to a different condo and ending up with two single females as suitemates.

...of seeing **Jane Dunbar** and **David Healy** planning their next ski trip later that afternoon at *Chili's* in Houston.

...and of **Donna Keily**, whom we will all miss, since she was recently transferred to Oklahoma City.

A special thank you to **Miller Lite** for sponsoring all the free beer to drink at the TSC happy hours, and to **Oshman's** for their co-sponsoring of the event. Also, a big thanks to **The Victorian Condominiums** for giving a door prize for a weekend in Galveston. We wish to thank **Sun & Ski Sports** (formerly *Tennis & Ski Warehouse*) for their use of facilities, beer, wine and appetizer trays for our pre-trip party, complete with an array of quality door prizes. And to all the trip participants and members who joined us and contributed to make this another memorable and enjoyable SCSC vacation, we express our appreciation.
