## head of the lift line

by Jim Benefield

As expected, there was a high return of membership renewals in May, which indicates our membership limit will again be reached. August 1st is the deadline; **NO** renewals will be accepted after that date. The first applications accepted thereafter are from the waiting list, which now is well over 200. I hope no one neglects to renew and gets left out.

Be sure and mark your calendar for the **Summer Bash**; it again looms as a memorable affair. Please make your reservations so a reasonable guess of attendance can be made. As with all non-skiing activities, guests are welcome. It presents an excellent chance for those guests interested in the Club to have fun and meet the members. Those who plan to bring sailboats need to advise, because Houston Yacht Club's facilities are limited for guest boats.

I understand that **Bob Marwin** and Company once again outdid themselves with *The Rites of Spring* party. Sorry I missed it. For those who do not know, these parties help defray the possible losses occasioned by last season's no snow. Speaking of no snow, I hope **Dale Albritton's** Memorial Day trip to "A" Basin was a success; as of this writing they have over 100 inches of snow and were skiing powder because of a mid-May blizzard.

175 Hart Freestyle skis; 555 Salomon bindings included. Ski breaks included. Never been used. \$220.00. Contact **Spike Silver**, 668-8940 after 6:30 p.m.

## scsc news

**Finn Runfalo** and **Johanna Jones** were married on Saturday, April 30.

Anyone interested in playing softball this summer, please contact **Barry Kumins** at 783-5396.

**Texas Tim Webb** will have a Summer Art Show Al La Galerie du Mall (Memorial City North Arcade) 6:30-9:30 p.m. Friday, June 24.

## volunteer appreciation party

The May 6 cocktail party hosted by the 1976-77 Executive Committee was a huge success with 170 SCSC members attending. Those members who had volunteered their time to Club activities such as program chairmen, membership check-in, drink ticket sales, style show, follies, etc. were invited.

The Lake Forest Townhomes Clubhouse, courtesy of Joe Cotrone, was a beautiful surrounding for a great party. Quiche, crab-stuffed tomatoes, sweet and sour meatballs, marinated artichokes, and chile con queso were just a few of the many tempting goodies anxiously sampled by everyone. Other than a crunched bar table and a few burned mouths (*from hors d'oeuvres*), there were no serious casualties. It must have been fate, for no one was thrown into the pool!

Bartenders **Bob Marwin**, **Tom Mercer**, **Easy Thayer**, **Ron Smith** and **Rick McFarland** should be commended for keeping up with such a thirsty group of people. And, of course, special thanks to Chairman **Lee Grona** for putting together such a fun party!

# memories are made of this...

by Virginia Kolter

The bus was off and rolling by 6:40 p.m. with everyone raring to go. Immediately, the beer and wine started flowing and the chips and dips were attacked as if by hungry vultures. Before long, the portable John which was colorfully enclosed by a yellow shower curtain was in great demand. Amidst cries of "Go, Go, Go", **Dorothy Bell** made her way down the aisle to check out the facilities. **Dave Reitze** ran her a close race to see who could use up the 50 flush limit.

Anxiously anticipating a warm camp-fire and tents set up, we discovered to our dismay that the task was awaiting us. Everyone had to grab a tent and some poles and try to discover whatever mechanical ability he had. Before long, everyone was sitting around the campfire enjoying nature. Our astute friend, **Bruce Maughs**, could not understand why his air mattress would not blow up until he realized it was really his shower curtain!

**Lucy Crowgey** requested a five page instruction sheet for next year as she was in need of artificial respiration after having to reinflate her air mattress twice, having assumed we were changing campsites.

**Cynthia Waters** and **Jackie Mullis** kept the group entertained with jokes as we waited for the canoes. "About that ticklish weather, Cynthia!"

**Sheryl Rogers** and **Rick Holt** did a fine job of paddling with only a spill now and then to check out the water.

**Don Buss** in his first prize shorts, and **Leslie Holmes** made a fine sight being chased down the river by their canoe.

**Easy Thayer** started the excitement and festivity Sunday morning with a jousting exhibition. That guy doesn't have a yellow bone in his body!

**Gayle Davis** and **Steve Kroger** made a "dry" trip -- at least no spills.

**Carolyn Lowrie** managed to find the air pocket under her canoe. Fortunately, someone flipped the canoe right side up and rescued her. Glad you're okay, Carolyn. You're too young to die!

**Fahema Nowak**, looking great in her "First Molars" tee shirt and **Dawn Davidson**, "Embrace Me", were no longer novices after two days of hard canoeing.

**Jean** and **Charlie Graml** decided to change canoeing partners for greater marital harmony.

Top: "Brace yourself! This is it!" - Sid Sutherland, Judy Allen. Next: "Hey, you guys, wait for me!" - Bruce Maughs. Next: Traffic Problems! Above: Cynthia Waters. Right: The thirsty crew.

One of the highlights of the trip was watching a group of daredevils such as **Bob Tripp**, **Judy Allen**, and **Virginia Kolter** jump off the bridge and go like crazy down the rapids. Man! What a trip!

Busing back to the campsite, we made a quick rest room stop. **Barry Kumins**, in his red polka dot hat, made an olympic leap over the barbed wire fence. Unfortunately, the pole holding the fence wasn't exceptionally strong and Barry received a real smarting injury. How is it, Barry?

**Mike Hughes** gave the port-a-pot a name that is quite appropriate: "the Little House on the Prairie" -- complete with a farm yard aroma.

Saturday night the scene included **Billie Novak**, **Sid Sutherland**, **Beth Nolen**, **Roy Nice**, **John Clayton**, **Martin Matras**, **Carol Hill**, **Linda Crawford**, **Harry Gaston**, **Jan Petner** and others waiting to devour **Don Green's** cobbler and homemade ice cream. Everyone retired early as the tired bodes

**Above:** "That was fun...let's do it again!"

**Bob Trip and Dorothy Bell.**

**Top Right:** Carolyn Lowrie, Bruce Maughs.

**Center:** Easy Thayer - "Aw man, this water is fine."

**Bottom:** It's time to party!

needed rest!

The bus ride home seemed a lot quicker as **Bob Petner**, acting as emcee, kept everyone entertained with a live on the spot, "Bowling for Marboro's" show.

"**Legs**" **Widaman** gave us a little show on her way to the famous "John" complete with a background chorus.

Everyone said, "Hey, when is the next trip?" I said, "I'm ready! Let's go!"

## texas ski council

by Ed Taylor

The 1977 winter meeting of the Texas Ski Council was held on February 26 in San Antonio with representatives from the following clubs attending: Austin Skiers; TAMU, Texas A & M; Los Amigos, San Antonio; Mountain People, Snow Mad, Dallas; Ullr, Arlington; Houston Ski Club and Space City.

During the first order of business, Copper Mountain was selected as the location of the 1978 Texas Ski Week. It's a great area and location and offers a wide variety of terrain to challenge any skier. (We are looking forward to another stupendous Texas Ski Week and the return of the Texas Ski Council Cup to Space City!)

Another pertinent item discussed was the possibility of the Texas Ski Council taking advantage of two systems which

would reduce the cost of our trips: 1) Simultaneous trips to the same area by member clubs, giving us greater bargaining power with the resort and its merchants; 2) Back-to-back charters which would include both air and bus charters. If clubs are successful in arranging three consecutive weeks to the same area, the cost of air and bus fare could decrease as much as 20%. Hopefully within the next few years, the Texas Ski Council can perfect these techniques and we will be able to enjoy the benefits.

Another idea, which would aid ski clubs is the forming of a Resort Area Information and Disseminating System. This system would consist of members of the Texas Ski Council that would gather information as to which lodges or condominiums at the various ski areas were receptive to groups such as ours and which were the best for skiers with our interests.

New officers were elected for the 1977-78 ski season. **Jeff Nesrsta** with the San Antonio Ski Club is President; **Bob Buchenauer**, a member of Los Amigos Ski Club is Vice President; Secretary is **Sue Knowles** with the San Antonio Ski Club.

Jeff Nesrsta appointed Bob Buchenauer to form a committee to review existing rules of the Texas Ski Council Cup Races. The main topic of revision was the point system. Ideas discussed include using the NASTAR age system and awarding points in the following manner. In each age group:

Gold. . . . 100 points for skier's club  
Silver. . . . 50 points for skier's club  
Bronze. . . . 25 points for skier's club  
Finishing. . 10 points for skier's club  
Entering. . . 2 points for skier's club

There will be a percentage multiplier devised and multiplied to the scores of the smaller clubs

(continued on page 6)

# markemaker

by Carolyn Lowrie

**Dorothy Bell**

When someone said "Blondes have more fun", surely they must have been talking about this month's **markemaker**, **Dorothy Bell**. Having been introduced into Space City Ski Club by **Virginia Kolter**, Dorothy set out to find the wonderful world of skiing. The challenge is what attracted her most and a trip to Steamboat Springs made her eyes open to

many things. Dorothy's style of skiing could be visioned on the bunny slope, but her style of making hot chocolate with peppermint snaps is even better! She found skiing to be very exciting, but also realized the partying that goes along with it, (*more hot buttered rum, please*). Having made her great entrance into a bar in Steamboat Springs by falling UP the stairs, well, everyone knew she was there.

Dorothy is a native of Port Arthur and considers herself one-half cajun. She received her BBA from the University of Texas. Her careers have varied from teaching school, being a secretary, to present, a Real Estate Agent with Duffy and Laroe. Dorothy has always been very active with the Republican party and has worked with many of the Presidential Campaigns. For two years she was an officer in the Houston Panhellenic. Her involvement with the Memorial Drive Presbyterian Church has kept her busy with activities such

as being a Sunday school teacher for ten years, being involved with the Woman of the Church, and is now an officer of T.G.I.S. (*Thank Goodness It's Sunday*).

Dorothy's personal interests are surrounded by the Arts. She loves to play the piano and at one time wanted to attend a music conservatory in New York. In her spare time, she enjoys reading. Having lived in New York, New Jersey and in New Orleans, Dorothy acquired a yearn to travel. She has taken a Club Med trip to Martinique and plans to go to Playa Blanca this summer.

Non-skiing participation has brought Dorothy to the horse races at Lafayette, Beauxbridge Crawfish Festival Trip, and a very recent canoe trip on the Upper Guadalupe, where she turned out to be pretty good with the paddle.

Look for Dorothy at the summer activities. She is the life of the party and a good **markemaker**.

## TEXAS SKI COUNCIL (continued)

to enable them to compete with the larger groups at the Texas Ski Week. This multiplier will be based on the percentage of those at the ski week participating in the race. If you wish to contribute your thoughts to this committee, write to **Bob Buchenauer**, Vice President, Texas Ski Council, 4919 Pecan Grove, No. 225, San Antonio, Texas 78220.

The next meeting of the Texas Ski Council will be held in Dallas in September. Any Space City member may attend. If you wish to attend or if you have ideas that will benefit the Space City Ski Club or the Texas Ski Council, contact **Ken Dominy**, Vice President of Trips.

# fun tennis tourney

by Deb Serangeli

April 23rd marked the day of the SCSC "Fun Tourney" and Beer Bust at Doug Rich's Practice Courts.

Twenty enthusiastic SCSC skiers packed away their ski goggles and sweaters and donned their tennis togs for the indoor event. Pop tops rang and tennis balls flew from the machines as five teams aimed for high scores in accuracy. Forehands, backhands, overheads, serves, and volleys (*ten of each*) fired across the nets at each member of the five-man team.

Each team was on their own for keeping score of balls hitting the bucket and machine. Most of us managed to get all the balls over the net, but hitting the target proved a little more difficult.

**Jim Cowhig, Pat Burchett, Dale Englefield, Max Langley and John Clayton** walked away with the No. 1 prize by beating **Lee Ballinger, Bill Chalmers, Barry Kumins, Ken Dominy, and Linda MacFarland** by only 1 point.

Left handed **Molly Rhodes** was overheard to say "How can I hit a forehand when the balls are coming at my backhand?" A switch from forehand to backhand seemed to clear her handicap.

**Stan Kuper**, after wandering around looking for his next court, felt the highlight of his evening was the "beer break" between categories.

**Alan Simpson** kept looking at the rotation board asking, "Where do I go next?" He was last seen at No. 1 court hitting 100 forehands.

SCSC'er **Bob Marwin** became official photographer with **Handy Dan Toland** holding the beers as live action shots were flashed during the evening until the bright lights dried them to the point where they insisted on retiring to the beer cooler.

**Top:** Allan Simpson, Pat Burchett, Bill Chalmers and Max Langley. **Next:** Taking a break! **Below:** "The Line Up!" **Bottom:** Debbie Serangeli and Stan Kuper.

A special thanks to Barry Kumins and Dale Englefield for carrying in the beer and icing it down. Also, Linda MacFarland who wrote, produced and supplied the entire event. THANKS!

With the last pretzel munch-ed and remaining beer packed away, a few SCSCers were heard to say as they bid goodbye, "I think my overhead really needs some work!"

## where have they gone?

(The Skier's Summertime Lament)

*Where have they gone, those splendid days*

*Before we went our separate ways,  
Returning from the last ski-trip,  
So filled with memories that slip  
Away, and now seem almost done  
So wilted by this flat-land sun.*

*Scarcely weeks ago, it seems,  
We started off with vivid dreams  
Of powd'ry slopes and cloudless skies  
That wait beyond the chair-lift's rise.  
And then we found our visions failed  
To match the spectacle we hailed  
Below, ascending on the lift,  
Where black-marked trails appeared to drift*

*Away, then plunging out of sight;  
And once again we pressed our fight  
With moguls, and with stems, and all  
The other snares that could befall.*

*The skidding turn that missed the gate,  
Recovered well, but much too late  
To claim the bronze, but still it was  
A bold and satisfying cause.*

*Protesting muscles, barely strong  
Enough to take us home - at long  
Last sink into a chair and peel  
Away those boots, and later feel  
The sensual jacuzzi's flow,  
Augmented by the pleasant glow  
Of what we sipped, and wondering  
Just what the evening yet might bring.*

*And so they're gone, those splendid days,  
Though now and then our mem'ry strays;  
But months from now when winter calls  
And far away a soft snow falls  
To tempt us 'til at last we yearn  
To ski again, they shall return.*

## markemaker

**Bob Tripp** is the featured SCSC member this month and I feel that he still deserves the award he received in college as the person with the most activities. Bob enjoys hunting, fishing, boating, tennis, canoeing, skiing and remodeling homes. Bob has received so many trophies that he has to store some in the attic.

Having been in SCSC for two ski seasons, Bob enjoyed the Steamboat Springs Easter trip last year and the Mt. Hood trip this year. He has also skied on non-club trips to Taos, Ruudoso and A-Basin. When asked how he got interested in joining SCSC, he replied, "*Ruth Roy sent me.*" (Locked In Sports) He was a sight at Mt. Hood skiing in only a pair of shorts.

Bob is from Paducah, Kentucky. He was the Student Body President of his high school and continued the same leadership

data. One time he was struck by lightning and pieces of the airplane blew off. He said the jolt was so terrific that he would have lost his head by hitting the top of the plane if he had not been belted in.

Bob is working for Pennzoil as a Planning Manager dealing with economics, supply and distribution and travels frequently to California and Pennsylvania. He also was recently promoted to Captain in the Naval Reserve.

He has participated in the Follies for the last two years and was in the Quiz Show and tap dance last year. He is well known for changing clothes under the sheet with **Bobbett Cross**.

Bob Tripp is such a nice guy that anyone would enjoy knowing him. He said that he is saving the sordid details for the next issue, but after talking to him, I find it hard to believe! Be sure and meet him.

**Judy Allen**

The newly elected Trip Director for 1977-78 is **Judy Allen**. A veteran skier of 10 years and a trip chairman for two trips last year (*Steamboat-Christmas, and Telluride, both canceled because of no snow*), Judy brings experience and willingness to work to the job of Trip Director. Judy, one of those rare birds called a native Houstonian, graduated in 1970 from TCU with a teaching degree in Physical Education. She has since been working as a medical

secretary, currently to the Chief of Obstetrics of the Baylor College of Medicine, but located at Jeff Davis Hospital. Her interest in SCSC was fostered by her sister, **Marjean Doucette**, wife of **Don Doucette**, both of whom have a long history of service to Space City.

Judy loves all outdoor activities but particularly enjoys volleyball and softball. She also jogs about a mile every day while "walking" her dog.

Talented in music, Judy has been a member of the Gilbert and Sullivan Society of Houston for ten years. She sang in her high school choir and at one time considered majoring in music. You'll be able to hear Judy when she performs in the Gilbert and Sullivan production of "The Mikado," July 22 and 23 at Jones Hall.
