

## BAR-B-QUE BOATING BEER PARTY

It's that time of year again. Time for the Ski Club's Bar-B-Que/Boating/Beer Party at Atascocita Country Club. July 20th is the date for this summertime happening. The beer starts flowing at 2:00 P. M. Come and have some fun. There'll be volley ball, soft ball, horse shoes, darts, dancing and boating. Bring cards for bridge if you're not inclined to these.

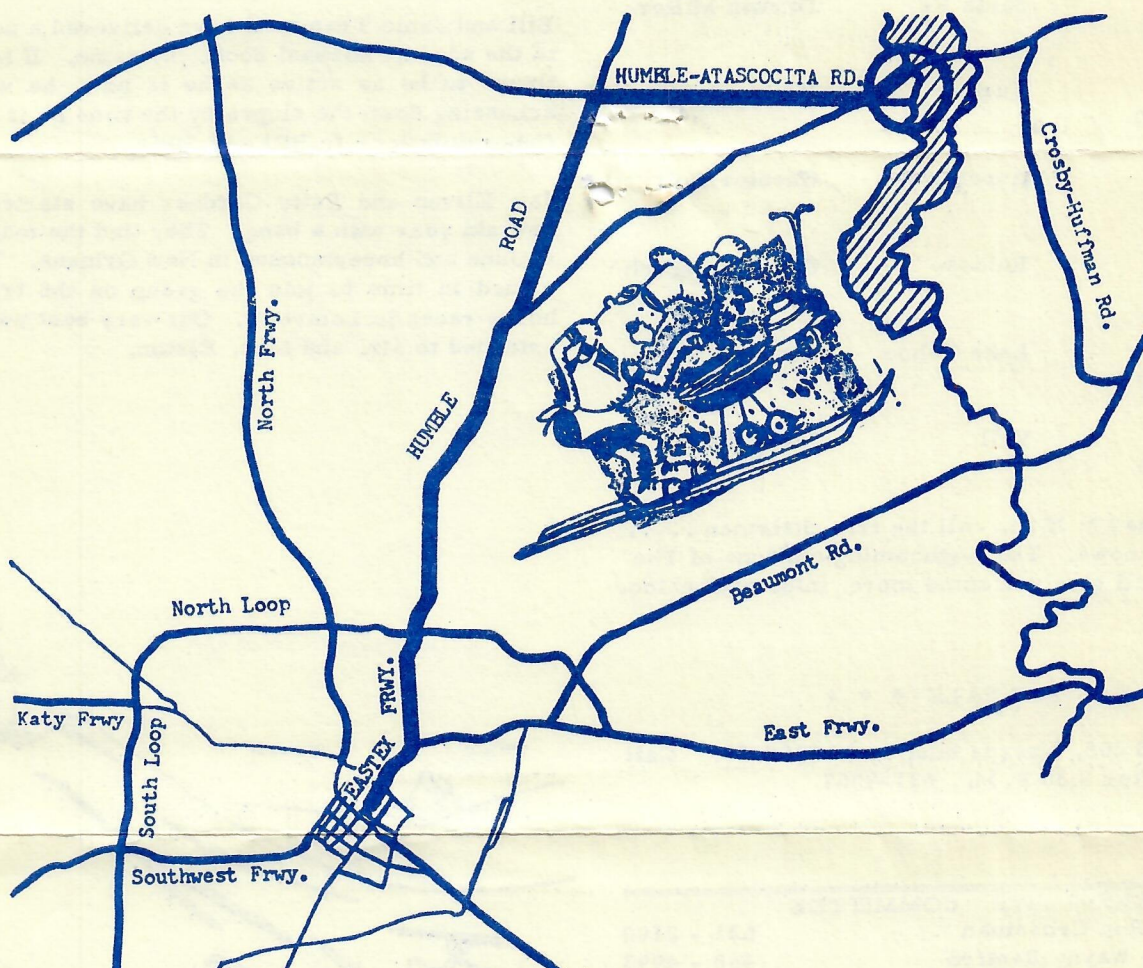

For you Frisbee fanciers, Miles Anderson will be supervising the tryouts for the Southwestern Frisbee Championship. He will demonstrate his uncatchable, overhand, reverse wrist flip, with a twist. Fantastic! Finalists will represent our area in the 12th Annual National Frisbee Championship to be held at Eagle Harbor, Michigan, in August. Practice hard as finalists will be competing against such greats as Harvey J. Kukak and Thor Swenson. Granberry Featherwood will be on hand to demonstrate the techniques he used to win the National Championship in 1968. Bring your Frisbees.

Golfers are welcome to play the Atascocita course, also. Call the Pro Shop on Wednesday, July 16th, for a starting time. The number is CA 8-1295.

We will again be using the main pavillion and picnic grounds on the south side (right side of F. M. 1960). Dressing rooms are adjacent to the pavillion so be sure to bring bathing suits or a change of clothes if you plan to indulge in the water sports.

Everyone please fill out the attached reply card and return it so we have an idea how much food and beer we should order. Also, if you have a boat or know where you can beg, borrow or steal one, please give specifics as indicated on the card. Every kind of boat is welcome.

Don't forget, it's free to members. Guests \$3.00. SEE YOU THERE!

To get to the Atascocita Country Club, get on the Eastex Freeway, Highway 59, by turning north on Chartres from Pease, Jefferson, Calhoun, Pierce, the Gulf Freeway feeders and drive in a northerly direction for approximately 19 miles to the Humble cutoff. Turn right off the freeway and go thru Humble to the Humble-Atascocita Road, FM 1960. Travel East approximately 6 miles until you come to Atascocita road that intersects from the right. Bear

left for 2 miles and the picnic area will be on the right just before crossing the McKay bridge going over Lake Houston. For those that want to play golf, turn left into the Atascocita Club area. There are also boat launching ramps on that side. There is also a fishing camp with a concrete launching ramp if you go straight ahead at the intersection of FM 1960 and Atascocita Road.

**SPACE CITY FLASH:** There will be a television set provided in the pavillion for those who want to watch the moon landing.

## \* \* \* ABOUT OUR MEMBERS \* \* \*

Bill and Janie Trammell have delivered a new skier to the scene, Michael Scott, by name. If Mike continues to be as active as he is now, he will be schussing down the slopes by the time he is walking. Congratulations to Bill and Janie.

Jay Elston and Betty Cardner have started off this new ski year with a bang. They tied the marital knot in June and honeymooned in New Orleans. They returned in time to join the group on the trip to the horse races in Lafayette. Our very best wishes are extended to Mr. and Mrs. Elston.

"Better send up the Doc—we've either had two minor spills or one pretty bad one."
