#### JANUARY MEETING

Monday, January 11, 1965 - 7:30 p.m. - Hotel America - State Ballroom

We will have the usual social hour followed by an instructional film. This is a new movie featuring Stein Eriksen. It should be a good review for those going on the week-end trip and a good introduction for all you beginners going to Aspen.

#### WEEK-END TRIP JANUARY 14-17

James Dickson (CA-8-0611 Ext. 4769, JA-3-3123) has some fifty (50) people signed up for the bus trip to Ruidoso. Deposits are due on January 6. Call him for more information and where to send the deposit.

#### ASPEN TRIP - FEBRUARY 20-27

We have just about filled the plane for this trip. Fifteen spaces remain. Travel is by chartered airplane to Denver and bus to Aspen. Accomodations at the Limelite Lodge and another nearby lodge. Call Miles Anderson - NA-2-2200 or Tom Cronin - RE-4-1611 for more information

We want to thank Mary Jo Bell for being hostess at the party last month for those going on the trip. January 22 is the tentative date for a party for "trip goers" at which we'll bring out ski equipment and demonstrate boot and binding adjustment and give some other pointers for beginners. More on this later.

#### CLUB RACES

Tom Alexander is the recently appointed Race Committee Chairman. He will give us a full report Monday on club races for the Aspen trip.

#### MEMBERSHIP - PLEASE NOTE!!

This is the last big mailing of meeting notices. Next month only paid-up members and persons whose names have been given to us for the first time will receive a notice. We have one hundred sixty (160) paid members now and want more. Activities will be limited to members and their invited guests. Dues are \$5.00 payable at the door.

See you Monday,

*Tom Cronin*
