

This letter is your invitation to attend the next meeting of the Space City Ski Club scheduled for Monday, October 12th, (7:30 PM) at the (Royal Zanzabar Hotel). Cocktails will be available.

"SCSC" was organized recently by a group of young, unmarried Houstonians for the sole purpose of reducing the expense involved in snow skiing, and for sharing skiings pleasure with an even greater number of friends. Our activities this season will involve a one-week economy trip to Aspen in February, and one or two long weekend economy trips to other ski areas. Between trips there will be monthly cocktails parties and other social activities. The complete club itinerary is now being formulated and will be presented for approval at the October 12th meeting.

Your membership in "SCSC" will offer many advantages, ^{unobtainable elsewhere} and the cost is very minimal at only \$5.00 per year, with an option to subscribe to ski magazines at reduced rates.

We sincerely hope you will accept this invitation to join us, and look forward to seeing you at our next meeting. Bring a friend.
