Hi Ya'll! I hope everyone is well. In a year when so much has been strange and unprecedented, it feels good to me that some things are familiar and predictable. Like every other year, Halloween displays were up before Labor Day. Before trick or treat even happened, there were specials for turkey and dressing and pumpkin pie. And before the turkey makes it to the table, everything is red and green and glittery, and it's all about Christmas.

This year, I'm comforted by the speedy transition from one holiday and one season to the next. I'm happy that time seems to accelerate from Labor Day to New Year's Eve. The holidays will soon be here. We will count blessings and give thanks and be more grateful than ever for friends and family and good health. We will celebrate where ever and with whomever we are able. The time will pass quickly. And then this year will be OVER!! And next year will bring vaccines and therapeutics and a return to the precededent.

In the meantime, the club is doing lots to preserve the rhythm and normalcy of life.

- ◆ Monthly dinners are still planned.
- ◆ The Holiday Gala is scheduled for December 5, with lots of room for distancing.
- ◆ The annual club meeting at Sun and Ski is planned for December 14.
- ◆ We still plan on ski and adventure trips for 2021.

Check the website for activities and travel options and openings.

Stay safe.

Greetings

I can't believe we are into the holidays. While we will celebrate in smaller groups we can still celebrate in style and have fun. We will definitely be making new memories.

Since I last wrote several of the ski resorts had early snow and a couple even opened way before Thanksgiving. I know the resorts were happy about that and I am hoping they are able to continue to welcome guests for the entire season.

I know most of you have heard all kinds of reports on what the ski resorts are anticipating and planning. I don't want to second guess what the states may dictate in the coming months. We have good tour operators working with our great Trip Coordinators and they are keeping track of the ever changing requirements to keep us safe while having fun. The trips are basically full except 1 or 2 spots where they need to gender match the rooms. The first trip is almost

two months out so it is expected that a cancellation or two will occur on one or all of the trips as the departure dates near. If you are interested get on the wait list and watch for openings listed in the weekly email blasts from Rowena.

The two newly opened 2021 adventure trips to Zion/Grand Canyon and New Zealand have had great success. Both are nearly full. The New Zealand trip is not until October 2021 so it is expected to move forward. The Zion/Grand Canyon is just weeks before that so it's also expected to be a go. We are hopeful that the Bike/Barge trip in The Netherlands and the Greek cruise depart as scheduled. We just need a bit more information from the countries and the tour operators on what requirements will be in place earlier in the year for European trips and how they are weathering the financial stresses of COVID. Believe me, I hope they both go as planned. I was signed up for them for 2020 and stayed on the list for 2021.

Last month I told you the TSC trips selected at BidFest for 2022 were in Park City, Telluride and Mammoth. Does anyone want to go on a club trip to Steamboat? To Big Sky? The annual December Vail trip will be back in 2021.

If you have other wants, let me know. Planning will start pretty early in 2021 for 2022. It's the new way – book early to get the desired lodging or wait another year.

Happy Holidays!

We had our November meeting at Warehouse 72 where 35 members plus 2 new guests attended. One of the guests had just moved here from Florida and had belonged to a ski club there and was looking for one to join in Houston. I hope we get to see her again soon. We went over any openings in the trips and any activities we are having. Sun and Ski has again agreed to have the December meeting at the store but with several changes. There will be no snacks, wine or an additional 10% discount. They will have a talk about new ski equipment and there will be several nice door prizes. Our normal SCSC 10% discount does apply.

To have some sort of contact, we are still having Zoom Happy Hours every other Thursday night. The Zoom get

together is fun but only 12 to 18 people are joining us each time. Please dial in and join us. Most of the time Bil comes up with some type of questions or topics to talk about. Our dates in December are the 3rd and the 17th.

Karen Leeson led a bike ride for 11 riders on October 25 down White Oak Bayou to St. Arnold's brewery. They had a great time so Karen will be planning another one in the spring.

The November 14 Dinner at the Downtown Aquarium was a lot of fun and the food was great. Although it was a challenge to get there since Bagby was under construction. It was very frustrating to see it and be right beside it but could not get to it. After about 8 circles Jo Ann and I finally figured it out and it took Marianne Pearce over an hour. Jo Ann Zemlicka's birthday is November 20 so we celebrated it with a delicious chocolate cake at the dinner

Club Bike Ride Participants

where we had 14 members attend.

This year our Holiday Gala on December 5th will be a little different. It is at the Post Oak Grill on S. Post Oak and will be a sit down dinner with several choices rather than a buffet. There still will be appetizers early before the dinner. We will have the entire bar area with tables around the dance floor where there will be only 6 people at each of the large tables and the tables will be at least 10 feet apart. Even though we will not have our normal 70 people coming, Post Oak Grill will not have anyone else in the bar room but us, so there is plenty of room for social distancing. Lori Aubrecht is assisting me with the event and has her own play list of songs for our dancing pleasure. Please sign up now.

Hopefully before long we will be able to start having our monthly Happy Hours again.

Snowmass

WHY CHOOSE THIS TRIP?

The world-class resort of Snowmass has been among the list of favorite destinations requested by club members year after year and for good reason. Your trip will be coordinated by the dynamic duo of TC, Cindy Moore and ATC, Steve Ying who have a long history of providing top notch fun. This trip promises to continue the legacy.

Mountain View, Jeremy Swanson Snowmass

Skiing a Groomer,
Jesse Hoffman Snowmass

To start with, the first-class skiing deserves all the hype with its diverse terrain which offers something for everyone. If the extensive uncrowded, blue intermediate terrain of Snowmass isn't inviting enough, your lift tickets include access to three other nearby mountain resorts by just hopping on one of the quick, free buses. Celebrity-favorite Aspen and Aspen Highlands will challenge seasoned experts, while the slopes of Buttermilk will satisfy tamer skiers and riders. Just learning to ski or board? Snowmass has some of the world's best ski/board instruction. Plus, we ski out from our lodging onto an easy green close to the base.

Furthermore, this trip is not just about the skiing and boarding. Skiers and non-skiers can revel in all the area has to offer in other ways, including the facilities at the Top of the Village such as the heated pool, hot tubs, close by spas and

snow sports such as cross-country and snow shoeing. There is a vibrant slope side village bustling with shops and restaurants along with a new public plaza in the Base Village. Aspen offers world-class shopping including the bargain thrift shops of the rich and famous. Of course, everyone needs to experience the legendary après-ski and nightlife of Aspen.

ACCOMMODATIONS

We will be staying in deluxe two and three-bedroom condominiums at Top of the Village which is currently ranked #1 out of 23 in Snowmass Village by Trip Advisor. We have stayed here before and know they deserve that ranking. These true ski-in, ski-out feature washers/dryers in every unit, a full kitchen, a full bath for every two occupants, a heated pool and several hot tubs for après ski fun. Other amenities include high speed wireless internet, fireplaces, sauna and fitness room, elevators, private shuttles within Snowmass Village, on-site parking, and overnight ski tuning.

THE MOUNTAIN—MORE THAN JUST GREAT SKIING

Snowmass boasts a Nordic Trail System with 60 miles of FREE show shoe and cross-country skiing. There is also an Alpine Coaster at the top of Elk Camp that you shouldn't miss, as well as snowmobiling and dogsledding. The highly rated Spa at Viceroy Snowmass is a short 5-minute ride or 15-minute walk and is just one of several spas available to pamper you.

Since our last visit two years ago, Snowmass is in the midst of a \$600 million dollar expansion of their Base Village which is the largest mountain resort construction project in North America. It features a FREE ice-skating rink, patio with outdoor fire pits and Colorado's tallest indoor climbing wall. The

heart of Snowmass Base Village is the new community center known as the “The Collective” with a bar, restaurant, game arcade and live entertainment.

TSC events include a Welcome Party, Pub Crawl, Poker Run and Final Dinner/Dance

Jackson Hole

Why Choose This Trip

Space City Ski Club hasn't taken a trip to Jackson Hole since 2014, so you can consider this your once in a seven year opportunity!! Jackson Hole retains a very pure and authentic ski experience. Its scenery and wild vistas are meant to be enjoyed and photographed.

Tom Thomas

The Mountain

Jackson Hole Mountain Resort Base elevation is 6,311. There are 133 named trails that include 50% Expert, 40% Intermediate and 10% Beginner. Plenty of challenging terrain but also some good groomed slopes and corduroy for cruising! **The Tram is literally steps away from our hotel. No shuttle needed to get on the mountain.**

If Teton Village isn't enough to keep you busy, the town of Jackson is a 25 minute, cheap, bus or taxi ride away. The town has tons of galleries, shopping, dining and cowboy bars. Yeehaw!!

We are also close to Yellowstone National Park and various tours are available into the park—just be prepared for an all day excursion. Let me know if you need additional information. Shorter Snowshoe, snowmobile and dog sled tours are also available in closer proximity....a few have stops at Granita hot springs for soaking weary muscles!

Lesson, Mountain Tour and Rental information to be provided closer to date.

Accommodations

Our accommodations at the historical and intimate 42 room Alpenhof Lodge, are located just a few steps from the Tram. All the Bavarian rooms have either one king or two double size beds and daily housekeeping is included!

We can all get to know each other better at our Mountain Party and an optional dinner or wine tasting along with our lunch and après ski gatherings. I can hardly wait and I know you will be excited about joining this adventure, too! SpaceCity.org is the place to get updates!!

Why Choose This Trip?

My wife and I first went
to the Grand Canyon in
1969. About 15 years
later, we visited Zion and

Zion & Grand Canyon Tour

both the North and South rims with our children. That started a long association with the Grand Canyon, where I organized 14 adventure trips with almost 400 people over the next 30 years. Many SCSC members have been on those Rim to Rim hiking adventures. You may have been to Zion and the Grand Canyon, but you missed what I will show you, including the amazing North Rim.

This is your chance to join me on a trip with SCSC next September, 2021. Travel with me as I show you the best way to maximize your experience on this scenic trip with the chance to hike a little bit of two of the top ten adventure hikes of the world. If you are not a hiker, you will still be able to see and enjoy these two great National Parks. There will be lots of opportunities to stop and gawk at amazing sights.

What is the Plan?

We fly to Las Vegas on an early Saturday morning flight via an early Southwest Airlines flight; but you can choose your own airline with an early arrival to Las Vegas. We will pick up our four 15 passenger vans with 7 or 8 people in each van. The drive to Springdale is only about 170 miles, so we will arrive in time for an afternoon visit to Zion to hike or sight see. You can join me as I lead a hike up into the famous Zion Narrows for a short distance on the next afternoon as one of the several options.

After our two nights at Zion, we leave Zion on Monday through the east side with more view stops. A stop at Kanab will acquaint you with that area of lower Utah on our drive to the North Rim.

The North Rim has spectacular views and is surrounded with forest of Ponderosa Pines. It averages 1,000 to 1,500 feet higher than the South Rim! It is isolated from the crowds of the South Rim and provides for a great laid back and relaxing afternoon and evening. We will eat dinner at the famous North Rim Lodge and also enjoy what many people say is one of the best Bloody Mary's in the world. An optional afternoon drive to Point Imperial is often considered the greatest viewpoint on the North Rim. We will continue to Cape Royal to see Angels Window and great views of the Canyon and the south rim.

On Tuesday, our 3rd day, we will drive around to the South Rim with several stops, including down at the Colorado River to dip your hands into the 55 degree water coming out of Glen Canyon Dam, and maybe see raft companies launching trips down the 270 mile trip through the Canyon. The stop at Marble Canyon over the Colorado River may include sights of Condors under the bridge. The drive along the south rim of the Grand Canyon will take in the incredible views with stops for pictures.

Our arrival to Grand Canyon Village on Tuesday will be in the afternoon giving everyone a chance to wander the south rim area, including possibly walking down a little bit of one of the two rim to rim corridor trails, Bright Angel or South Kaibab. I will be leading a 1.8 mile round trip hike down the South Kaibab to **Ooh-Aah point!** Remember, down is optional, and up is mandatory. For those that want to see much of the south rim without walking much, take the Hermits Trail shuttle out and back. Most people never get the chance to do that.

On Wednesday morning, you may want to get up early and see the sunrise over the Canyon, then head back for breakfast at the Maswik or even Break-

Zion & Grand Canyon Tour

fast at the El Tovar. However, we will be leaving at 7:00 AM for one last great view of the Canyon at Yavapai point.

Our trip back to Vegas will include stops briefly in Williams, then a quirky stop at Grand Canyon Caverns. We probably won't have time to actually go in the Cavern, but you can find out about it.

Finally, we will do a drive through Hoover Dam and brief stop to see the Dam and Lake Mead.

Trip Lodging

Our lodging at Zion will be the La Quinta at Springdale, which is less than 1.5 miles from the Park front entrance. From April through October, access into Zion Canyon is by shuttle bus only right outside the La Quinta. The shuttle will take you to 9 stops on the Zion Canyon Scenic Drive. You can get out at one of the stops depending on which hike you'll be conquering for the day or just to stop and stroll along the Virgin River. The La Quinta is in great walking distance to all of the eateries and shopping in Springdale.

Our lodging at the North Rim will be in the rustic Frontier Cabins. These are conveniently located close to the North Rim Grand Canyon lodge and the amazing views at the Lodge. Plan on relaxing on the back patio looking out to the south rim between Roaring Springs Canyon and Transept Canyon.

The Lodging at the South Rim will be at the Yavapai Lodge, close to the other major "On Rim" locations to sight see and have dinner. The south rim shuttle provides ease of exploration to the "over rim" sights near Grand Canyon Village

We return to Las Vegas about 3:00 PM for our return home or perhaps some of the group will decide to do an extension in Las Vegas (Lost Wages).

This trip will fill quickly, possibly in a couple days. Don't miss out. It is very possible this trip will be full before the publication of the September Sitzmarke. If so, get on the wait list.

Look on the SCSC website for more pictures and detailed information.

The Texas Ski Council Fall Expedition to New Zealand is back! COVID-19 concerns took it off the calendar for 2020, but it been rescheduled to Fall 2021. Don't miss this second chance opportunity to go on this spectacular journey.

FIVE REASONS TO VISIT NEW ZEALAND

- Auckland and north island lakes and forests
- Experience the Maori culture and the warm waters of Rotorua
- Queenstown – the Southern Hemisphere's premier resort area for 5 days of fun
- Spring temperatures for walks with views of mountains, glaciers, waterfalls and lakes
- Sample New Zealand's award winning "Pinot Noir" and other local favorites.

SPRING TIME IN NEW ZEALAND

Come and enjoy a spring adventure in New Zealand with other TSC members. The journey begins with a non-stop flight from Houston to Auckland. Enjoy the wonders of the North Island for 4 nights before flying to Queenstown on the South Island for 5 more nights. In **Auckland**, our home will be at the centrally located **Hotel Grand Millennium**.

New Zealand

Auckland is known as the “City of Sails” and is nestled between 2 harbors, providing an abundance of fresh seafood. Upon arrival we will enjoy a half-day tour of the city. The next

day we take a full day tour to **Waiheke Island**. This island is rated as one of the best island escapes in the world. It has an abundance of beautiful vineyards, olive groves and beaches to explore....only a 40-minute ferry ride from Auckland.

Waiheke Island Photo from TSC Brochure

As we head for **Rotorua** and our next home base **Hotel Millennium**, we stop for a tour of the Hobbiton Village. This “Lord of the Rings” movie set has been left for public tours. We will be treated to a beer at the famous pub. Get ready to belly up!!

From here we arrive in Rotorua, which is southeast of Auckland and is known for its geothermal activity (many hot pools to relax and enjoy), the 18 pristine lakes nearby, the wonderful forests for taking walks as well as the Maori

culture. The Maori are the indigenous people of New Zealand. Currently on the agenda is an Evening Maori Experience. More info to come.

Following our stay on the north island, we fly south to **Queenstown** (known as the Adventure Capital of the Southern Hemisphere) to enjoy the next 5 days. We will reside at the **Novotel Lakeside Hotel** where the views of Lake Wakatipu and the mountains are fantastic. Our TSC Welcome Party will be at the top of the Skyline Gondola which overlooks the city, lake and surrounding mountains.

Another evening we will ride the historic steamship TSS Earnslaw across Lake Wakatipu to the Walter Peak ranch for dinner and a sheep shearing program.

In Queenstown there are many things to experience----

1. A beautiful botanic garden on the lake shore
2. Jet boat ride on the Kawerau River
3. Hike the Queenstown Hill for a panoramic view of the area
4. Charter a fishing boat and catch your dinner
5. Shop at the quaint stores in town

The final list of activities from TSC is still a work-in-progress. More info will be released as we get the full itinerary.

Also being finalized are a PRE-TRIP TO AUSTRALIA and a POST-TRIP TO FIJI. (Two more Bucket List Places to be removed from your list!!)

It seems a shame to travel all the way down under and not take advantage of a few other popular destinations such as Sydney, Australia. Sydney is a much publicized and photographed city with the famed Opera House, Harbor, bridge, and Crocodile Dundee. Well, maybe not that last character! You will have a chance to explore the city during our 3 night stay in Australia at the Holiday Inn Old Sydney.

View of Queenstown from Gondola photo from TSC Brichure

While some adventurers will go back to the USA after New Zealand an even more adventurous group will fly to the island of Fiji. Fiji is a Melanesian country in the South Pacific Ocean about 1/3 of the way between New Zealand and Hawaii. Fiji is considered a tropical marine island with temperatures in the mid -70s in October. We will have a chance to relax on the beaches and enjoy tropical fruit and excellent seafood. We will lounge around in Fiji for 4 nights before our flight to Los Angeles on Air Fiji.
